About The Author Growing up I was the best among my friends in video games, Mario Kart, Mortal Kombat, Street Fighter, FIFA, you name it and I dominated my friends. Fast forward many years to where I signed up to play a game in a tournament. These guys won't know what hit them as I rubbed my hands together flirting with the idea of winning my first tournament and start a dominance here. As the day ended let's just say the only thing leaving the venue intact was love for video games, my ego on the other hand was shattered. What do these people do differently that I don't do? I asked myself. I put in many moons trying to piece together what it meant to be successful in smash brother tournaments. Let me help you at least get started so you don't go in thinking you're the next Mango, Zero, or Mew2King. They all had their starts so let's get started on yours...Start your journey to develop yourself in the tournament player you're meant to be. Scroll up and hit the buy button now.
