**The Miracle Equation** Hal Elrod, 2021-01-05 The bestselling author of The Miracle Morning shares the secret to unlocking your full potential—all day, every day. “A simple, proven formula for creating extraordinary results in your life.”—Lewis Howes, New York Times bestselling author of The School of Greatness Even after the incredible success of his book The Miracle Morning, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world’s top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is The Miracle Equation, and it couldn’t be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you’ll create results beyond what you believe to be possible. In The Miracle Equation, you’ll learn how to • Replace fear with faith • Move from resistance to acceptance • Let go of negative emotions • Turn off your stress response • Overcome your limitations to unlock your limitless potential • Develop emotional invincibility • Grow from happiness, which is fleeting, to inner peace, which is lasting And with the Miracle Equation 30-Day Challenge to guide your way, you’ll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for The Miracle Equation “The Miracle Equation isn’t just a book, it’s the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended.”—Lewis Howes, New York Times bestselling author of The School of Greatness You’re only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read The Miracle Equation.—Mel Robbins, bestselling author of The 5-Second Rule

**How to Become a Millionaire** Mark Lee Alch, 1999 A guide to personal finance presents a series of investment strategies designed to generate large returns, even for those with modest incomes.

How to Get Rich Felix Dennis, 2008-06-12 Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn’t selling snake oil, investment tips, or motivational claptrap. He merely wants to

help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why ownership isn't the important thing, it's the only thing.

**Everyday Millionaires** Chris Hogan, 2019 Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

**The Millionaire Booklet** Grant Cardone, 2016-06-16 I want to help you reach millionaire status, even get rich, if you believe that you deserve to be the person in the room that writes the check for a million dollars, ten million or even 100 million—let's roll.

*How to Become a Millionaire in 365 Days* Sterling Cooper, 2015-02-25 This is a step-by-step guide to become a millionaire in 365 days by buying a business for yourself, or with your co-workers. That is the best way to become a millionaire. Any size of business can be acquired by following the step-by-step guide outlined in the book, by the principals of STERLING COOPER, INC., a consulting firm ( [www.sterlingcooper.info](http://www.sterlingcooper.info) ) who have participated in thousands of acquisitions, valuations, appraisals and financings. The book concentrates on the principle of structuring a LEVERAGED BUYOUT (LBO) for

the prospective acquisition and guides the reader to a means of accomplishing the purchase in easy to understand, straight forward terminology, with a daily suggested step-by-step program. This is a great handbook for anyone looking to buy a business. Readers may also contact the author directly for initial advice at no cost. The book is designed both for the first time buyer, with the step by step guidance as to how to buy a business, any business, but it also works well for owner who is interested in making an add-on acquisition and grow his business through acquisitions. The book involves some 40 years of acquisition experience and has great stories about real and completed LBO'S ( LEVERAGED BUYOUTS) of some well known companies all done on a shoestring budget, using the assets of the acquired companies as the collateral for the loans to acquire the businesses. The book is written to allow even a relatively inexperienced buyer/business owner, to find and to complete the transaction step-by-step. The SterlingCooper firm is available as a total daily step-by-step coach in the entire process if necessary so that you are not out there all alone, trying to just follow the book, but you have a real coach to accomplish the first acquisition. Initial consultation is at no cost to the reader. The entire process is broken down to easy to follow and organized steps what start with describing how the process of structuring an LBO works, and then guides the reader through the individual steps needed to identify the business to be acquired ( or acquire the business you now work for by yourself or with other employees). Every step of the process is documented day by day to accomplish the first transaction in a period of 60-90 working days as the optimum result! Since the acquisition process is geared to minimize the funds needed from the buyer and concentrates on using the leverageable assets of the acquired company, the buyer will minimize the use of his own funds...that is the whole basis of a properly structured LBO. You heard the term OTHER PEOPLE'S MONEY? A properly structured LBO is the best of use of borrowed funds; the bank's! The book also contains a variety of helpful and ready to use forms and agreements that can be easily used to close the deal including a Draft Stock Purchase Agreement. Most valuable is the INFORMATIONAL QUESTIONNAIRE, which provides all the questions to ask relating to the business, its operations and financial statements, and will be the document you can share with your lenders for financing. You will be able to evaluate the entire business, its history of operations and intricacies like a pro, without having to spend tens of thousands of dollars on hiring a battery of professionals to do that job for you. The ability to buy a business, literally any business is now in your hands. Depending on your available free capital there is no limit to the possibilities of what can be acquired. You will enjoy reading about the completed opportunistic acquisition of a divestiture, of a 12,000 employee firm, by a motivated seller, a large publicly traded conglomerate, and even provided a line of credit to help with the acquisition! You may contact the author directly at no cost for a quick coaching to get started! BONUS INCLUDED! You can become a millionaire in 365 days!
