**Be In That Number** Carl Jones,2020-04-12 Be In That Number is a year-long memoir of Tottenham Hotspur's 2018/19 season, told through the eyes and voices of their supporters' clubs around the world, as a growing global fanbase share their own devotion to a football club hundreds or even thousands of miles away. 2018/19 was supposed to mark Tottenham's long-awaited return home to N17 and the dawn of a bright new era under one of football's most coveted managers. What followed was an extended stay at Wembley, a wholly unexpected run to the Champions League Final and - eventually - the departure of the man many expected to remain at the helm for years to come. Derbyshire-born comedian and author Carl Jones recounts his own experience as a matchgoing Tottenham fan of 25 years as he meets the chairman of LA Spurs who would catch up on Spurs results by waiting for a newspaper to hit the stands in the early hours of the morning, the Lebanese student who smashes plates to deal with his emotions while watching matches and the Icelandic fan who plans to walk down the aisle to When The Spurs Go Marching In. He speaks to a Malaysian fan who met his best friend in a public bathroom after spotting a Tottenham pin badge on his lapel, the Chairman of OzSpurs who moved 'down under' for love and finally felt at home when meeting Tottenham fans in his adopted nation and the founder of Punjabi Spurs who formed his supporters' club to bring unity through football - despite being brought up in a houseful of Manchester United fans! On the pitch, Tottenham thrill and disappoint in equal measure as they eventually return home, before an incredible night at the Etihad, an unforgettable comeback in Amsterdam and a bittersweet night in Madrid cap off an unforgettable season and the beginning of the end for Pochettino. Critical praise for Be In That Number Carl Jones reveals the huge extended Spurs family around the world and shows us what's it like to support the famous Lilywhites. Informative, hilarious and moving it's a rip roaring page turner for all Spurs fans. - Mike Leigh, The Spurs Show

**People's History of Tottenham Hotspur Football Club** Martin Cloake,Alan Fisher,2016-10 A People's History of Tottenham Hotspur is the story of how fans helped create the identity of a world-famous club and tells a story from a perspective rarely acknowledged. Drawing on social history, contemporary press reports and first-hand interviews with the fans themselves, authors Martin Cloake and Alan Fisher trace the club's development from being the team of the suburbs and the rising south, through the glory years and the arrival of mass, popular culture, and into the modern era of the game. It is not a tale of trophies won and lost, of players bought and sold. Instead, it is the story of how one of the game's oldest and most famous teams was formed and established by its fans and how its identity was created by them. It evaluates how the fans' relationship with the club has evolved, as the game has changed: from those bygone days, when a club was at the heart of a local community, to the modern era, where the world's leading football clubs have to compete as multinational 'brands', appealing to fans on a global scale, stretching much further and wider than the north London footprint than the club's founders would have ever imagined.

**We Are Tottenham** Martin Cloake,Adam Powley,2014-10-31 Updated and re-issued, this classic account of Spurs' dramatic 2003/04 season puts the fans at the centre of the tale, exposing the myth of the 'average football fan' and providing a compelling account of the joy, frustration and and absurdity of following a Premier League club. Crammed with insight, humour, anecdote and the unique passion of the football fan, this book was described by Hunter Davies as 'the sort of record every club should have'.

**Tottenham 'Til I Die** David Lane,2014-08 Following a football team becomes a way of life for many people. Home and away fans experience moments of elation and exhilaration which become landmarks in their lives. But, as many fans will also know, there are also the low points of despair and disappointment when they feel all of their hopes and dreams have been dashed. Players and managers come and go but it is the fans who give the permanent character to the football club and as a celebration of the supporters, this book reveals the funny, the absurd, the emotional, the peculiar or unbelievable that is part and parcel of being a die-hard football supporter.

