

# Toronto Sun

Mike Filey

**The Little Paper that Grew** Jean Sonmor, Toronto Sun Publishing Corporation, 1993-01-01

**Toronto Sketches 5** Mike Filey, 1997-10-01 Mike Filey's The Way We Were column in the Toronto Sun continues to be one of the paper's most popular features. In Toronto Sketches 5, the fifth volume in Dundurn Press's Toronto Sketches series, Filey brings together some of the best of his columns from 1996 and 1997. Each column looks at Toronto as it was, and contributes to our understanding of how Toronto became what it is. Illustrated with photographs of the city's people and places of the past, Toronto Sketches 5 is a nostalgic journey for the long-time Torontonians, and a voyage of discovery for the newcomer.

More Toronto Sketches Mike Filey, 1993-09 These are collections of Mike Filey's best work from his popular and long-running Toronto Sun column, The Way We Were.

**Underdog** Sue-Ann Levy, 2016-08-23 Hold onto your hats: popular and controversial Toronto city journalist Sue-Ann Levy -- a self-described nice, chubby, Jewish, gay, conservative girl -- takes on the establishment and establishment thinking in this provocative, honest, and insightful memoir that will surprise her fans and foes alike. Sue-Ann Levy was born to a traditional patriarchal Jewish family in which the son was considered accomplished simply for being born, and she realized from an early age that

she would not fit into the mold designated for her. An outspoken, right-wing lipstick lesbian, Levy has spent her life challenging the status quo -- from championing the underdog, to taking on the Liberal left, to running as the first openly gay candidate for the Ontario Progressive Conservative party in 2009. Underdog chronicles Levy's journey through Toronto politics with the same candid, humorous, and self-deprecating approach for which she has become famous for in her daily columns. Persuasive and timely, Sue-Ann Levy will inspire readers to speak up against the inequalities in our political and justice systems.

Toronto Sketches 8 Mike Filey, 2004-09 Toronto Sun columnist Mike Filey is back with Toronto Sketches 8, in the series that captures the people, politics, and architecture of Toronto's past with photographs and anecdotes that will change the way you see the city. The book takes us to the time of Toronto's original horse-drawn streetcar, the construction of Maple Leaf Gardens, and more.-These are collections of Mike Filey's best work from his popular and long-running Toronto Sun column, The Way We Were.

Toronto Sketches 4 Mike Filey, 1995-09 These are collections of Mike Filey's best work from his popular and long-running Toronto Sun column, The Way We Were.

**Alberta Crude** Frank Cosentino,

**Right Here, Right Now** Stephen J. Harper, 2019-09-03 Including a new and insightful afterword by the author, Stephen J. Harper, Canada's 22nd Prime

Minister, draws on a decade of experience as a G-7 leader to help leaders in business and government understand, adapt, and thrive in an age of unprecedented disruption. The world is in flux. Disruptive technologies, ideas, and politicians are challenging business models, norms, and political conventions everywhere. How we, as leaders in business and politics, choose to respond matters greatly. Some voices refuse to concede the need for any change, while others advocate for radical realignment. But neither of these positions can sustainably address the legitimate concerns of disaffected citizens. Right Here, Right Now sets out a pragmatic, forward-looking vision for leaders in business and politics by analyzing how economic, social, and public policy trends--including globalized movements of capital, goods and services, and labour--have affected our economies, communities, and governments. Harper contends that Donald Trump's surprise election and governing agenda clearly signal that political, economic, and social institutions must be more responsive to legitimate concerns about public policy, market regulation, immigration, and technology. Urging readers to look past questions of style and gravitas, Harper thoughtfully examines the substantive underpinnings of how and why Donald Trump was able to succeed Barack Obama as President of the United States, and how these forces are manifesting themselves in other western democracies. Analyzing international trade, market regulation, immigration, technology, and the role of government in the digital economy, Harper lays out the case for pragmatic leadership as

a proven solution to the uncertainty and risk that businesses and governments face today.

**Toronto Sketches 6** Mike Filey, 2000-09 These are collections of Mike Filey's best work from his popular and long-running Toronto Sun column, *The Way We Were*.

*The Dundurn Arctic Culture and Sovereignty Library* Michael Posluns, Bruce W. Hodgins, S.L. Osborne, Kerry Karram, Ken S. Coates, P. Whitney Lackenbauer, William R. Morrison, Greg Poelzer, Anthony Dalton, Alexis S. Troubetzkoy, John David Hamilton, Claudia Coutu Radmore, 2014-05-07 This special bundle is your essential guide to all things concerning Canada's polar regions, which make up the majority of Canada's territory but are places most of us will never visit. The Arctic has played a key role in Canada's history and in the history of the indigenous peoples of this land, and the area will only become more strategically and economically important in the future. This bundle provides an in-depth crash course, including titles on Arctic exploration (*Arctic Obsession*), Native issues (*Arctic Twilight*), sovereignty (*In the Shadow of the Pole*), adventure and survival (*Death Wins in the Arctic*), and military issues (*Arctic Front*). Let this collection be your guide to the far reaches of this country. *Arctic Front Arctic Naturalist Arctic Obsession Arctic Revolution Arctic Twilight Death Wins in the Arctic In the Shadow of the Pole Pike's Portage Voices From the Odeyak*

**Newspapers and Their Readers** Leonard Kubas, Communications Research Center

(Toronto, Ont.),1981

*Toronto Sketches* 9 Mike Filey,2006-04 These are collections of Mike Fileys best work from his popular and long-running Toronto Sun column, The Way We Were.

