Troll Hunters Michael Dahl,2012 Far above the small town of Zion Falls, the stars fall from the sky. Deep below the sleepy city, an ancient evil awakens. Caught in the middle are four friends who find powers beyond their wildest dreams -- and monsters worse than their darkest nightmares.

The Troll Hunters Daniel Rehm,2024-01-06 Something had to be done. The specter of incorrigible keyboard anonymity had become a virus. Online trolls were sapping the world of basic human courtesy, and their sentiment was spilling over into society at large. Enter the cure, Daniel Navarro, a man who knew a little something about bullies. It was thanks to them he was destined to spend the rest of his life in a wheelchair. His new company, The Troll Hunters - with the aid of his best friend and crack programmer Tyler Hansen - was poised to rid the world of the scourge. What they didn't know, was the government, a former hunter of men, and his new boss Baron Samedi - voodoo god of death - had other far more nefarious plans for them, their company, and nearly every person who has ever touched a screen, including the most famous political troll of all time.

*The Bridge Troll Murders* Sheldon Russell,2020-12-15 They say a railroad is little more than a small town that stretches a thousand miles along a single winding thread. And like any small town, gossip is known to travel up and down the rail so fast it might as well be a telephone party line. So when a local runaway turns up dead sixty miles down track under a bridge marked as a safe hobo camp, it becomes Hook Runyon's job to find out what happened before it hits the headlines of the local newspapers. The rail yard bull is dealing with the constraints of a new office job and the presence of a young aspiring criminologist from Back East, a mixture ripe for all hell breaking loose.

**Trollhunters** Guillermo del Toro,Daniel Kraus,2015-07-07 From Guillermo del Toro comes the book that inspired the Netflix Animated Series TROLLHUNTERS! You are food. Those muscles you flex to walk, lift, and talk? They're patties of meat topped with chewy tendon. That skin you've paid so much attention to in mirrors? It's delicious to the right tongues, a casserole of succulent tissue. And those bones that give you the strength to make your way in the world? They rattle between teeth as the marrow is sucked down

slobbering throats. These facts are unpleasant but useful. There are things out there, you see, that don't cower in holes to be captured by us and cooked over our fires. These things have their own ways of trapping their kills, their own fires, their own appetites. Jim Sturges is your typical teen in suburban San Bernardino— one with an embarrassingly overprotective dad, a best friend named Tubby who shares his hatred of all things torturous (like gym class), and a crush on a girl who doesn't know he exists. But everything changes for Jim when a 45-year old mystery resurfaces, threatening the lives of everyone in his seemingly sleepy town. Soon Jim has to team up with a band of unlikely (and some un-human) heroes to battle the monsters he never knew existed. From the minds of horror geniuses Guillermo del Toro and Daniel Kraus comes a new illustrated novel about the fears that move in unseen places.

**Trollhunters: Tales of Arcadia--The Felled** Guillermo del Toro, Richard Hamilton, 2018-10-16 From Guillermo del Toro and DreamWorks Animation's Emmy® Award-winning Netflix series, comes a graphic novel with another quest for teenage Jim Lake, Jr., and his friends--human and Troll! The title of Trollhunter weighs heavy on the shoulders of Jim Lake, Jr.--as does his new title of boyfriend--and it has lead him to a crisis of identity. To help the young man grasp who he is, the Trolls, Vendel, Blinky, and AAARRRGHH!!!, and his best friend, Toby, look at the adventures and misadventures of six previous Trollhunters during times when they, too, questioned themselves. Through their stories Jim discovers how Trollhunters Deya the Deliverer and Kanjigar the Courageous--and others--used their different attributes to be the best they could be . . . And how he can try to do the same. Writer Richard Ashley Hamilton (How to Train Your Dragon: The Serpent's Heir) expands on the world of the Trollhunters along with Timothy Green II (Avengers Academy), Joe Silver (Animal Man), Omar Lozano (Ultra Duck), Wes Dzioba (Serenity), and Edgar Delgado (Ultra Duck)!

**Elf Killers** Tom Phipps, Carol Phipps, 2019-05-04 Not for the fainthearted! Kids die horribly, and amid the trolls jockeying for leadership is trial by head bashing. For the Elves, it's the very worst time to be in the woods. Trolls are hunting them down. Will they live long enough to reach a safe place to live? Elf Killers is a fast-moving Fantasy Adventure with a ton of heart and boundless imagination. Oisin's plan is to come with his bow to help Aedan and Doona lead a party of children into the forest to gather the maidenhair seedlings his people would take across the sea as they flee the trolls who hunt them as prey. Maybe he can be back in time for supper. And if he only dares to dream, he might also be back in time to speak with Doona alone. Dyr's plan is an early evening head smash for the foolish Elves who think they can steal away to the sands of the endless eye sting water and build their strange float huts. They will make a glorious feast. But on the way, Dyr's brutes stumble across Oisin's gathering party and attack, leaving Aedan mortally wounded and scattering Doona and the children to flee in terror into the dark mountain woods, only to be run down and captured by the bloodthirsty trolls. Can Oisin find the bonfires of the trolls and rescue them before it's too late? And what then? Will any of them live long enough to reach safety? Elf Killers is about death ... and life. Seriously imaginative (especially troll-speak!) and gritty in action and battle, this is worth a read ... but be prepared! Oh, be prepared. I dare you to grab a copy! *The Western Canon* Harold Bloom, 2014-06-17 The literary critic defends the importance of Western literature from Chaucer and Shakespeare to Kafka and Beckett in this acclaimed national bestseller. NOMINATED FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD Harold Bloom's *The Western Canon* is more than a required reading list—it is a “heroically brave, formidably learned” defense of the great works of literature that comprise the traditional

Western Canon. Infused with a love of learning, compelling in its arguments for a unifying written culture, it argues brilliantly against the politicization of literature and presents a guide to the essential writers of the western literary tradition (The New York Times Book Review). Placing William Shakespeare at the "center of the canon," Bloom examines the literary contributions of Dante Alighieri, John Milton, Jane Austen, Emily Dickinson, Leo Tolstoy, Sigmund Freud, James Joyce, Pablo Neruda, and many others. Bloom's book, much-discussed and praised in publications as diverse as The Economist and Entertainment Weekly, offers a dazzling display of erudition and passion. "An impressive work...deeply, rightly passionate about the great books of the past."—Michel Dirda, The Washington Post Book World

*Eyes of the Insane* Eric Vik, 2011-09 8 Friends get together to go on an expedition in the mountains of Norway to learn more about the habits of the Scandinavian wolves. One of them comes across a map with some frightening notes written on it. The notes indicate that there are trolls in that mountain area and they are far from how they are described in Norwegian fairytales. The notes describe them as blood thirsty predators. The friends start disappearing one after the other and they soon find out that they are being hunted. The sole survivor of the Expedition is locked away in a psychiatric ward because the authorities think he is the murderer but they don't have any evidence to get him convicted and put in jail. He tells his tale and soon reveals that he has done much more than the police would be interested in. He is Europe's most wanted criminal but no one knows who he is until his confession was published by a student that he convinces to help him. The reason for his confession turns out to be his broken heart. Broken because one of his victims was his girlfriend that he killed unintentionally. After confessing to many unsolved murders and murders that the police didn't even know occurred he goes back and tells the true story of what happened to the 8 friends on their expedition.
