But the leader of the attacking Hanorian Army, Lord Marshal Jiyal, has returned to the Hanorian capital, Gran Hanor, where he's preparing for a second invasion. Billy decides the only way to end the war is to neutralize Jiyal's powerful ally, a young wizard named Mig. Billy and Kurt set off for Gran Hanor to find Mig and trick her into drinking a potion called the Final Drop which will nullify her magic forever. But after their departure, the Dark Lady, the mad elven wizard who started the war, reappears in Kiranok and reclaims her place as the goblins' leader. She coerces Lexi, who's struggling with madness from using too much magic, into helping her raise a skeletal army, then she and her Marching Dead force the goblins to march on Gran Hanor. Now Billy must find a way to stop the Dark Lady and her skeletal army, neutralize Mig, help Lexi regain her sanity, save the goblins, and make peace with the Hanorians before a cataclysmic final battle destroys them all.

Children's Literature in Translation Jan Van Coillie, Jack McMartin, 2020-10-30 For many of us, our earliest and most meaningful experiences with literature occur through the medium of a translated children's book. This volume focuses on the complex interplay that happens between text and context when works of children's literature are translated: what contexts of production and reception account for how translated children's books come to be made and read as they are? How are translated children's books adapted to suit the context of a new culture? Spanning the disciplines of Children's Literature Studies and Translation Studies, this book brings together established and emerging voices to provide an overview of the analytical, empirical and geographic richness of current research in this field and to identify and reflect on common insights, analytical perspectives and trajectories for future interdisciplinary research. This volume will appeal to an interdisciplinary audience of scholars and students in Translation Studies and Children's Literature Studies and related disciplines. It has a broad geographic and cultural scope, with contributions dealing with translated children's literature in the United Kingdom, the United States, Ireland, Spain, France, Brazil, Poland, Slovenia, Hungary, China, the former Yugoslavia, Sweden, Germany, and Belgium.
