Today Is Monday board book Eric Carle,2001-04-23 String beans, spaghetti, ZOOOOP, roast beef, fresh fish, chicken and ice cream are the delicious fare during the week in this popular children's song. Until Sunday. Then, all the world's children are invited to come together and share in the meal. Celebrated artist Eric Carle brings new energy to these much-loved verses as lively animals parade across the page, munching on favorite dishes, and introducing young readers to the names of the days of the week. Today Is the Day Eric Walters,2015-10-13 Mutanu is excited. As she goes about her chores, she thinks about the day to come and what surprises it might bring. For today is no ordinary day at the orphanage she lives in. Every year, the orphanage honors its newest arrivals by creating a birthday day especially for them.

From that moment forward, the orphans have a day that they know is theirs--a day to celebrate, a day to enjoy, a day to remember. And today is the day! Based on real children in an orphanage in Kenya, this lovely story shows how something as simple as a birthday, something most of us take for granted, can mean so much in another part of the world.

Today Is Yours Pat Williams, Jim Denney, 2014-09-09 Every one of us has influence, whether we realize it or not. In everything we say and do, we are influencing those around us. What if we became more aware, more intentional, and more strategic about our own influence? Well, we might just change the world. True influence, says Pat Williams, isn't about getting what you want--it's about serving others. Using personal stories from his own life and the lives of others, Williams shows readers the difference between influence and manipulation, how to influence others through both words and deeds, and ultimately how to change the world for the better, one relationship at a time. This book will inspire readers to build a positive legacy in the lives of others and take the role of influencer to heart. Each chapter includes questions and ideas for personal reflection and practical application, and can be used to guide group discussions as well. Includes a foreword by Joe

Girardi, manager of the New York Yankees.

Today is the Birthday of the World Linda Heller,2009-04-16

Today is a special day: the birthday of the world, when God and all God's creatures celebrate the beauty of life. As God asks each dear creature in turn whether it has been the best that it can be, this simple affirmation of life and goodness applauds the contribution that each and every one of us— from the mightiest elephant to the smallest child— can make. The whimsical animals in Alison Jay's perfectly composed crackled paintings will make this a favorite book on the family shelf.

Today Is a Baptism Day Anna V. Ostenso Moore,2018-09-17

An ideal book to read with children to wonder and learn about baptism, with illustrations that reflect the diversity of God's people. Grounded in the Episcopal liturgical tradition, it is an accessible and inviting introduction to baptism for children and families of many Christian traditions. While learning what occurs during a baptism service, the reader (both child and parent) will be guided through the sacramental and communal aspects of the celebration. Beautifully illustrated in full color, a dedication page encourages personalization of the book, making it a perfect baptism gift. A family section offers questions and suggests ways to go deeper in

conversation about baptism, making it a resource that families will use again and again with their children.

Waiting for Today Steven Craig, 2013-07-12 *Waiting for Today* is a life-affirming novel about human suffering that inspires hope about what it means to be human. *Waiting for Today* charts the life of Jacob, a young man who loses what he loves most. Plunged into the depths of suffering, Jacob must come to terms with his faith, or lack thereof, and the nature of the human condition. Jacob is already a wounded man when he meets Faith. Wary of the terms of life's happiness, he relents to the soaring spirit that she brings to him and allows himself to finally accept the wonder and joy life has to offer. But when his dreams of bliss are shattered, Jacob must somehow find the courage to live and love again despite the inherent disillusionment of an impermanent world. *Waiting for Today* evokes universal questions about mankind's existence and offers inspiration about the beauty of each soul's journey. Set largely in modern-day Washington, D.C., it is a tale of faith and promise that reveals insight into the meaning behind human
