Complete Guide to Anonymous Torrent Downloading & File Sharing Matthew Bailey, 2013 Download & share torrents anonymously Don't be exposed and at risk. Take the steps in this Guide. Torrent file-sharing is a quick and easy way to obtain all kinds of great media on the Internet, ranging from full-length movies, music files, video clips, ebooks, apps, software programs, images, documents to basically any digital content you can think of. Downloading and sharing torrents can feel anonymous, but this is deceptive. Unless you take some extra steps to protect your privacy while downloading and sharing torrents, the prying eyes of unwelcome snoops can eavesdrop, monitor and record your torrenting activities. You need to protect yourself against: aggressive firms monitoring your torrent activities your Internet service provider (ISP) slowing down or throttling your connection consequences from inadvertently downloading copyright materials (hey, it can happen to anyone) disclosure of torrent downloads you would rather keep hidden or secret intrusion and overreach on the part of businesses and governments prying into every aspect of our online lives (Big Brother syndrome) This no-nonsense Guide is your one-stop for how to download torrents anonymously, with helpful screenshots and recommendations along the way. It briefly explains the technology behind torrents, outlines the risks you take when downloading and sharing torrents, recommends the best ways to find torrents, and takes you step-by-step through the process of downloading and sharing torrents anonymously. If torrents are a new concept to you, don't worry, they are explained in the Guide without any fluff or technobabble. At the same time, even the most advanced users will learn new tips and tricks in this Guide. Either way, from beginner to advanced user, with the help of this Guide you will be downloading torrents anonymously like a pro in no time.

Torrent Lindsay Buroker,2013-06-28 When Delia chose to major in archaeology, she imagined herself as the female Indiana Jones of the Southwest. She didn't imagine herself crawling through abandoned mine shafts, scrounging for rusty pickaxes and gold pans to sell on auction sites, but Indiana Jones didn't have to make student loan payments. Scouring the mountains of Arizona with Simon, her best friend and computer geek extraordinaire, Delia dreams of turning their scavenging enterprise into a legitimate business. More, she longs to earn the respect of peers who shun her for turning into a treasure hunter. What she doesn't dream of is stumbling across a decapitated body in an old mine near Prescott. Something dangerous has come to the mountains, and a pair of Harley-riding strangers are the only ones who seem to have a clue. They speak a language Delia has never heard and carry mysterious artifacts she's never seen. Investigating these strangers might lead her to discoveries that change the face of archaeology forever... or it might lead her and her best friend into a deadly monster's lair.

The Torrent Dinuka McKenzie,2023-09-28 What deadly secrets have been swept away by the flood? In Northern New South Wales, heavily pregnant and a week away from maternity leave, Detective Sergeant Kate Miles is exhausted and counting down the days. But a violent hold-up at a local fast-food restaurant with unsettling connections to her own past, means that her final days will be anything but straightforward. When a second case is dumped on her lap, the closed case of a man drowned in recent summer floods, what begins as a simple informal review quickly grows into something more complicated. Kate can either write the report that's expected of her or investigate the case the way she wants to. As secrets and betrayals pile up, and the needs of her own family intervene, how far is Kate prepared to push to discover the truth? The Torrent is tense and atmospheric Australian crime at its best. Perfect for fans of Jane Harper and Chris Hammer.
