

Theme Park

Mojang Ab, The Official Minecraft Team

The Global Theme Park Industry Salvador Anton

Clavé,2007 From the first pleasure gardens to the global theme park companies, this book provides an understanding of the nature and function of theme parks as spaces of entertainment. It portrays the impacts of theme parks as global competitive actors, agents of global development and cultural symbols, in the context of their role in the developing economy.

The Amusement Park Stephen M. Silverman,2019-05-07

Experience the electrifying, never-before-told true story of amusement parks, from the middle ages to present day, and meet the colorful (and sometimes criminal) characters who are responsible for their enchanting charms. Step right up! The Amusement Park is a rich, anecdotal history that begins nine centuries ago with the pleasure gardens of Europe and England and ends with the most elaborate modern parks in the world. It's a history told largely through the stories of the colorful, sometimes hedonistic characters who built them, including: Showmen like Joseph and Nicholas Schenck and Marcus Loew Railroad barons Andrew Mellon and Henry E. Huntington The men who ultimately destroyed the parks, including Robert Moses and Fred Trump Gifted artisans and craft-people who brought the parks to life An amazing cast of supporting players, from Al Capone to Annie Oakley And, of course, this is a full-throttle celebration of the rides, those marvels of engineering and heart-stopping thrills from an author, Stephen Silverman, whose life-long passion for his subject shines through. The parks and fairs featured include the 1893 Chicago World's Fair, Coney Island, Steeplechase Park, Dreamland, Euclid Beach Park, Cedar Point, Palisades Park, Ferrari World, Dollywood, Sea World, Six Flags Great Adventure, Universal Studios, Disney World and Disneyland, and many more.

Minecraft: Let's Build! Theme Park Adventure Mojang Ab,The

Official Minecraft Team,2019-06-04 Have you ever wanted to build your very own theme park in Minecraft? This guide will show you

how it's done! Inside you'll find build ideas for everything from a classic carousel and a haunted mansion ride to thrilling jungle river rapids and a terrifying alternate dimensions roller coaster. Variations on a Theme Park Michael Sorkin,1992-03

America's cities are being rapidly transformed by a sinister and homogenous design. A new Kind of urbanism--manipulative, dispersed, and hostile to traditional public space--is emerging both at the heart and at the edge of town in megamalls, corporate enclaves, gentrified zones, and psuedo-historic marketplaces. If anything can be described as a paradigm for these places, it's the theme park, an apparently benign environment in which all is structured to achieve maximum control and in which the idea of authentic interaction among citizens has been thoroughly purged. In this bold collection, eight of our leading urbanists and architectural critics explore the emblematic sites of this new cityscape--from Silicon Valley to Epcot Center, South Street Seaport to downtown Los Angeles--and reveal their disturbing implications for American public life.

Theme Park Design & The Art of Themed Entertainment

David Younger,2016-03-28 Theme Park Design & The Art of Themed Entertainment aims to be the most in-depth book on theme park design ever written, documenting for professional designers, theme park design students, and curious theme park

fans, the fascinating processes and techniques that go into creating the amazing worlds of theme park design.

Theme Park Landscapes Terence G. Young, Terence Young, Robert B. Riley, 2002 The prevalence and influence of theming increased so dramatically during the 1990s that theme parks have become a metaphor for postmodern urban life. But few scholarly studies focus on the landscapes in theme parks. This volume's authors examine themed landscapes in Asia, Europe, and North America in response to this worldwide development.

Action Park Andy Mulvihill, Jake Rossen, 2020-06-30 Citizen Kane does Adventureland. —The Washington Post The outlandish, hilarious, terrifying, and almost impossible-to-believe story of the legendary, dangerous amusement park where millions were entertained and almost as many bruises were sustained, told through the eyes of the founder's son. Often called Accident Park, Class Action Park, or Traction Park, Action Park was an American icon. Entertaining more than a million people a year in the 1980s, the New Jersey-based amusement playland placed no limits on danger or fun, a monument to the anything-goes spirit of the era that left guests in control of their own adventures--sometimes with tragic results. Though it closed its doors in 1996 after nearly twenty years, it has remained a subject of constant fascination ever since, an establishment completely anathema to our modern culture of rules and safety. Action Park is the first-ever unvarnished look at the history of this DIY Disneyland, as seen through the eyes of Andy Mulvihill, the son of the park's idiosyncratic founder, Gene Mulvihill. From his early days testing precarious rides to working his way up to chief lifeguard of the infamous Wave Pool to later helping run the whole park, Andy's story is equal parts hilarious and moving, chronicling the life and death of a uniquely American attraction, a wet and wild 1980s adolescence, and a son's struggle to understand his father's quixotic quest to become the Walt Disney of New Jersey. Packing in all of the excitement of a day at Action Park, this is destined to

be one of the most unforgettable memoirs of the year.

