*Queering Sexualities in Turkey* Cenk Özbay, 2017-05-25 Despite its some of its more liberal and democratic characteristics - when compared to many other countries in the Middle East - the more conservative elements within Turkish politics and society have made gains over the past decades. As a result, like many others in the region, Turkish society has multiple standards when naming, evaluating and reacting to men who have sex with men. Cenk Ozbay argues that overall, self-identified gay men (as well as men who practice clandestine same-sex acts) are most of the time marginalised, ostracised and rendered 'immoral' in both everyday practices and social institutions. He offers in this book an analysis of the concept of masculinity as central to redefining boundaries of class, gender and sexuality, particularly looking at the dynamics between self-identified gay men and straight-acting male prostitutes, or 'rent boys'. A result of in-depth interviews with both self-identified gay men and rent boys, Ozbay explores the changing discourses and meaning of class, gender and queer sexualities, and how these

three are embedded within urban and familial narratives.

*Twerk* Isobel Blackthorn, 2023-03-23 Desire, a spark, and a decision made too fast. A Las Vegas stripper is plunged into the depraved world of a psychopath. But is she the only target of his twisted desires? A regular Sunday night in a Las Vegas strip club is rocked when a local oddball dies mysteriously during a private dance. Amber falls immediately in lust with the hot paramedic who arrives, and follows him outside. But her casual encounter quickly descends into a terrifying, twisted nightmare from which she is unable to escape. Five days later, it's Lana's next shift at the club. She's a fly-in-fly-out dancer paying her way through law school – and she's Amber's best friend. But where is Amber, and what about the dead client? Was it an accident, suicide, or murder? Finding neither the police nor the club are taking much interest, Lana conducts her own inquiries. Thrust into a web of lies and deceptions she is determined to unravel, she's desperate to uncover the truth about the death, but the person she most needs to speak to is Amber. An addictively dark, psychological thriller, Isobel Blackthorn's 'Twerk' exposes the working lives of strippers beyond the glamor - the challenges, the rewards, and the risks.

**Fragments of Culture** Deniz Kandiyoti, Ayşe Saktanber, 2002 Writing from within the cultural landscape of modern Turkey, this book presents a writing on the everyday, providing a corrective to the often skewed perceptions of Turkish culture engendered by conventional western critiques. It focuses on the diversity of contemporary Turkish life.

**New Desires, New Selves** Gul Ozyegin, 2015-08-21 As Turkey pushes for its place in the global pecking order and embraces neoliberal capitalism, the nation has seen a period of unprecedented shifts in political, religious, and gender and sexual identities for its citizens. In *New Desires, New Selves*, Gul Ozyegin shows how this social transformation in Turkey is felt most strongly among its young people, eager to surrender to the

seduction of sexual modernity, but also longing to remain attached to traditional social relations, identities and histories. Engaging a wide array of upwardly-mobile young adults at a major Turkish university, Ozyegin links the biographies of individuals with the biography of a nation, revealing their creation of conflicted identities in a country which has existed uneasily between West and East, modern and traditional, and secular and Islamic. For these young people, sexuality, gender expression, and intimate relationships in particular serve as key sites for reproducing and challenging patriarchy and paternalism that was hallmark of earlier generations. As Ozyegin evocatively shows, the quest for sexual freedom and an escape from patriarchal constructions of selfless femininity and protective masculinity promise both personal transformations and profound sexual guilt and anxiety. A poignant and original study, *New Desires, New Selves* presents a snapshot of cultural change on the eve of rapid globalization in the Muslim world.

**Dances of Anatolian Turkey** Metin And,1959

**Tango and the Dancing Body in Istanbul** Melin Levent Yuna,2023-05 Tango and the Dancing Body in Istanbul explores the expansion of social Argentine tango dancing among Muslim actors in Turkey, pioneered in Istanbul despite the conservative rule of the Justice and Development Party (JDP) and Tayyip Erdoğan. In this book, Melin Levent Yuna questions why a dance that appears to publicly represent an erotic relationship finds space to expand and increase dramatically in the number of contemporary Turkish Muslim tango dancers, particularly during a conservative rule. Even during the 2020 Covid-19 pandemic, tango dance classes, gatherings, and messages flourished on YouTube, Facebook, Instagram, and Zoom. Urban Turkey and its tango dance performances provide one symbol and example of how neoliberal capitalism could go hand in hand with conservatism by becoming a bridge between Europe and the Middle East. This study largely focuses on the dancers' perspective while presenting the policies of Erdoğan. It presents the social characteristics of the tango dancers, the meanings they attach to their bodies and their dance as well as what this dance reflects about them - besides the policies of the Justice and Development Party. The book approaches the tango dance and its dancing body in terms of layers of meaning systems in a neoliberal and conservative context. This study will be of great interest to students and scholars in dance, anthropology, cultural studies, and performance studies.