*Call Me True* Eleanor Darke,1997-10-15 In this investigation of the life and varied careers of True Davidson, Eleanor Darke seeks to discover what can be truly said about True – a fascinating and contradictory woman who was always ahead of her time. There was no quitter in her make-up and she fought like a banshee for whatever she believed in – which was people, truth, Canada. People either loved her or loathed her. None was indifferent. All her life True Davidson stood for human values. And traditions. Her courage and integrity knew no limit. She didn't make a cent from politics and scrimped and saved to make ends meet. She overflowed with opinions, ideas, even prejudices. She was as straight as they come. – The Toronto Sun Opponents characterized her sometimes as arrogant and selfish, but she devoted her whole life to her wide interests in history, civic affairs and conservation and to her constituents. She never had an unlisted telephone number. – The Globe and Mail Flamboyant but never frivolous, cutting but never cruel, True Davidson enlivened municipal politics during her long tenure in office. She bears ... emulating by any woman with political ambitions. – The Toronto Star

Arctic Front Ken S. Coates,P. Whitney Lackenbauer,William R. Morrion,Greg Poelzer,2010-09-11 An energetic and engaging collaboration by four of

Canada's leading Northern specialists, Arctic Front is a clarion call to all Canadians about our endangered Arctic region.

**Inside the Olympic Industry** Helen Jefferson Lenskyj, 2000-07-14 In a startling expose of the Olympic industry, Helen Jefferson Lenskyj goes beyond the media hype of international goodwill and spirited competition to uncover a darker side of the global Games. She reports on the pre- and post-Olympic impacts from recent host cities, bribery investigations and their outcomes, grassroots resistance movements, and the role of the mass media in the controversy. A highly accessible book about a complex subject that touches the hearts of sports fans everywhere, Inside the Olympic Industry is a must-read, behind-the-scenes look at the politics surrounding the choice of Sydney, Australia as host city for the 2000 Summer Olympic Games.

**Philosophy, History and Social Action** S. Hook, W. O'Neill, R. O'Toole, 2012-12-06 Two articles by Lewis Feuer caught my attention in the '40s when I was wondering, as a student physicist, about the relations of physics to philosophy and to the world in turmoil. One was his essay on 'The Development of Logical Empiricism' (1941), and the other his critical review of Philipp Frank's biography of Einstein, 'Philosophy and the Theory of Relativity' (1947). How extraordinary it was to find so intelligent, independent, critical, and humane a mind; and furthermore he went further, as I soon realized when I looked for his name on other publications. I recall arguing with myself over his exploration of 'Indeterminacy and Economic

Development' (1948), and even more when I read his 'Dialectical Materialism and Soviet Science' (1949). More papers, and then the fascinating, sometimes irritating, always insightful, books. His monograph on Psychoanalysis and Ethics 1955, the beautiful sociological and humanist study of Spinoza and the Rise of Liberalism (1958), his essays on 'The Social Roots of Einstein's Theory of Relativity' (1971) together with the book on Einstein and the Generations of Science (1974), the splendid reader from the works of Marx and Engels, Basic Writings on Politics and Philosophy (1959) which was a major text of the '60s, the stimulating essays on the social formation which seems to have been required for a modern scientific movement to develop, set forth most convincingly in The Scientific Intellectual (1963).

*Toronto's Poor* Bryan D. Palmer, Gaétan Héroux, 2016-11-23 Toronto's Poor reveals the long and too often forgotten history of poor people's resistance. It details how people without housing, people living in poverty, and unemployed people have struggled to survive and secure food and shelter in the wake of the many panics, downturns, recessions, and depressions that punctuate the years from the 1830s to the present. Written by a historian of the working class and a poor people's activist, this is a rebellious book that links past and present in an almost two-hundred year story of struggle and resistance. It is about men, women, and children relegated to lives of desperation by an uncaring system, and how they have refused to be defeated. In that refusal, and in winning better conditions for themselves, Toronto's

poor create the possibility of a new kind of society, one ordered not by acquisition and individual advance, but by appreciations of collective rights and responsibilities.

Ted Reeve Frank Cosentino,2021-04-30 Ted Reeves: Bard of the Beach follows the life of the footballer and sports reporter through his years as a player, a coach, a columnist and a soldier. The insights of the five time Hall of Famer are presented in the thoughts of Moaner McGruffey, Alice Snippersnapper, Figgers Foley, Nutsy Fagan and others conjured up in Ted Reeve's mind.

Rescuing our Underachieving Sons Dr. James S. Brown, M.A., M.Ed., Ed.D., James S. Ed. D,2011-08-18 RESCUING OUR UNDERACHIEVING SONS is a book written for school administrators, teachers, and parents of very young or school-age sons. This book offers an analysis of one of the really serious issues faced by parents, teachers and all of society, that of the underachievement of boys in the education system. Extensively documented, the book examines how the education system contributes to the underachievement of boys, and the factors which result in many boys failing in school. Meticulous research, combined with personal insights gained by Dr. Brown in his 40 years in education in Canada and the United Kingdom results in an interesting narrative that challenges those with responsibility for helping all children to achieve their full potential.

**Sun in Winter** Gunda Lambton,2003-07-16 It is dedicated to these great-

hearted people and to the city of Toronto, which emerges as one of the story's central characters. Almost all Canadian families were involved in war work, directly or indirectly. While most memoirs of the time stress the dramatic and heroic, *Sun in Winter* is a tribute to the quiet areas of endurance and pleasures of discovery that also distinguished these years.

### Decoding **Toronto Sun**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Toronto Sun**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