The Amusement Park Guide Tim O'Brien, 2001 This guidebook to the most thrilling fantastic amusement parks in North America, covering more than 290 locations, delivers the goods - what to see, what to do, and when - or where to go for the rides of your life. Check 'em out! Spiderman Adventure: This Orlando ride has it all - moving vehicles, 3-D filmed action, and live action. Millennium Force: Experience a 300-foot, 80-degree drop on North America's tallest coaster in Sandusky, Ohio. Hold on! Soarin' Over California: Sit below glider wings, swing into a dome-shaped movie screen, and fly from the Golden Gate Bridge to the San Diego Bay - while your body remains in Anaheim. Hypersonic XLC: Go from 0 to 80 in 1.8 seconds on this pneumatically powered coaster in Doswell, Virginia. (4 3/4 X 8 1/2, 336 pages, b&w photos, icons)

Waldameer Park Jim Futrell, 2013-04-29 One of the oldest amusement parks in the United States, and one of the last surviving trolley parks, Waldameer Park has provided generations with fun-filled afternoons. Originally beginning as a picnic area known as Hoffman's Grove on the banks of Lake Erie in Northwestern Pennsylvania, the Erie Electric Motor Company leased the park in 1896 and renamed it Waldameer, translated literally as Woods by the Sea in German. A trolley park's main purpose was to entice people to ride the new-fangled trolley car on the weekends, and Waldameer accomplished that in spades. Initially, the park's main attraction was its beach on the lake, a popular destination for people to go and escape the heat of summer, but over the years, Waldameer Park changed and grew significantly. In the early 20th century, rides like Dip the Dips, Ravine Flyer, and Mill Run grew to be the main attractions at the park. Over the past three decades, Waldameer Park has grown into a modern amusement park, while maintaining its beloved nostalgic atmosphere. Today, visitors cool off in the Water World water park and enjoy thrill rides like the Comet, Steel Dragon, X-

Scream, and Ravine Flyer II.

Holiday World & Splashin' Safari Jim Futrell, Ron Gustafson, Dave Hahner, Nell Hedge, Leah Koch, 2022-05-03
America's first theme park, Holiday World & Splashin' Safari, is one of the largest family-owned and -operated independent parks in the United States, and its success is no accident. From moving Interstate 64 closer to the small town to introducing free unlimited soft drinks, four generations of the Koch family have amplified the legacy of this iconic Indiana attraction. Holiday World & Splashin' Safari celebrates the history of the Koch family and Santa Jim Yellig; the origins of Santa Claus, Indiana; and the early years of Santa Claus Land. The story continues with the expansion from Santa Claus Land to Holiday World, the addition of the park's famous trio of top-ranked wooden roller coasters, and the development of Splashin' Safari Water Park, ranked one of the top water parks in the country. For three-quarters of a century, the Koch family has launched the park into worldwide renown and national recognition. Featuring over 100 color illustrations, Holiday World & Splashin' Safari relives this joyous past while looking forward to the thrills fans can expect in the next 75 years.

Theme Park Scott A. Lukas, 2008-12-01 Theme parks are a uniquely interactive and enduring form of entertainment that have influenced architecture, technology, and culture in surprising ways for more than a century, as Scott Lukas now reveals in his compelling historical chronicle. Theme Park takes the primitive amusements of pleasure gardens as its starting point and launches from there into a rich, in-depth investigation of the evolution of the theme park over the twentieth century. Lukas examines theme parks in countries around the world—including in the United States, Mexico, Europe, Japan, China, South Africa, and Australia—and how themed fairs and parks developed through diverse means and in a variety of settings. The book examines world-famous and lesser-known parks, including the early parks of Coney Island; Madrid's Movieworld; a series of World Fairs and

their luxurious exhibition halls; Six Flags parks and virtual theme parks today; and, of course, the unparalleled achievements of Disneyland and Disney World. Lukas analyzes the theme park as a living entity that unexpectedly shapes people, their relationships, and the world around them. Theme parks have now become complex representations of the human mind itself, he contends, through its interpretations of books, feature films, video games, and Web sites. Ultimately, Theme Park reveals, the wider influence of theme parks can be found in the shopping malls, branded stores, and casinos that employ the tricks and techniques of amusement parks to dominate our entertainment world today. Packed with captivating illustrations, Theme Park takes us on historical roller coaster ride that both reanimates the places that shaped our childhoods and anticipates the future of escapism and fantasy fun.

