Tinder Nightmares Unspirational, 2017-01-21 "Will have you in hysterics over truly epic Tinder fails . . . it captures real life conversations potential couples have exchanged over the app." -Spy Tinder Nightmares is a hilarious look at some of the most epic fails of the often racy, always ridiculous, "romantic" exchanges on Tinder. The Instagram account of the same name has skyrocketed to popularity for its captivating-and sometimes titillating-ability to capture the real-life conversations between people who are looking to connect with that special someone. Tinder Nightmares is organized by theme, with chapters such as Bad English, Broetry, Strange Requests, Sneak Attacks, and more. This book explores everything from pickup lines to breakups, and all the moments that come in between. It's the perfect gift for anyone who has ever suffered through online dating. Praise for the Tinder Nightmares Instagram account "Taking submissions from womankind worldwide, the account posts the funniest and most tragic lines, which serve to make us simultaneously jubilant with comfort that others out there are enduring the same terror, and weepy at our complete loss of faith in

humanity.” –Cosmopolitan “So, for anyone who has ever had a nightmarish experience on Tinder, Tinder Nightmares is here to remind you that you’re not alone. Because when life gives you innocuously bizarre Tinder messages, make jokes.” –HuffPost

Tinder Translator Aileen Barratt, 2022-10-05 *Tinder Translator* is your hilarious and empowering feminist companion to the world of online dating apps, the patriarchy and self-love from Aileen Barratt of @TinderTranslators. Ten years after the introduction of Tinder, dating apps have changed the terrain of human interaction and healthy relationships, but many feel like they've been sent into the wilderness without a guide. For those dating cis-het men especially, the blatant misogyny encountered during every swipe session is depressing and enraging in equal measure. And then there is the not-so-blatant stuff. Scrolling through profile after profile, you'll see the same stock phrases: Good vibes only. Must have banter. Just ask. But what do they actually mean? Through her Instagram account, Aileen has heard from thousands of people on their dating experiences, in addition to her own years spent on dating apps. This dictionary of douchebagery is part reference,

part rant and part rallying cry for anyone navigating the sometimes gross and exhausting experience of dating, but also just for everyone who is sick of the patriarchy, whatever their relationship status. A fun small hardback, Tinder Translator is the perfect gift for friends (or for yourself) - whether they're dating or not. It will make you laugh, sigh, think, and leave you feeling empowered and resilient.
