Thirty Years a Slave Louis Hughes, 1896 Louis Hughes was born in Virginia (1832), but was sold (1844) in the Richmond slave market to a cotton planter and his wife who lived on the Mississippi River. Later, he traveled with them to their new home in Memphis, Tennessee, and spent time during the Civil War in Alabama. Hughes made five attempts to escape, alone and with his wife and friends, but he and his wife succeeded in finding freedom only after Emancipation. Eventually, after reuniting with several members of their family and seeking a livelihood in various Southern, Midwestern and Canadian cities (Memphis, Cincinnati, Hamilton, Windsor, Detroit, Chicago, and Cleveland), they settled in Milwaukee, where Hughes became a nurse, drawing on skills he had developed while treating the illnesses of his fellow slaves. *Thirty Years a Slave* provides a great deal of information about the complex relationships between slaves and masters, along with graphic accounts of the physical abuse slaves endured, and details about slave markets, slave religion, and the organization of plantation work. Hughes also remembers the desire for learning he felt when he was a slave and recalls the varied tasks he performed in his masters' households.

Thirty Years a Slave Louis Hughes, 2015-03-27 Louis Hughes was born in 1832 to a white plantation owner and black slave in Charlottesville, Virginia. His autobiography entitled *Thirty Years a Slave: From Bondage to Freedom*, published in 1897, documents the daily lives of southern slaves. Jack McGee (or McGehee), a cotton plantation owner in Pontotoc, Mississippi, purchased Hughes at a young age. As a young adult, Hughes later traveled to Memphis, Tennessee, to work on the construction of McGee's second home. He tried multiple times to run away but failed. Late in the Civil War, Hughes and other McGee slaves were sent to labor at a salt works in Tombigbee, Alabama before they were sent back home near the end of the war as the Confederacy began to crumble. Hughes finally received liberation from slavery late in 1865, after the war had already finished, when the Union occupation forces finally began to secure northern Panola County, Mississippi. At first, Hughes was compelled to flee himself to Memphis before returning to Mississippi in a dramatic confrontation with his former masters. The institution of human slavery, as it existed in this country, has long been dead; and, happily for all the sacred interests which it assailed, there is for it no resurrection. It may, therefore, be asked to what purpose is the story which follows, of the experiences of one person under that dead and accursed institution? To such question, if it be asked, it may be answered that the narrator presents his story in compliance with the suggestion of friends, and in the hope that it may add something of accurate information regarding the character and influence of an institution which for two hundred years dominated the country—exercising a potent but baneful influence in the formation of its social,

civil and industrial structures, and which finally plunged it into the most stupendous civil war which the world has ever known. Though Hughes discussed at length the mundane lives of slaves, he shed even more light on slave families and the challenge of reuniting with loved ones after emancipation. As was common among slaves, Hughes never found his mother again. But in June 1865 Hughes was determined not to leave his wife and children behind. In the company of another newly freed slave and with the help of two Union soldiers, Hughes returned to Panola to bring his family to safety. Hughes recalled how the Union soldiers berated the southern whites who were trying to keep his family enslaved.

Thirty Years a Slave Louis Hughes, 2014-06-24 Sold away from his family in his youth, Louis Hughes will never see his mother again. From his Virginia birth in 1832 until his escape during the final days of the Civil War, he survives the horrors, the pain, and the degradation of slavery in the American south. Repeatedly, he attempts escape, only to suffer the punitive lashes of his “master's” whip. No matter the risks, he only awaits the next opportunity to run to freedom. Behind the Scenes Elizabeth Keckley,2015-12-22 The revealing memoir of a woman who bought her freedom from slavery and became a White House dressmaker and confidant to Mary Todd Lincoln. Born into slavery in Virginia, Elizabeth Keckley was whipped, sexually abused, and separated from her mother for long stretches of time. When her master eventually settled in St. Louis, Missouri, Keckley resolved to buy her freedom. She put to use her talents as a seamstress and found patrons among the wives of the city's elite, eventually earning enough money to move with her young son to Washington, DC. In the nation's capital, Keckley started her own business and soon had commissions from the wives of Robert E. Lee, Jefferson Davis, Stephen A. Douglas, and Edwin Stanton. Hired by Mary Todd Lincoln to be her personal modiste, Keckley formed a close friendship with the first lady, a relationship strengthened by the tragedies they endured together, including the deaths of their sons and the assassination of President Abraham Lincoln. Published to great controversy in 1868, *Behind the Scenes* offers an intimate and revealing portrait of life inside the White House as well as the stirring story of one woman's fight to rise above the horrors of slavery. Frequently cited in studies of the Civil War and biographies of the Lincolns, it is a must read for students of American history. Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