**In Search of Alan Gilzean** James Morgan,2019-02-25 Alan Gilzean was a truly great footballer, winning the league with Dundee and four trophies with Tottenham Hotspur. In his prime, the Leeds United manager Don Revie described him as the best touch player in Europe; even after his death in July 2018 the spine-tingling refrain of the Spurs fans who idolised him continues to echo down the generations: Gilzean, Gilzean, Born is the King of White Hart Lane. After a fan on a Spurs internet forum claimed that Gilzean was living as a down-and-out, James Morgan, a sports journalist and lifelong Tottenham fan, set out to separate fact from fiction and restore the legacy of an iconic footballer. Why was Gilzean not in the Scottish Football Hall of Fame? How had his name become forgotten in his hometown? And what had stopped him from returning to his throne at White Hart Lane?

Down Memory Lane Harry Harris,2016-11-17

**In Search of Alan Gilzean** James Morgan,2011-10-17 NOMINATED FOR BEST FOOTBALL BOOK OF 2010 IN THE BRITISH SPORTS BOOK AWARDS Updated second edition True greatness does not feel the need to proclaim itself from the rooftops. It is happy to state its case quietly, yet with utter conviction. Alan Gilzean was a truly great footballer. Every observer of his talent confirms this as an indisputable fact: from the legendary Jimmy Greaves, who regards him as the best striker he ever played with, to Don Revie, the former Leeds United and England manager, who described the former Tottenham striker as the best touch player in Europe, and Spurs fans whose spine-tingling refrain, Gilzean, Gilzean, Born is the King of White Hart Lane, continues to echo down the generations. It is now 36 years since Gilzean retired from professional football and his life and times have become shrouded in mystery and rumour. All that exists are the memories of his greatness ... but how long before even those are forgotten forever? After fans on Tottenham Hotspur online forums claim that Gilzean is living as a down-and-out, James Morgan, a lifelong Spurs fan and sports journalist with The Herald, Scotland's leading quality newspaper, is filled with a fierce desire to separate fact from fiction and sets out on a journey In Search of Alan Gilzean. The facts of his illustrious career are down in black and white: 169 goals for Dundee, including 52 in one season, a record that stood until Henrik Larsson broke it in 2001; a league championship medal with the great Dundee team of the early 1960s; then, a move to Spurs in December 1964, where, over the course of the next decade, he forms unforgettable partnerships with Greaves and Martin Chivers. Gilzean's greatness shines like a beacon, but where is the rest of his story? Morgan soon discovers that a sprinkling of newspaper cuttings, a Wikipedia page and idle internet chatter, are all that exist of a life less ordinary. The Scottish Football Association Hall of Fame website included a Swede, Larsson, and a Dane, Brian Laudrup, but no Gillie. Dundee FC has named lounges after former players who are not fit to lace Gilzean's boots. Spurs haven't heard from him in years. Former team-mates are none the wiser. One of the best British strikers of his generation is a forgotten man. Morgan's desire to change this, and find out the full story, takes him on an exhilarating personal journey all over Britain. From Gillie's birthplace, in the small Perthshire village of Coupar Angus, to Dundee, London and beyond, he leaves no stone unturned. Initially, Gillie hovers in the shadow before emerging as a fascinating and complex character whose natural reticence has obscured his legacy. Morgan's portrait of the original King of White Hart Lane restores him to his rightful place in football folklore and stands as the only faithful testimony to the life of a bona fide British football legend.

*From the Lane...* Oliver Wright,2007-10-01 Just over twenty years ago I went to my first Tottenham Hotspur football match at White Hart Lane. From that moment I was hooked. From the Lane is the story of one fan's experiences in the following of their club over two decades. It touches on the factual aspects of the games I have been to, but is centred mainly on the emotional journey that this obsession undoubtedly provides. It is written based on personal experiences, all against a real-life background that covers the vast majority of my lifetime. From that first Chris Waddle and Glenn Hoddle-inspired moment, through the years of such great players as Paul Gascoigne, Gary Lineker, Jurgen Klinsmann and David Ginola, right up to the current era, this story reveals how being a supporter of a football club is able to affect a human being, able to provide both sadness and joy. From the Lane is a story that all Tottenham fans, and indeed dedicated football fans everywhere, will enjoy and be able to relate to.
