**Touch Him And Stop That Bleeding** Sebastien Fonji Kema,2022-06-13 Everyone in this lifetime has bled in one or more areas of life: be it physical, emotional, or spiritual. Many have been able to stop these bleedings, but for most, the bleedings persist to the point of limiting them from living their full potential and thereby fulfil destiny. This book draws inspiration from the Woman with the issue of blood in the Bible and sets out principles by which one can bring a stop to any bleeding area in life. As you immerse yourself in the reading of the content of this insightful book, you will know the various areas of life where you can bleed and learn how to stop the bleeding in these areas by touching Jesus. You will learn how to touch Jesus in this dispensation that He is not physically present, by touching the Word of God. There is no need for you to bleed anymore in any area of your life. You do not have to spend your life savings to stop any form of bleeding in your life. Jesus paid it all on the cross. If you can touch the Lord Jesus by touching His Word, in other words, BELIEVE His Word and ACT on the WORD, then, THE BLEEDING will stop. Chew the content of this book and see every bleeding in your life stop, to the glory of God.

**The Touch That Transforms** Kyle Hamilton Barr,2019-02-20 This isn't your typical gay-to-straight conversion story; this is messy, yet glorious. In a time where the Church is confused and unsure of how to help those struggling with their sexual identity, Kyle Barr shares his very personal, lifelong journey. His undeniable experiences powerfully break the silence and shame that for so long have surrounded the topic of sexuality. Through his story, we see both struggle and victory, the stuff all our lives are made of. We all have a story to tell. Though our stories may have different characters and plot twists, at the core, it's all the same. All have been torn and all are searching. Everyone is in need of finding real love that's beyond anything of this world. Deep inside, all men and women want to unlock the fullness of who they are. This cannot be done alone. We all have longing which searches for an answer, for healing and wholeness. From the author: As I share my story with you, I ask one thing of you: will you truly listen? Yes, this is my story, but this is also my version of your story. Listen close enough and you might see that our stories aren't that different after all. It is messy and it is real, yet Christ still walked it with me. What many are afraid of, He embraced. What many misunderstand, He understood. Though many may give up and give in, Christ's love continues on. I was not alone and neither are you. Christ closed the gap and came so close to my struggles and brokenness . . . so close to touch me. I am a man and I am His. I am loved and I have been transformed.

*Don't Touch That Money*\$\$ Maurice Morissette,2022-05-24 Two low-level members of a biker gang in Saint-Luc, Quebec, a small town located on the shores of the St. Lawrence River, have the misfortune of losing a huge sum of money that belongs to a powerful American company. Furious, the head of the company entrusts his best men with recovering the cash, no matter what. Before they can get their hands on it, however, an ingenious and unscrupulous lawyer finds the money and decides to keep it to himself, throwing the investigators off his trail with a series of false leads. Further confounding the investigators' efforts are a cast of quirky characters who inhabit the small town, including a corrupt cop and a nosey old woman, leading to a comedy of errors that is anything but funny for those who lost the money in the first place.

*Tales That Touch* Bettina Brandt,Yasemin Yildiz,2022-09-20 Cultural texts born out of migration frequently defy easy categorization as they cross borders, languages, histories, and media in unpredictable ways. Instead of corralling them into identity categories, whether German or otherwise, the essays in this volume, building on the influential work of Leslie A. Adelson, interrogate how to respond to their methodological challenge in innovative ways. Investigating a wide variety of twentieth- and twenty-first-century texts that touch upon things German in the broadest sense—from print and born-digital literature to essay film, nature drawings, and memorial sites—the contributions employ transnational and multilingual lenses to show how these works reframe migration and temporality, bringing into view antifascist aesthetics, refugee time, postmigrant Heimat, translational poetics, and post-Holocaust affects. With new literary texts by Yoko Tawada and Zafer Şenocak and essays by Gizem Arslan, Brett de Bary, Bettina Brandt, Claudia Breger, Deniz Göktürk, John Namjun Kim, Yuliya Komska, Paul Michael Lützeler, B. Venkat Mani, Barbara Mennel, Katrina L. Nousek, Anna Parkinson, Damani J. Partridge, Erik Porath, Jamie Trnka, Ulrike Vedder, and Yasemin Yildiz.
