Turtle, Turtle, Watch Out! April Pulley Sayre, 2013-06-04 From before the time she hatches until she returns to the same beach to lay eggs of her own, a sea turtle is helped to escape from danger many times by different human hands.

Chicken Boy Gregory G. Allen, 2012-04-01 I have a superhero inside my head. I call him Chicken Boy proclaims our hero. What others may see as odd quirks, a child living with autism explains as all a part of his being a superhero. Told in the first person perspective, Chicken Boy offers a small glimpse into the mind of one child who wants others to understand they shouldn't fear someone simply because that person is a little different.

**Love Pact with the Hero** Liwen y Ho, 2020-10-08 Two best friends. One little girl's prayers. And a love pact that may be the answer to all of their Christmas wishes. Haven Alexander used to believe in happy ever afters-before she lost her husband and became a single mom. These days, she keeps herself busy as the event planner at Freedom Ridge Lodge, helping to make other couples' dreams come true. Her other job? Humoring Miah, her spunky three-year-old daughter, who has a dream of her own: finding herself a daddy. This task proves challenging, though, when Miah sets her sights on Haven's childhood friend who comes home for a visit. Jeremiah Gilbert left Freedom a dozen years ago with a bad reputation and an even worse regret: not confessing his love for his best friend, Haven. He has returned, however,

older and wiser, and ready to rekindle their friendship-and more. There's a promise on the line, one they made in high school, that he longs to fulfill. Winning over her daughter, Miah, is easy, but helping to heal Haven's broken heart proves to be nearly impossible. When Miah gets into a dangerous situation, these old friends must put the past behind them and find new ways to trust in each other and in the One able to meet their deepest needs. Return to Freedom, Colorado and enjoy the faith, friendships, and forever-afters of the Heroes of Freedom Ridge in this Christian Christmas Romance. Love Pact with the Hero is book 2 in the Heroes of Freedom Ridge series, but each of the books can be read on their own.

**Toxic Loopholes** Craig Collins, 2010-03-08 The EPA was established to enforce the environmental laws Congress enacted during the 1970s. Yet today lethal toxins still permeate our environment, causing widespread illness and even death. Toxic Loopholes investigates these laws, and the agency charged with their enforcement, to explain why they have failed to arrest the nation's rising environmental crime wave and clean up the country's land, air and water. This book illustrates how weak laws, legal loopholes and regulatory negligence harm everyday people struggling to clean up their communities. It demonstrates that our current system of environmental protection pacifies the public with a false sense of security, dampens environmental activism, and erects legal barricades and bureaucratic barriers to shield powerful polluters from the wrath of their victims. After examining the corrosive

economic and political forces undermining environmental law making and enforcement, the final chapters assess the potential for real improvement and the possibility of building cooperative international agreements to confront the rising tide of ecological perils threatening the entire planet.

**The Spy Meeting** Jill Eggleton, 2002-02-01

**The Mistletoe Contract** Jennifer Chastain, 2020-11-06 Confirmed bachelor Nathan Rutledge shut his heart to romance when he was forced to break the heart of the only woman he ever truly loved. Now, with his father's retirement from the family conglomerate, the torch has been passed to him. But there are two problems-first, he needs a wife in order to take over the family business. Second, someone has been embezzling company funds. With the pressure mounting, and time expiring to find both a wife he can trust and the thief, Nate needs a Christmas miracle. Forensic Accountant, Meredith Mitchell's life is in a shambles. Her mother needs a lifesaving transplant, Mom's medical bills have bankrupted Meredith's meager savings, and she's sold everything of value, but it's still not enough. To make matters worse, she's now tasked with discovering accounting errors for a new client-none other than Nathan Rutledge-the same man who gave her a broken heart for Christmas eight years ago. Meredith wants to run. Nate wants the chance to right his wrongs. So, naturally, when he proposes a modern-day marriage of convenience, she balks at the idea. But he desperately needs a wife, and she really needs the money he offers. Is this the answer to her prayers? Or will this mutually

beneficial arrangement re-open old wounds that can't be healed?
