

# Tourism In Dubai

Ian Michael, Anona F. Armstrong, Brian King, Badran Badran

*Dubai, from the scratch until today - A new vision of tourism?* Svenja Lis, 2010-07-13 Seminar paper from the year 2009 in the subject Tourism - Miscellaneous, grade: 1,7, Stralsund University of Applied Sciences, language: English, abstract: You can never understand Dubai if you have not been there. But being there is no guaranty for comprehension either! Dubai is the place of the ultimate superlatives. Nothing is impossible and dreams can come true. Like in a modern fairytale, in Dubai everything seems to be possible and what shines seems to be made of gold... Skiing in the desert, clubbing in an Islamic country, the famous “Palm” and upcoming “Dubailand” to name only some of the numerous attractions Dubai has to offer. I had the great opportunity to be part of an outstanding excursion to the United Arab Emirates with main interest on Dubai and to get an impression of one of the most fascinating destinations in the world. Not only as a tourist, but with the possibility to experience Dubai from a different sight, I had the chance to make up my mind about a fascinating city that never sleeps. For this reason my interest in Dubai arose and makes me take a closer look on Dubai. How did Dubai become what it is today? How can it fulfil it’s own premises to still grow and develop? And how can a single person, His Highness Sheikh Mohammed bin Rashid Al Maktoum, be responsible for all this? With the following assignment I try to answer these questions by giving an overview of Dubai’s history, the current touristic situation in Dubai and the vision of Dubai in 2015.

**A study of opportunities and threats emerging from the current and likely future tourism development in Dubai** Julia Kühn, 2009-10-26 Bachelor Thesis from the year 2008 in the subject Tourism, grade: Upper Second, New College Durham, language: English, abstract: This research project assesses the current and likely future tourism development in Dubai. Particular reference was given to the concept of sustainable tourism development. It was to be answered, whether the current scale of tourism development in Dubai is likely to be sustainable. In order to answer this question, the author has used several frameworks for assessing Dubai’s current scale of tourism development and its strengths and weaknesses as a tourist destination. Moreover the concept of sustainability has been introduced in this project. The importance of sustainable tourism development in Dubai had to be assessed; hence, the author demonstrated a choice of Dubai’s approaches towards sustainability. Finally recommendations are given of how to further tourism development in Dubai should be realised. The research findings show that Dubai’s strategic tourism development is focused on quantity rather on quality. 20 years ago, Dubai consisted mainly of desert, today countless hotels, theme parks, and even artificial islands are being built to meet the current demand and to attract more tourists. Such a rapid development is not without criticism in terms of major negative sociocultural and environmental impacts. This piece of work highlights these impacts and points out whether they can be overcome or not.

**Greater Than a Tourist Dubai United Arab Emirates** Greater Than a. Tourist, Wajiha S. Khan, 2017-06-21 Are you excited about planning your next trip? Do you want to try something new while traveling? Would you like some guidance from a local? If you answered yes to any of these questions, then this book is just for you. >Tourist, UAE by Wajiha S. Khan offers the inside scoop on Dubai. Most travel books tell you how to travel like a tourist. Although there's nothing wrong with that, as a part of the Greater than a Tourist series this book will give you tips and a bunch of ideas from someone who lives at your next travel destination. In these pages you'll discover local advice that will help you throughout your stay. Greater than a tourist is a series of travel books written by locals. Travel like a local. Get the inside scope. Slow down, stay in one place, take your time, get to know the people and the culture of a place. Try some things off the beaten path with guidance. Patronize local business and vendors when you travel. Be willing to try something new and have the travel experience of a lifetime. By the time you finish this book, you will be excited to travel to your next destination. Ten cents of each book purchased is donated to teaching and learning.

**Tourism Development and the Environment** Richard Sharpley, 2009 First Published in 2009. Routledge is an imprint of Taylor & Francis, an informa company.

United Arab Emirates Travel Guide Jesse Russell, 2019-11-19 United Arab Emirates Travel Guide. Tourism. Comprised of little more than sand dunes, crumbling forts and fishing villages a century ago, the United Arab Emirates (UAE) has grown into a show-stopping, headline-grabbing destination which offers an intriguing blend of traditional Islamic culture and rampant consumerism. Powered largely (but by no means exclusively) by oil wealth, the UAE today is defined by opulent resort hotels, ultra-modern architecture and a seemingly unending thirst for new and innovative mega-projects. Manmade islands in the shape of palm trees? Tick. Billionaire royals taking over Premiership football clubs? Tick. Tallest building on the planet? Naturally. Seven separate emirates make up the country, but visitor attention falls mainly on Dubai and Abu Dhabi. Both are home to an ever-growing spread of luxury accommodation, gourmet restaurants, branded nightclubs and gleaming shopping malls. Dubai's most iconic sights include the sail-shaped 7-star hotel Burj Al Arab, the Burj Khalifa skyscraper and the sea-themed Atlantis Resort, which are microcosms of the UAE's lofty ambitions. The regular fountain show in the Downtown area rivals that of the Bellagio in Las Vegas, while vast shopping complexes like Dubai Mall (complete with one of the world's largest aquariums) and Mall of the Emirates (complete with ski slope) are packed with premium international labels. Abu Dhabi, meanwhile, doesn't have quite the same verve but boasts some remarkable attractions, from the Sheikh Zayed Grand Mosque to the Ferrari World theme park. And in both destinations, there's the option to delve into the UAE's blend of Islamic culture and modernity, from spice souks to falcon hospitals. Meanwhile, the vast natural desert offers endless discoveries via exciting modes of transport from hot air balloon and quad bike to helicopter or sandboard.

