The Wedding Planner Millie Criswell, 2014-09-15 Weddings were her business... When she began her bridal consultant business, Meredith Baxter expected to coordinate bouquets and bow ties, not receive a billionaire's surprise proposal! Her latest customer, wealthy bachelor Adam Morgan, was

the catch of the century. But why was he asking her to make such an important commitment? Why was he so desperate for a wife? Finding a bride was his! Any woman would do for the in-name-only marriage Adam needed. Yet, with Meredith he'd get a partner...a mother for his kids...and hopefully a lover for himself. Adam had to convince the lovely wedding planner to start preparing their ceremony—time was of the essence. So he set out to change their relationship from strictly business...to strictly pleasure.

The Wedding Planners Erin Thomson, 2021-09-27 One explosive night. No names. No numbers. No strings. And Jemma and Nash were never supposed to see each other again. Which is why being thrown together to plan a wedding is probably a recipe for disaster. Meet Jemma. Her growing catering business is toast thanks to one Facebook post. With her reputation in tatters and all her clients gone, she's stuck cooking hipsters brunch at a local cafe. When she's offered the opportunity to plan a social media darling's wedding, it's the answer to all her prayers. There is one small snag, the new gig also comes with an assistant, the bride-to-be's brother. Who just so happens to be the sexy as hell nameless guy she hasn't been able to stop thinking about since he left her bed. Enter Nash. Hotshot chef whose life has spiraled out of control. His wife of 6 years walked out with some guy named Trent and he hasn't cooked a single thing since. He's back in New York for a fresh start and to try and make sense of his life. That started well with a night tangled around an anonymous magnetic blonde. But the very last thing he expected was to see her again, or that they'd have to work together to plan his sister's wedding. Will these two headstrong chefs be able to maintain their professional distance to get the job done or will the simmering chemistry be too much to resist?

The Wedding Planner Danielle Steel, 2023-05-02
NEW YORK TIMES BESTSELLER • In this captivating novel from #1 New York Times bestselling author Danielle Steel, a wildly successful, unmarried wedding planner leads her clients to happily ever after. Faith Ferguson is New York's most in-demand wedding planner, an arbiter of taste for elegant affairs, lavish ceremonies, and exclusive fêtes. She appreciates a simple celebration as much as a dazzling event, for she knows that a dream wedding is not necessarily the most expensive one. As much as Faith enjoys her work, her two failed engagements leave her with no desire to get married herself. She finds fulfillment in her close relationship with her twin sister, Hope, her role as a mentor for her assistant, Violet, and her career. This year, new clients have flocked to her, and she signs up an extravagant reception, a mid-sized gathering, and an intimate soirée, in addition to her mother's next marriage and Violet's modest ceremony. Faith finds herself forming bonds with her new clients and their loved ones—most notably the handsome brother of one of her grooms. But weddings are not always all champagne and roses, and in no time, Faith is grappling with private quarrels, unplanned pregnancies, family scandals, dark secrets, and the possibility of cancelled ceremonies. Through her own journey, Faith will prove once and for all that there is not just one path to happily ever after. In *The Wedding Planner*, Danielle Steel presents an enchanting story about the winding road to love and the many ways to find joy while staying true to oneself.
