Mandi L. Anthony

*Travis the Traveling Turtle and the Beautiful Butterfly* Diane Reason,2011-06 Travis the traveling turtle is a turtle who travels the forest looking for new adventures and finding new friends. His travels led him to a beautiful butterfly named Michaela, who has had a few adventures of her own. The afternoon with her leads to a new friend for a lifetime, and lessons that will now be forgotten.

*The Traveling Turtle* G. E. Hawthorne,2019-04-26 This fun book about a terrapin turtle will mix the best of two worlds, it will teach your child about the importance of being unique and being happy by being yourself and at the same time provide for a fun read that your child will almost certainly enjoy.

A Turtle's Tail Travis Cole,2018-11-15 To me, the book describes how people (especially young people) can set goals for themselves and achieve them if they are willing to work hard. Life is hard, and not everyone will support you in your goals. The moral of this story is that it doesn't matter what other people think. If you work hard at accomplishing those goals, no matter how difficult they may be, then you can accomplish them. This story also shows that if you work hard, it doesn't always mean that you will win. When Splash comes in second on the final heat, he is disappointed at first. It is only after the crowd starts cheering for him that he realizes what he has accomplished. In the end, it is about proving to himself and others that chasing after your dreams is all that matters. If you truly want something, you have to fight for it and don't let anyone tell you any different. I also believe that children are often being taught that all you have to do to be successful in sports, school, life, etc. is show up. I believe that children need to be shown that it takes hard work to be successful, and sometimes that hard work may not be good enough,

but that you always have to keep fighting for what you want and what you believe in.

*Timmy the Traveling Turtle* Kristyn Hansen,2008-05 Timmy is a sweet little turtle that just wants to explore the world. He finds the courage to take off on his journey, but quickly finds out it is hard traveling alone. He finds a few great friends in unexpected places.

**Changes in Latitudes** Will Hobbs,2004-09 *Trouble In Paradise* Sixteen-year-old Travis is looking for a good time. A vacation in Mexico with his mother, sister, and little brother might cramp his style, but he's willing to take that risk for a chance to cruise the beaches. Travis soon discovers that even with his headphones and shades, he can't completely cut himself off from his family's problems. He begins to understand why his father didn't come with them: His mother is contemplating a divorce. Meanwhile his younger brother, Teddy, becomes increasingly obsessed with protecting some endangered sea turtles near the resort. In spite of himself, Travis is

drawn into Teddy's efforts to save the turtles. But it takes a devastating tragedy beyond his imagining to shake Travis out of his cynicism -- a tragedy that will change his family forever.