Definitely Dubai: Destination Branding in Action Paul Williams, Nick Ashill, 2011-11-30 This case study is part of the Contemporary Cases Online series. The series provides critical case studies that are original, flexible, challenging, controversial and research-informed, driven by the needs of teaching and learning.

30 million copies sold globally. Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks.

**Global Developments in Healthcare and Medical Tourism** Paul, Sudip, Kulshreshtha, Sharad Kumar, 2019-11-22 The outbreak of global health issues due to rapid urbanization, industrialization, and changing climatic conditions are severely impacting health and lifestyle. Yet, healthcare and medical services continue to increase in cost in developed nations. This can result in medical tourism, wherein patients travel across countries in order to benefit from medical treatment that might not be accessible in the traveler's nation of origin. Developing countries are prepared to capitalize on this growing industry by offering multi-specialty healthcare hospitals, cost-effective treatments, and the promotion of online medical consultancy. Global Developments in Healthcare and Medical Tourism provides innovative insights into issues impacting healthcare services, healthcare service providers, government policies, and initiatives for health reforms and explores low-cost medical tourism destinations and practices. The book additionally seeks to deliver high-quality, cost-efficient smart healthcare applications. The content within this publication examines global health, wellness tourism, and global business and is designed for students, researchers, academicians, policymakers, government officials, medical practitioners, and industry professionals.

**Dubai Tourist Map** Dubai Municipality Staff, 2000-06 This is a complete map of Dubai Emirate showing the Route, Community, Street & Building Numbering Systems. The map includes large scale city center plan, Highlighted embassies & consulates, Government departments, Hospitals, Hotels, Libraries, Parks & Gardens, Shopping centers, Sports clubs, and Index of Communities, Roads and streets, and descriptions of tourist attractions and businesses.

**Dubai Discovered** David Quinn, Joseph Rowland, 2008-12

**Welcome to Dubai** Omar Tyree, 2013-12-01 When American Gary Stevens decides to explore the immaculate tourism haven of Dubai in the Middle East, he finds much more than he bargained for. Plans for a peaceful and harmless visit to the exotic land of seven-star hotels, international culture, food and shopping, quickly change when Gary attracts the attention of a beautiful, rebellious and enticing Muslim woman. Gary stumbles into a violent labor revolt triggered by the death of a poor immigrant construction worker, who falls from one of Dubai's hundreds of fast-developing buildings. The exploitation of thousands of disposable immigrant laborers emboldens an Egyptian revolutionary to seek vengeance for the greed and inhumane practices of Dubai's business elite Arab Emirates. Meanwhile, the outspoken wife of Dubai's youngest and most successful business leaders inspires an insurgence of young Muslim women---they seek empowerment, education and the freedom to pursue true love and romance. Gary becomes entangled in the uprising when the radicals take hundreds of international tourists hostage at the same hotel where Gary is staying. To make matters worse, these zealots include the older brother of the beautiful Muslim woman who has fallen for Gary. With nonstop action and cultural intrigue, Welcome to Dubai is the first full book in The Traveler series created by New York Times bestselling author Omar Tyree.

*Dubai to Victoria* Ian Michael, Anona F. Armstrong, Brian King, Badran Badran, 2006

**Man-made Dream City in Barren Desert - Dubai** Shrikant Deodhar, 2023-04-29 A tourist guidebook. Generally, tourists visit Dubai with travel groups or Agents. This invisible personal guide will explain every tourist place in detail with a personal touch. All necessary information will be at your fingertips.

*The Report: Dubai 2008*, 2008

**Business Guide: Doing Business in Dubai & the United Arab Emirates** Sascha Noack, 2009 The purpose of this business guide is to illustrate important considerations, as well as outlining the decisions that need to be made when considering starting to do business in the United Arab Emirates (U.A.E). Furthermore it offers an overview of the prevalent political, legal, social and economical environments that are an important basis for making the decision to expand to that region. After describing country-specific variables of the U.A.E., the business environment including business culture, industry sectors, legal and fiscal conditions, and various possible business forms will be analysed. The insights gained will be used to suggest business opportunities and to develop concrete steps on how to start business relations and set up a business in the U.A.E.

