Times Two Kristen Henderson, Sarah Ellis, 2011-04-05 TO EVERY GOOD LOVE STORY, THERE IS A TWIST. Times Two is about two women meeting, falling madly in love, and realizing that they are so crazy about each other that they want to have a family together. The fact that they both get pregnant at the exact same time is where things start to get interesting. Sarah Kate Ellis, a high-powered magazine executive, and Kristen Henderson, a laid-back rock star, decide it's time to start their family. After determining that Sarah should get pregnant first while Kristen works on her band's new CD, they head to a fertility doctor to start the process. But after months of drug treatments, miscarriages, and heartbreak, Kristen decides to start trying, too. That's when the utterly improbable happens: Sarah and Kristen find out that they are both pregnant—and are due three days apart. Overjoyed by the news that they are both expecting, Sarah and Kristen are also overwhelmed by all that lies ahead. Both have successful, demanding careers. Both have large, close-knit families nearby, including two strongly opinionated mothers who immediately want to be involved with everything. And both are completely clueless about the challenges they're about to face. They soon realize that none of their previous accomplishments has prepared them for the highs and lows of impending motherhood: not Kristen's stint touring with The Rolling Stones, nor Sarah's march up the corporate ladder in the world of women's magazines. They go through everything first-time parents-to-be experience—but twice over. They're producing double the hormones, double the morning sickness, double the cravings, and have double the ups and downs. From the start, Sarah and Kristen think of their babies as twins, each woman carrying half of a set. But for two women who've always finished each other's sentences, they suddenly find themselves on opposite ends of the mothers-to-be spectrum, with different opinions on almost everything. One wants a drug-free birth, while the other wants an epidural at the first sign of a contraction. One is dying to know the baby's gender, but the other refuses to find out until she hears the baby's first cry in the delivery room. The difficulties of having two pregnant women under the same roof are multiplied by the legal and social obstacles of being a gay couple. Told from Kristen and Sarah's insightful and hilarious she said/she said perspective, this touching, modern family adventure will entertain, enlighten, and resonate with readers of all stripes.

Retribution Times Two Paul Mark Tag, 2021-06-15 Raymond Charles Brickman III and Kathy Ann Erickson--two individuals who will never meet in space--by chance collide in time. Both think they've been wronged and plan retribution. To avenge long-held grievances originating from America's Civil War, Brickman intends to extract concessions by threatening to destroy critical American satellites. Erickson seeks no such concession. Her family killed during the Soviet war with Afghanistan, her objective is the total annihilation of her homeland, the Russian Federation. Into this brew of hatred and vengeance drop Drs. Victor Mark Silverstein and Linda Ann Kipling, scientists at the Naval Research Laboratory in Monterey, California--and part-time CIA operatives. No strangers to international intrigue, this time they gain a partner, Russian spy Dmitri Smirnov. Battling clever adversaries, near-death experiences, and a ticking clock, over a grueling three-day period the threesome fight not only to save the satellites but to prevent nuclear Armageddon.

Two Times a Traitor Karen Bass, 2017-05-15 Angry over his family's recent move and current enforced holiday in Halifax, twelve-year-old Laz Berenger rebels against a guided tour of the Citadel and sets out to explore on his own. In one dark tunnel, his St. Christopher medal burns suddenly hot. There's a strange smell, and Laz blacks out. When he wakes up, everything happens at once. A sword is put to his throat. Men who look like extras from Pirates of the Caribbean hand him over to a ship's captain who strips him and takes his medal. He is declared a French spy. Laz realizes, to his horror, that it is 1745 and he is trapped in time. These English colonists, still loyal to King George, are at war with the French. To earn his freedom, Laz must promise to spy on the French at the fortification of Louisbourg. But once in Louisbourg, Laz earns a job as runner to the kind Commander Morpain and learns to love both the man and the town. How will Laz find a way to betray the inhabitants of Louisbourg? How else can he hope to earn back his St. Christopher medal, which is surely his key to returning to his own time? The award-winning author of The Hill and Graffiti Knight has written an enthralling, swash-buckling time-slip adventure for middle-grade readers centered on a fascinating period in North American history.

Two Times the Fun Beverly Cleary, 2009-10-13 For the first time in a chapter-book format, Newbery Medal winner Beverly Cleary's twin characters, Jimmy and Janet, will charm young children with their humorous adventures. Jimmy and Janet are twins, but that doesn't mean they are just alike. When we first meet Jimmy, he wants to dig a real hole. He likes to use a real, grown-up shovel. While he's working, his sister, Janet, pretends to be a bird! She likes to use her imagination. But the twins both like silly jokes, new boots, and talking to Mr. Lemon, the mailman. As Beverly Cleary writes about Jimmy and Janet's doings, the unique understanding of children that she brings to all of her beloved books is coupled with a keen awareness of duo dynamics that comes from raising twins herself. Originally published as four separate picture books (The Real Hole, Two Dog Biscuits, The Growing-Up Feet, and Janet's Thingamajigs), these are stories that a Jimmy would like because they are so true-to-life, and that a Janet would love because they are so believable.