30 Years a Watchtower Slave William J. Schnell, 2002-01-01 At first, the Watchtower Society seemed harmless to William J. Schnell, even valuable as a way to develop his faith in God and pass it on to others. This book is Schnell's fascinating account of his involvement with the cult, which effectively enticed him in the 1920s and continues to lure countless individuals today. Readers will learn, as Schnell did, that the Jehovah's Witness religion he had joined was anything but innocent. For thirty years he was enslaved by one of the most totalitarian religions of our day, and his story of finally becoming free is riveting. Readers will be alerted to the inner machinations, methods, and doctrines of the Watchtower Society, arming them to

forewarn others and witness to their Jehovah's Witness friends, relatives, neighbors, and the stranger at the door. With more than 300,000 copies sold, *30 Years a Watchtower Slave* is truly one of the classic testimonies of freedom from a powerful cult.

Twelve Years a Slave by Solomon Northup and Thirty Years a Slave by Louis Hughes with Illustrations by Nicholas Tamblyn and Katherine Eglund (Illustrated) Louis Hughes, Solomon

Northup, 2018-03-20 Presenting *Twelve Years a Slave* by Solomon Northup and *Thirty Years a Slave* by Louis Hughes with illustrations by Nicholas Tamblyn and Katherine Eglund. These classics are part of The Great Books Series by Golding Books. African American literature is rich with novels and works of nonfiction, but necessarily this literature in the 19th Century is often sadly defined by or confined to slave narratives and slave memoirs, and the beauty and inspiring truths of these narratives show just what was lost by the oppression and injustices forced on those kept in chains and made to undertake harsh labor. Black history was often recorded by those unfairly prejudiced against people of color (and other groups), and yet excellent works emerged that endure to this day as singular examples not only of early American memoirs, slave autobiographies, and works about slavery in America but books of quality writing and compelling ideas that speak to people in all times and places around the world. Solomon Northup was born in Minerva, New York, in 1807 or 1808. His father Mintus was a freedman who had been a slave earlier in life in service to the Northup family. As their mother was a free woman (described as three-quarters European and one-quarter African American), Solomon and his brother Joseph were born free and received a high level of education. In his early twenties, Northup married Anne Hampton (she was of African, European, and Native

American descent); they owned a farm in Hebron and had three children. Northup worked in various jobs, including as a raftsmen and playing the fiddle. At age 32, while traveling for prospective jobs in New York City, Northup was abducted and sold into slavery. After regaining his freedom, he became active in the abolitionist movement and lectured on slavery numerous times in the years before the Civil War. The details of his death are not certain, but it is postulated that Northup died in 1863. Louis Hughes was born to a white plantation owner and black slave in Charlottesville, Virginia, in 1832. Jack McGee (or McGehee), a cotton plantation owner in Pontotoc, Mississippi, purchased Hughes as a child; Hughes later went to Memphis, Tennessee, to work on the construction of McGee's second home. He tried a number of times to run away but failed, and in 1858 he married Matilda Morgan and they had children soon after. During the Civil War, Hughes was sent to labor at a salt works in Tombigbee, Alabama; he was then finally liberated from slavery in late 1865 after the conclusion of the war. He never found his mother again, but he was able to bring his family to safety with the help of two Union soldiers. After traveling north searching for loved ones, they finally settled in Milwaukee, Wisconsin, where Hughes worked as a professional nurse. His autobiography, *Thirty Years a Slave: From Bondage to Freedom*, was published in 1897. Hughes died in 1913.
