I Didn't Do the Thing Today Madeleine Dore,2022-01-11

How to release productivity guilt and embrace the hidden values in our daily lives. Any given day brings a never-ending list of things to do. There's the work thing, the catch-up thing, the laundry thing, the creative thing, the

exercise thing, the family thing, the thing we don't want to do, and the thing we've been putting off, despite it being the most important thing. Even on days when we get a lot done, the thing left undone can leave us feeling guilty, anxious, or disappointed. After five years of searching for the secret to productivity, Madeleine Dore discovered there isn't one. Instead, we're being set up to fail. *I Didn't Do the Thing Today* is the inspiring call to take productivity off its pedestal—by dismantling our comparison to others, aspirational routines, and the unrealistic notions of what can be done in a day, we can finally embrace the joyful messiness and unpredictability of life. For anyone who has ever felt the pressure to do more, be more, achieve more, this antidote to our doing-obsession is the permission slip we all need to find our own way.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled *The Last Lecture*. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—*Really Achieving Your Childhood Dreams*—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others,

of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

This read-aloud picture book is perfect for kids ages 4 to 8, tells a meaningful story alongside playful illustrations from Maine Diaz, is a great gift for baby showers, adoption parties, soon-to-be older siblings, and dog-loving kids, is a meaningful way to celebrate Random Acts of Kindness Day, National Dog Day, and National Adopt a Shelter Pet Day, and is a fun gift for fans of Kristin Chenoweth. What Did You Do Today? Anthony Varallo,2023-12-13 The stories in *What Did You Do Today?* explore the ordinary and the offbeat as if they were one and the same, asking what it's like to be alive and what makes us human. With warmth, humor, and wonder, these stories suggest that the past is always alive in the present and that even the most fleeting relationships have the power to change us forever. In these short narratives, nothing is negligible, and all experience is transformative. "The stories in this book are like hard little perfect gems. Except when there're like nice firm chewy gummy candies with something extra inside. Or

maybe like zingy spritzery shots of something to drink. Or brain zaps. Or like when your doctor taps your knee just right and you don't know how they did it. Which I guess means just that this excitingly original work rewards a reader intellectually and emotionally and stylistically, and with humor and pity and sadness all at once. It's a book I will recommend to my smart reader friends."—Rebecca Brown, judge and author of *The Gifts of the Body and You Tell the Stories You Need to Believe*
