The Torchlight List Jim Flynn,2013-11-01 In today's world it seems that everywhere we turn we are saturated with book recommendations from talk shows, magazines, radio shows, friends, and top ten lists. But which books are really the best, and what effects do the books we read have on our intelligence? The Torchlight List has the answers. A professor for over forty years, Jim Flynn was concerned when he saw that his students were reading less and less. He decided to compile a list of recommendations for them, which expanded to include two hundred titles that transport the reader into a magic realm of knowledge and imagination. The books must also shed light on human psychology, history, science, or philosophy: the concepts needed to comprehend the complexities of the modern world. The list, named in honor of Flynn's uncle who read by torchlight onboard a ship during WWI, is divided by geographical area. Flynn offers a brief explanation on the history each book deals with and comments on the plots with humor and wit. He bets each reader that at least one of the five first titles will change his or her life. This is a book that will inspire you to reread books you love, and to discover and relish many new ones.

Goodnight Lion Joshua George,Imagine That,2018-09 A magical bedtime story book for children. Lion is ready for bed, but first he wants to say good night to all his animal friends. Insert the magic flashlight between the pages to find Lion's friends in each night-time scene and watch children glow with delight! Repetitive, rhyming text to help young children learn rhythm and tone. Clever windows throughout reveal hidden animals when the flashlight is inserted. Includes a handy ribbon to keep the magic flashlight attached to the book. This is a lovely read. As well as the cheery illustrations by Zhanna Ovocheva and the interactive element, the rhythmic text makes for a fun read aloud. It highlights how different the sky and surroundings are when it is night time. - Mamma Filz (Book blogger) If you are after bedtime stories with the 'WOW factor' these are for you. Inside the books are cardboard 'torches' that help your child see extra things in the pictures. So clever and so exciting. - The SEN Resources Blog

Twisted Tales from the Torchlight Inn Ty Schwamberger,Thom Erb,Dean Harrison,2021-10-22 "A group of friends walk into a bar..." LAST NIGHT OUT by Ty Schwamberger: Gabe, Alan, and Erin thought one last night out on the town before their junior year of college came to an end would be fitting. They were the best of friends, and not seeing

each other for an entire summer vacation wasn't something they were looking forward to. So they did what they always did on a Friday night—they went to a bar. Only this time they decided to try someplace new—the Torchlight Inn... **TONES OF HOME** by Thomas A. Erb: Ashley and Maurice are in love. The two of them are headed to her hometown for the holidays to share the good news with her family. Those two things would drive any young man to drink, but add the fact that he's from the South and an African-American, and they're headed to the rural upstate town of Arcadia Falls, NY, where the reputation of toothless and inbred rednecks even scares the streetwise kid from North Carolina. Nevertheless, they're truly in love, and Maurice is sure he's encountered more dangerous things on the gang-filled streets of Durham... **OFF LIMITS** by Dean Harrison: For spring break, Ellen Campbell isn't going to party at the beach—she's taking her new boyfriend, Shawn Farris, home to Miller Falls to meet her parents for the first time. She's very excited about it, but also nervous as to how her father, a famous crime writer, will take to Shawn, her very first boyfriend... Plus three extra shots of twisted horror for your drinking and reading pleasure!
