Abhijeet Ingle

The Shooting Star Shivya Nath,2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.

The Living-Dead Abhijeet Ingle, 2013-11-29 It is the summer of 2004. But over five decades of independence, and a decade of economic liberalization does not mean much to the cotton farmers of Vidharbh in India, which has witnessed a spate of farmer suicides that continue to rise with every passing day. Yet; Ramwadi, a village in Vidhrabh, reeling in the clutches of a despotic headman and greedy moneylender, has ducked the trend. Then a jeep arrives in Ramwadi, carrying GM cottonseeds, which transform the simple lives of a few families in Ramwadi. Vasu, a small indebted farmer dreams of living a life of dignity, and chooses to drill a tube well to tap water for his

six acres of dry land. The journey of his dream, through a series of ironic circumstances affects many people, encompassing their conflicts, which transcend the boundaries of Ramwadi, leading to Capitol Hill in Washington, the forests of Siberia and jungles of Gadchiroli. At the same time, it raises many profound and disturbing questions about democracy, agrarian policies, Kyoto Protocol and the environment, International politics, tiger conservation and human-animal conflicts, tribal unrest and revolutionary movements. Ironically, to live his small dream, Vasu and his family must survive these complex glocal conflicts.

Western India Philip Ward, 1991 If you are fortunate enough to be travelling in India, and specially in the regions that he has already covered, then look no further. This is the one book you really need Ward, in one sweep of his pen, with the strength of his convictions to back him, convinces his readers of the reality and the magic that is India. - The Hindustan Times Bombay is the pulsating commercial capital of India. its chief port, and point of entry for most visitors by air. Yet already one senses authentic India: that heady diversity of colours, cultures, languages, cuisine and easy tolerance amid bustling bazaars and Victorian buildings. Beyond Bombay, the hinterland of Maharashtra State offers great cave-temples at Ajanta, Aurangabad and Ellora, the pilgrimage towns of Shirdi, Pandharpur and Nasik, Shivaji's rock fortresses, and the pleasures of Kolhapur, Ahmadnagar, Pune,

Daulatabad's castle, and cool hill-stations such as Matheran and Mahabaleshwar. Vast Karnataka is worth weeks of exploration, beginning in its pleasant capital Bangalore, spacious Mysore, hilly Mercara, coastal Mangalore, Jog Waterfalls, the immense ruined capital of Vijayanagar, such wondrous Islamic cities as Bijapur, Gulbarga and Bidar, and the splendours of Hoysala dynasty Hindu temples in Somnathpur, Belur and Halebid. Western India focuses on the Jain centre at Sravana Belagola, the magnificence of Aihole and Pattadakal, Tipu Sultan's capital Srirangapatnam, and the Shiva temple on Elephanta Island. Intended for first-time visitors as well as for experienced travellers keen to understand the background to the vision, Western India provides a sympathetic and thoughtful companion to some of India's most rewarding sights. The Social Life of Streets in India, 2022-12-30 Streets are places that stimulate activities, interactions, behaviours and, by extension, controls. Yet, within the built environment discourse, the street is first and foremost conceptualised as a mute backdrop to movement-vehicular or pedestrian. The Covid-19 pandemic brought renewed focus on the street as the space of networks, flows and mobilities as the 'lockdown' was the preferred mode of controlling the spread of the disease. *The Social Life of Streets in India: Histories, Contestations and Subjectivities* endeavours to understand the complexities of social dynamics of streets in relation to spatiality and materiality in the Indian milieu. It draws from a diverse body of scholarship and varied disciplinary leanings and engages with three broad strands: historical aspects of streets, the physicality of street as a built environment and social science discourse

mediated through anthropology, urban geography, social theory and urban studies. Further the volume deliberates on questions such as: How do we look at streets and, in particular, how do we document and conceptualise streets in the Indian context that highlights the particularities of South Asian milieus? Is the street public? Is it merely a physical space? How does the street in its physicality and in its built form enter or respond to the metaphorical, the literary, the methodological and the social?

Prison Inmates Living with HIV in India
Sayantani Guin, 2015-04-15 This Brief presents preliminary findings from research in three prisons in Maharashtra, India on experiences of prison inmates there living with HIV. The study explores health care services in these prisons, and problems experienced by inmates in India living with HIV, as well as their staff and caregivers. Through this preliminary study, the researchers shed light on the experiences of inmates in Indian prisons, with an aim of presenting questions for future research. The author provides an overview of the global conditions of prison inmates living with HIV, as an international comparative context for examining the cases in India. Major problems highlighted in the cases include: living conditions, high risk behavior during incarceration, delivery of medical

services and adherence to ethical guidelines. Results of the study reveal that overcrowding and inadequate nutrition were major concerns for inmates living with HIV; there were no support systems available inside the prisons to address the stress related issues of the inmates; and, the prison hospital did not have provisions to cater to the treatment needs of inmates living with AIDS. The study also found that confidentiality regarding the HIV positive status could not be maintained inside the prison. This Brief presents a window into the experience of inmates in India, and presents questions for future research to understand and improve living conditions and medical service delivery within the prison system. This work will be of interest to researchers in criminology and criminal justice, particularly interested in incarceration or health issues, public health and related areas such as public policy, international studies, and demography studies in India.

If It's Monday it Must be Madurai Srinath Perur, 2013 This delightful travelogue around ten conducted tours is full of rich experiences: hanging on to a camel in the Thar, rediscovering music on the trail of Kabir, joining thousands on an ancient pilgrimage in Maharashtra, crossing living root bridges near Cherrapunji, and more. As much about people as places, the book is also a reflection on the nature of popular travel today marked by the packaging of experiences, the formation of tourist economies and compulsive picture-taking. How this influences tourists comes through vividly: in their creating a mini- India

in a bus, while racing through treasured sights in Europe; in their perfunctory devotion while hopping from temple to temple in Tamil Nadu; in their enjoying with sex workers far away from home. Deeply felt, ironic, and often comic, the book entertains and enlightens, and becomes an idiosyncratic portrait of India and her people-- Jacket.