The Cheapskate's Guide to Theme Parks Steven J.

Urbanowicz, 2003-05 With hundreds of insider tips, this budget-minded guide explores America's top 25 theme parks, including Six Flags, Busch Gardens, Coney Island, and Cedar Point. Photos & maps.

Performance and the Disney Theme Park Experience Jennifer

A. Kokai, Tom Robson, 2019-11-27 This book addresses Disney parks using performance theory. Few to no scholars have done this to date—an enormous oversight given the Disney parks' similarities to immersive theatre, interpolation of guests, and dramaturgical construction of attractions. Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience. The vast body of research and journalism on the Disney "Imagineers"—the designers and storytellers who construct the park experience—leads to the misconception that these exceptional artists puppeteer every aspect of the guest's experience. Contrary to this assumption, Disney park guests find a range of possible reading strategies when they enter the space. Certainly Disney presents a primary reading, but generations of

critical theory have established the variety of reading strategies that interpreters can employ to read against the text. This volume of twelve essays re-centers the park experience around its protagonist: the tourist.

The Themed Space Scott A. Lukas, 2007-10-07 The Themed Space: Locating Culture, Nation, and Self is the first edited collection focused on the significance of the theme space. The first section of the text discusses the ways in which theming acts as a form of authenticity. Included are articles on the theme park Dollywood, the historic Coney Island, the uses of theming in Flagstaff, Arizona, and the Las Vegas Strip. Section two considers theming as a reflection of nation, and its authors focus on Chinese theme parks and shopping malls, the Lost City theme park in South Africa, and the Ain Diab resort district in Casablanca. The third section of the book illustrates how theming often targets the person—whether famous or everyday. The authors look at spaces ranging from the Liverpool John Lennon Airport, love hotels in Japan, and the Houston, Texas theme park AstroWorld. The final section emphasizes theming as a projection of the mind and psychology. The authors focus on behind-the-scenes tourism at Universal Studios and the Ford Rouge Factory Tour, the use of theming in unexpected spaces like Florida themed clinics, theming in virtual reality spaces of video games, and the social controversies related to theming in various parts of the world. The book includes a comprehensive bibliography on theming and a list of key terms. The Themed Space is of great interest to students of all levels and scholars of anthropology, urban studies and sociology.

Six Flags Great America Steven W. Wilson, 2017 Marriott's Great America first opened in Gurnee, Illinois, on May 29, 1976. Located midway between Chicago and Milwaukee, it was the second of two Marriott Corporation theme parks. Great America was created to be a place where families could have fun together while gaining an appreciation for United States history. The park's

five authentically themed areas based on America's past included the best in family and thrill rides, restaurants, specialty shops, artisans, and games. First-rate live entertainment included Broadway-style musicals, bands, parades, a circus, and the Warner Bros. characters featuring BUGS BUNNY. In 1984, the park became Six Flags Great America when it joined the Six Flags family of theme parks. Since then, the park has continued to innovate and expand. Today, including its 20-acre Hurricane Harbor water park, Six Flags Great America is one of the country's finest theme parks. Since 1976, the park has entertained more than 100 million guests.

Disney's Land Richard Snow, 2019-12-03 A propulsive and “entertaining” (The Wall Street Journal) history chronicling the conception and creation of the iconic Disneyland theme park, as told like never before by popular historian Richard Snow. One day in the early 1950s, Walt Disney stood looking over 240 acres of farmland in Anaheim, California, and imagined building a park where people “could live among Mickey Mouse and Snow White in a world still powered by steam and fire for a day or a week or (if the visitor is slightly mad) forever.” Despite his wealth and fame, exactly no one wanted Disney to build such a park. Not his brother Roy, who ran the company’s finances; not the bankers; and not his wife, Lillian. Amusement parks at that time, such as Coney Island, were a generally despised business, sagging and sordid remnants of bygone days. Disney was told that he would only be heading toward financial ruin. But Walt persevered, initially financing the park against his own life insurance policy and later with sponsorship from ABC and the sale of thousands and thousands of Davy Crockett coonskin caps. Disney assembled a talented team of engineers, architects, artists, animators, landscapers, and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park. The catch was that they had only a year and a day in which to build it. On July 17, 1955, Disneyland opened its gates...and the first day was a disaster. Disney was nearly suicidal

with grief that he had failed on a grand scale. But the curious masses kept coming, and the rest is entertainment history. Eight hundred million visitors have flocked to the park since then. In Disney's Land, "Snow brings a historian's eye and a child's delight, not to mention superb writing, to the telling of this fascinating narrative" (Ken Burns) that "will entertain Disneyphiles and readers of popular American history" (Publishers Weekly).