Two Times Intro Michael Stipe, 2011-08-30 "Michael Stipe's photo-journal of Patti Smith's celebrated return to touring . . . Patti's image burns into pictures with weird radioactive mystery." —Spin This book comprises Michael Stipe's intimate and evocative photos of Patti Smith on tour in 1995, along with other cultural celebrities who appeared with her, such as Allen Ginsberg. In addition to text by Stipe, William S. Burroughs, and Patti Smith, there is also commentary from Thurston Moore, Kim Gordon, Lenny Kaye, Tom Verlaine, and more. "This isn't a traditional book of portraits . . . The overwhelming mood is one of disjunction, claustrophobia, exhaustion, temporariness—and the effect is raw and intimate." —Publishers Weekly "An energetic and gracious tribute to not only a great artist, but also to a powerful moment in her oeuvre—and to those who contributed to it and shared in it." —New York Journal of Books "Stipe's personal friendship lends something greater to the overall vision of this book. It isn't simply a set of snapshots of performances, but rather a collection of rare moments. The personal nature of the anthology makes it all the more enticing and enjoyable. Smith, in all her glory and awe-inspiring talent, is portrayed in the truest light." —Verbicide Magazine "A fascinating book . . . including appearances by Allen Ginsberg, Gregory Corso, Tom Verlaine, the members of Sonic Youth and more . . . and the short text tributes to Smith by these people, scattered throughout the manuscript, are well worth your time." —Chicago Center for Literature and Photography

History of the West with Jemmy Fletcher Cody Assmann, 2020-02-12 This is a book of historical fiction continuing the story of a young man who went to rendezvous in 1837. In *Shinin' Times*, Jemmy spends a year in the wilderness with his partner.

A Tale of Two Times John Vocale, 2017-07 According to the front-page photo in the (New York) Daily News, my father was Murdered Gangland Style. I was three years old. The assassination was most likely ordered by a mob insurance broker in order to collect on a large life insurance policy that my father provided as collateral for a business loan. After my father's death, my distraught mother began a downward spiral into substance abuse from which she never recovered. The insurance broker, later convicted of another killing while under witness protection, was never charged with my father's murder. Based on those events, I've written a time-travel novel, *A Tale of Two Times*, about how a middle-aged son battles to save his younger parents' previously doomed lives. In present-day Florida, Billy Volante leans against a large oak tree in his backyard, only to keep falling--through the tree -- into 1961, exactly fifty-six years into the past, into the same Gulf Coast resort town where he now resides and where his parents took winter vacations. Billy and his free-spirited girlfriend, Carrie Anne, decide to pose as a married couple to warn his young father, Johnny Volante, of the looming 1964 murder. Seeking to build a friendship before revealing his identity, the older Billy takes his father on a fishing trip, only to stumble upon a vacationing mob attorney, Herman Goldman, who will order the future murder. When Goldman meets Billy, things change. Will Johnny Volante believe Billy, a man more than twice his age, is his son? If Billy saves his father's life, what becomes of his future and the future of the girl he loves? Will Goldman complicate things, even more, by adding another target to Billy's lifesaving mission? Obviously, there's only one way to find out!

Times Two Bill Bailey, 2004-01-01 This is a dramatic and chilling tale told in the time zones of the present and future. The almost animate physical structure of the State is revealed as it disintegrates around the lives of characters including a television evangelist looking for money and finding redemption, despite the stench of his own corruption. A crazed media baron is embedded in his castle in the Channel Islands, at last realising his sexual and financial fantasies. An American ex-private detective helps lead a hopeless band of scattered comrades in a modern and most definitely post-modern Britain. The leader of the Labour Party resigns on the eve of her election in what seems to be an act of idiotic self-destruction. The action swirls into the funnel of a whirlpool as an unimaginable catastrophe threatens the existence of humanity. The survivors fight desperately to re-weave the social fabric, opposed by forces who struggle to restore the values of the thief and thug. Fast-moving. Emotionally powerful.

Two Lives in Uncertain Times Wilma Iggers, Georg Iggers, 2006-10-30 Published in Association with the German Historical Institute, Washington, D.C. Wilma and Georg Iggers came from different backgrounds, Wilma from a Jewish farming family from the German-speaking border area of Czechoslovakia, Georg from a Jewish business family from Hamburg. They both escaped with their parents from Nazi persecution to North America where they met as students. As a newly married couple they went to the American South where they taught in two historic Black colleges and were involved in the civil rights movement. In 1961 they began going to West Germany regularly not only to do research but also to further reconciliation between Jews and Germans, while at the same time in their scholarly work contributing to a critical confrontation with the German past. After overcoming first apprehensions, they soon felt Göttingen to be their second home, while maintaining their close involvements in America. After 1966 they frequently visited East Germany and Czechoslovakia in an attempt to build bridges in the midst of the Cold War. The book relates their very different experiences of childhood and adolescence and then their lives together over almost six decades during which they endeavored to

combine their roles as parents and scholars with their social and political engagements. In many ways this is not merely a dual biography but a history of changing conditions in America and Central Europe during turbulent times.