**Economy of Fascination** Heiko Schmid, 2009 Large investments in the real estate and tourism sectors and rising numbers of tourists and immigrants have led to a sustained boom in Dubai and Las Vegas. At the same time, against the background of an urban governance and the transfer of competences to private and semi-state actors in both metropolises, a brisk urban transformation has been embarked upon, leading to the creation of countless entertainment, shopping, and artificial worlds. This development is primarily characterised by the theming of everyday life, but above all an iEconomy of Fascinationi. The casino and hotel landscapes simulating various scenes from Ancient Rome to modern New York, artificial islands in the shapes of palm trees or whole world maps as well as other superlatives in the form of themed shopping malls and sports arenas are the most visible results of these rapid changes. This paper develops guidelines for a research perspective called iEconomy of Fascinationi and turns to Dubai and Las Vegas to exemplify the approach. An analytical understanding i-rst builds on general trends and development lines against the backdrop of urban governance, entertainment orientation, and commercialisation. They form the starting point for an analysis of the mechanisms of iattentioni and ifascinationi, which are considered to be the main aspects of an iEconomy of Fascinationi.

**Dubai & Abu Dhabi for Travelers. the Total Guide: The Comprehensive Traveling Guide for All Your Traveling Needs.** by the Total Travel Guide Company The Total Travel Guide Company, 2019-03-14 The Best and Most Unique Dubai & Abu Dhabi Travel GuideThe United Arab Emirates is a country on the Arabian Peninsula, sandwiched between the Persian Gulf and the Gulf of Oman. Although early settlers can be dated back to 3000BC, the area has been through multiple transitions. Originally a stop on the trade routes from Asia and India, it also became a hub in the 1800s for its pearl trade. That collapsed in the 1930s, and then shortly afterwards, the discovery of oil in the 1960s led to its development at an incredible rate. The country as it is now know was formed in December 1971, when the 7 ruling 'emirates' united, in a move which was initiated by the rulers of Abu Dhabi and Dubai.A metropolis that has risen up out of the sand, Dubai is a fascinating city which has something special to offer every visitor. Dubai is one of 7 emirates which make up the UAE. It is ruled by the Maktoum family, and the visions of these leaders have resulted in one of the most spectacular cityscapes on earth. It is said that in Dubai, nothing is impossible. With the world's tallest building, the Burj Khalifa, standing 828m tall and a collection of man-made islands representing 'The World', this certainly seems to be the case. Dubai & Abu Dhabi are the world's most visited tourist destination on the Persian Gulf. They are famous for their beautiful cities and regions, stunning coastline and beaches, sunny weather and quiet sea. This dazzling country is undeniably romantic. From the sun-soaked beaches, to the huge skyscrapers, Dubai & Abu Dhabi have it all. The country offers distinct experiences that will entice any visitor.

Let this book guide you to the many places that you must see in Dubai & Abu Dhabi to make your visit a life changing experience. This book is filled with suggested places to stay, from budget to luxurious, places to visit, local cuisines to try, and places to shop. All these suggested itineraries have been experienced first-hand and are all highly recommended to tourists. Experience a whole new world when you come and visit Dubai & Abu Dhabi. In this total guide you will find: - Areas covered: History lessons/Best museums/Surfing/Adventure land off road trips/Wildlife spotting/ Dubai & Abu Dhabi neighborhood/Medical Tourism/Cooking and drinking/Accommodation/Staying safe/Music/Festivities - General Information of each area - Area Transportation (how to get around i.e. car, bus, taxi, train, bicycle, and how much it would cost) - Sightseeing (Best Sights to See, Off the Beaten Path) - Best shopping (where are the major shopping districts and what they are known for) - Bargain alternatives (where the locals shop to avoid the high tourist crowds) - Things to do (recreation outdoor, indoor, events and festivals) - Local Food Specialties - Farmer's and Fish (Meat) Markets (Locations, dates and times of various markets) - Language, Political and Etiquette Considerations (What the average tourist should know and how to get along with the locals. Type of currency used and types of places that exchange currency) - Seasonal considerations (Typical high and low temperatures, if there is a rainy season, if it snows, floods or is known for heavy weather) - Comfort Services (Massage, hair and nail salons, spas, etc.) - Essential Services (Embassy locations, medical facilities, law enforcement, etc.) - Area specific discounts and coupons. So, download now this total guide and start traveling as you read! . *How Is Dubai's Hospitality and Tourism Industry Preparing?* Richard Teare,2014-08-14 Dubai's economic growth in recent years is closely aligned with tourism development and following a successful bid to host Expo 2020, its hospitality and tourism industry faces a new set of opportunities and challenges. Specifically, what does the industry need to do in order to prepare for this significant event? The editors of this e-book and their team of industry practitioners and hospitality education professionals draw on local experience and expertise to provide a detailed response. This is not only a must read for stakeholders in Dubai but for all cities preparing to host a mega event.

*Tourist Destination Management* Eric Laws,1995 This book provides an introduction to the key issues involved in developing and managing destinations. Looking at such areas as tourist satisfaction, impacts of tourism and policies, Eric Laws assesses the differing importance of tourism for residents, employees, investors and tourists. Cases include Tibe, Hawaii, South Africa, Wales, Tonga and Antarctica. The book concludes with a detailed analysis of Dubai integrating the various issues raised throughout the book.