HowExpert Guide to Amusement Parks and Roller Coasters HowExpert, Noah Granger, If you want to learn about the best amusement parks, roller coasters, and theme parks around the world, then check out HowExpert Guide to Amusement Parks and Roller Coasters. From the classic wooden roller coaster at your local pier to the highly technical and intricate new ride that Disney is set to open this next year to the high-speed steel beast of a monster that sits a few hours away at the closest Six Flags, there is a multitude of attractions out there. Unfortunately, all that stands between you and said attraction is a two-hour-long car trip followed by a \$25 parking fee and then a three-hour line. Okay, so maybe that doesn't sound desirable. But what does sound desirable is the opportunity to experience a world-class thrill ride that you can brag to your friends in class or perhaps being immersed in a land that is themed to your favorite movie in which you forget you're still in the same world as before. Theme parks and amusement parks alike offer something unlike anything else, and each park offers something different and unique from the others. Here in this book, you'll learn all there is to know about both theme and amusement parks, the different types of rides, roller coasters, and much more. We'll also rank the best 101 amusement parks, some of which may only be a short trip away from you. The best part about this is not only will you be able to pull this guide up whenever you need it and be able to impress the coaster enthusiasts with your knowledge and understanding of the lingo, but you also won't have to wait in a three-hour line to crack this thing open. Here is your fast pass to all the park industry-

related knowledge you couldn't possibly imagine having before. Check out HowExpert Guide to Amusement Parks and Roller Coasters to learn about the best amusement parks, roller coasters, and theme parks around the world. About the Author Noah Granger, born and raised in Los Angeles, California, grew up surrounded by a plethora of amusement parks. From going to Disneyland on a weekly basis to conquering all the intimidating roller coasters of Six Flags Magic Mountain by the time he was a teenager, Noah developed a passion for this niche topic and an addiction to the adrenaline that he often got while riding Xcelerator at Knott's Berry Farm. Currently, a student at California State University Fullerton, Noah is continuously keeping up to date with all there is going on in the amusement and theme park industry. Over the years of learning more about this hobby, he has accumulated years and years' worth of knowledge surrounding all the different types of parks and thrill rides. What Noah cherishes most, though, are the friends and family that he gets to spend quality time with, standing in lines while at the parks. Luke 17:6 HowExpert publishes quick how to guides on all topics from A to Z by everyday experts.

Six Flags Great Adventure Harry Applegate, Thomas Benton, 2016-05-02 Six Flags Great Adventure has been the premier destination for family fun in the Northeast for over 40 years. Created by Hollywood scion Warner LeRoy, the park's mission from the very start was to be the biggest and best theme park with record-breaking thrills, spectacular shows, and unique experiences that could only be found at Great Adventure. As a part of the Six Flags family of theme parks, Great Adventure combines the world's largest safari park outside of Africa, a world-class theme park, and one of the biggest and best water parks in the United States to create an experience like no other.

Universal Orlando Kelly Monaghan, 2006 The hippest guide to the world's hippest theme park complex details all the latest on Universal Orlando's attractions, resorts, dining, and shopping.

Author Monaghan combines in-depth, first-hand reviews with his signature wit to give readers the specifics they need to plan their visit, make the most of their time, and get the most for their money.

Universal versus Disney: The Unofficial Guide to American Theme Parks' Greatest Rivalry Sam Gennawey, 2014-10-20

Universal Studios never really wanted to get into the theme park business. They wanted to be the anti-Disney. But when forced to do so, they did it in a big way. Despite the fits and starts of multiple owners, the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company. How did this happen? Who made it happen? What does this mean for the theme park industry? In *Universal Versus Disney*, his newest work to investigate the histories of America's favorite theme parks, seasoned Disney-author Sam Gennawey has thoroughly researched how Universal Studios shook up the multi-billion dollar theme park industry, one so long dominated by Walt Disney and his legacy.

Theme Park: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. **The Must-Read :** Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. **Uncover the Best :** Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling

characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Theme Park Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this

treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Theme Park PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly

navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users

can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Theme Park PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within

legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Theme Park free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Theme Park Books

What is a Theme Park PDF?

A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Theme Park PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Theme Park PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also

offer basic editing capabilities.

How do I convert a Theme Park PDF to another file format?

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Theme Park PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing

capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
