Andy Warhol Galison, 2013 If one Andy Warhol Mini Journal is portable pop fun, a set of three is even better! Galison's Andy Warhol Mini Journal Set holds three different mini journals, each with a photo of a sunglasses-wearing Warhol and one of his quotations: Everybody should like everybody, The idea of waiting for something makes it more exciting, and Art is what you can get away with. In the Congo Urs Widmer, 2015 Kuno, a male nurse in an old people's home in Switzerland, has a new inmate: his father. In the isolation of the home, they finally start talking. Kuno had always regarded his father as boring, a man without a history and without a destiny until one day he realizes that he had once risked his life in the war. His ageing father had a destiny, and what a destiny it was! This realization changes Kuno's life, and he embarks on a journey into his own psyche which takes him to the depths of the Congo. Longings awaken and dreams come true rays of light in the darkness, meetings with kings, seductive women and the songs of the jungle: the alluring far-away places which he once regarded as the heart of darkness become an adventurous, exciting scene of lunacy, wildness and a test of his own inner strength. In his characteristic manner, Urs Widmer spins yet another riveting yarn, but this time he threads through the many aspects of the relationship between Europe and Africa an always timely tale.

Unformed Landscape Peter Stamm, 2010-02-23 Unformed Landscape begins in a small village on a fjord in the Finnmark, on the northeastern coast of Norway, where the borders between Norway, Sweden, Finland, and Russia lie covered in snow and darkness, where the real borders are between day and night, summer and winter, and between people. Here, a sensitive young woman like Kathrine finds few outlets for her desires. Half Norwegian, half Sami (an indigenous people), Kathrine works for the customs office inspecting the fishing boats arriving regularly in the harbor. She is in her late 20s, has a son from an early marriage, and has drifted into a second loveless marriage to a man whose cold and dominating conventionality forms a bold stroke through the unformed landscape of her life. After she makes a discovery about her husband that deeply wounds her, Kathrine cuts loose from her moorings and her confusion and sets off in search of herself. Her journey begins aboard a ship headed south, taking her below the Arctic Circle for the first time in her life. Kathrine makes her way to France and has the bittersweet experience of a love affair that flares and dies quickly, her starved senses rewarded by the shimmering beauty of Paris. Through a series of poignant encounters, Kathrine is led to the richer life she was meant to have and is brave enough to claim. Using simple words strung together in a melodic alphabet, Peter Stamm introduces us, through a series of intimate sketches, to the heart of an unforgettable woman. Her story speaks eloquently about solitude, the fragility of love, lost illusions, and self-discovery. From the Trade Paperback edition.

The Hour Between Dog and Wolf Silke Scheuermann,2022-03-22 Now in paperback, Silke Scheuermann's portrayal of intimacy and estrangement between sisters as they navigate rivalries, addiction, and shared love interests. A young woman who has been living abroad returns to her hometown of Frankfurt am Main in Germany. Her sister Ines--a beautiful, impetuous painter--who still lives there, soon appears and promptly asks for financial help. But the returning sister knew this was coming--it is how their relationship has always worked. And this time, she's determined that that will change. But our plans don't always hold up to the surprises presented by life--and when the sister finds herself about to drift into an affair with Ines's lover, the two women grow unexpectedly closer. *The Hour Between Dog and Wolf* is a tale of disorientation in a modern, fundamentally rootless society that has become increasingly erratic and self-absorbed--it is a powerful exploration of the difficulties of intimacy and addiction.

The Holocaust and Catholic Conscience Suzanne Brown-Fleming,1994-02-16 American-born Cardinal Aloisius Muench (1889-1962) was a key figure in German and German-American Catholic responses to the Holocaust, Jews, and Judaism between 1946 and 1959. He was arguably the most powerful American Catholic figure and an influential Vatican representative in occupied Germany and in West Germany after the war. In this carefully researched book, which draws on Muench's collected papers, Suzanne Brown-Fleming offers the first assessment of Muench's legacy and provides a rare glimpse into his commentary on Nazism, the Holocaust, and surviving Jews. She argues that Muench legitimized the Catholic Church's failure during this period to confront the nature of its own complicity in Nazism's anti-Jewish ideology. The archival evidence demonstrates that Muench viewed Jews as harmful in a number of very specific ways. He regarded German Jews who had immigrated to the United States as aliens, he believed Jews to be in control of American policy-making in Germany, he feared Jews as avengers who wished to harm victimized Germans, and he believed Jews to be

excessively involved in leftist activities. Muench's standing and influence in the United States, Germany, and the Vatican hierarchies gave sanction to the idea that German Catholics needed no examination of conscience in regard to the Church's actions (or inactions) during the 1940s and 1950s. This fascinating story of Muench's role in German Catholic consideration—and ultimate rejection—of guilt and responsibility for Nazism in general and the persecution of European Jews in particular will be an important addition to scholarship on the Holocaust and to church history.
