Pop Your Bubbles Saloni S Jain,2024-01-01 Each person harbors a multitude of bubbles, pre-conceived either by the strokes of a friend's imagination or by the endless loops of their own thoughts. Every idea, every concept, every belief you have nurtured over the years has birthed a bubble of its own. These bubbles possess a unique characteristic they either burst on their own, require a gentle nudge from the wind, or a precise prick to pop. This book is ready with a needle of other perceptions to prick, if you allow. I shall let the good bubbles pass, the redundant bubbles wither and burst the unnecessary ones. Because, being imprisoned in the superfluous bubbles will make your life difficult, ruin your peace and choke you. This is what POP YOUR BUBBLES is all about offering a broader perspective, peeling away layers of thought so you can see the world through a different lens, just as I once did. I have observed, experienced, learnt, and now, I am here to impart this wisdom. It's not magic, I'll unveil the secret recipe and ignite magic within you, because I understand who you are.

Words Bubble Up Like Soda Pop (light novel) Kyohei Ishiguro,2023-07-18 Cherry struggles with communicating—even more than the average teenager. He keeps his noise canceling headphones on to avoid conversation and has trouble putting his thoughts into words. Writing haiku seems to be the only way he can express his emotions. It's the final summer vacation of his high school years, and it's passing by fairly uneventfully as he packs to move out of town and works part-time at a senior care center. But one day, he encounters Smile, a live streamer who's self-conscious about her buckteeth and braces. Days with her are more exciting, and as they help one of the seniors track down an old record he lost long ago, Cherry suddenly finds himself more inspired and invested than ever before. Fans of the hit anime movie will fall in love alongside Cherry and Smile in this detailed look from the characters' perspectives!
