Twitter Touch

Robert Samuels,Toluse Olorunnipa

Far From You Tess Sharpe,2014-04-08 Don’t miss Tess Sharpe’s new novel, 6 Times We Almost Kissed (and One Time We Did). The truth won't let her go. Sophie Winters nearly died. Twice. The first time, she's fourteen, and escapes a near-fatal car accident with scars, a bum leg, and an addiction to Oxy that'll take years to kick. The second time, she's seventeen, and it's no accident. Sophie and her best friend Mina are confronted by a masked man in the woods. Sophie survives, but Mina is not so lucky. When the cops deem Mina's murder a drug deal gone wrong, casting partial blame on Sophie, no one will believe the truth: Sophie has been clean for months, and it was Mina who led her into the woods that night for a meeting shrouded in mystery. After a forced stint in rehab, Sophie returns home to a chilly new reality. Mina's brother won't speak to her, her parents fear she'll relapse, old friends have become enemies, and Sophie has to learn how to live without her other half. To make matters worse, no one is looking in the right places and Sophie must search for Mina's murderer on her own. But with every step, Sophie comes closer to revealing all: about herself, about Mina---and about the secret they shared.

The Dead Romantics Ashley Poston,2022-06-28 A New York Times Notable Book of 2022! The New York Times Bestseller and Good Morning America Book Club Pick! I LOVED this book! ...Funny, breathtaking, hopeful, and dreamy.”—Ali Hazelwood, New York Times bestselling author of The Love Hypothesis A disillusioned millennial ghostwriter who, quite literally, has some ghosts of her own, has to find her way back home in this sparkling adult debut from national bestselling author Ashley Poston. Florence Day is the ghostwriter for one of the most prolific romance authors in the industry, and she has a problem—after a terrible breakup, she no longer believes in love. It’s as good as dead. When her new editor, a too-handsome mountain of a man, won't give her an extension on her book deadline, Florence prepares to kiss her career goodbye. But then she gets a phone call she never wanted to receive, and she must return home for the first time in a decade to help her family bury her beloved father. For ten years, she's run from the town that never understood her, and even though she misses the sound of a warm Southern night and her eccentric, loving family and their funeral parlor, she can’t bring herself to stay. Even with her father gone, it feels like nothing in this town has changed. And she hates it. Until she finds a ghost standing at the funeral parlor’s front door, just as broad and infuriatingly handsome as ever, and he’s just as confused about why he’s there as she is. Romance is most certainly dead . . . but so is her new editor, and his unfinished business will have her second-guessing everything she’s ever known about love stories. One of the Summer's Hottest Reads—Entertainment Weekly

Think Again Adam Grant,2023-12-26 #1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I’ve never felt so hopeful about what I don’t know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The #1 New York Times bestselling author of Hidden Potential, Originals, and Give and Take examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

The Great Post Office Scandal Nick Wallis,2021-11-18 The Great Post Office Scandal is the extraordinary story behind the recent ITV drama series Mr Bates vs The Post Office. This gripping page-turner recounts how thousands of subpostmasters were accused of theft and false accounting on the back of evidence from Horizon, the flawed computer system designed by Fujitsu, and how a group of them, led by Alan Bates, took their fight to the High Court. Their eventual victory in court vindicated their claims about the defects of the software and exposed the heavy handed attempts by the Post Office to suppress them. The book also chronicles how successive senior managers, business leaders, lawyers, civil servants and Government ministers, at best failed to expose the injustice or, even worse, sought to cover it up, resulting in one of the largest miscarriages of justice in UK history. The author, Nick Wallis, is a journalist and broadcaster who has been reporting on the scandal for over ten years and who acted as script consultant on Mr Bates vs The Post Office, the ITV drama that brought the affair into the national consciousness. As the public inquiry reaches its climax, and senior figures such as Paula Vennells come to be questioned, The Great Post Office Scandal reveals the full scale of what happened and will leave you enraged at how so many of our trusted institutions allowed the saga to go on for nearly a quarter of a century, shattering the lives of thousands of innocent people.

Twitter For Dummies Laura Fitton,Anum Hussain,Brittany Leaning,2014-12-05 A fully updated new edition of the fun and easy guide to getting up and running on Twitter With more than half a billion registered users, Twitter continues to grow by leaps and bounds. Discover great apps to help you: Get work done Connect with friends Play games Juggle documents Explore what’s nearby Get in shape Travel the world Find new music Dine out Manage your money ...and much more!

Twitter and Tear Gas Zeynep Tufekci,2017-05-16 A firsthand account and incisive analysis of modern protest, revealing internet-fueled social movements’ greatest strengths and frequent challenges To understand a thwarted Turkish coup, an anti–Wall Street encampment, and a packed Tahrir Square, we must first comprehend the power and the weaknesses of using new technologies to mobilize large numbers of people. An incisive

observer, writer, and participant in today's social movements, Zeynep Tufekci explains in this accessible and compelling book the nuanced trajectories of modern protests—how they form, how they operate differently from past protests, and why they have difficulty persisting in their long-term quests for change. Tufekci speaks from direct experience, combining on-the-ground interviews with insightful analysis. She describes how the internet helped the Zapatista uprisings in Mexico, the necessity of remote Twitter users to organize medical supplies during Arab Spring, the refusal to use bullhorns in the Occupy Movement that started in New York, and the empowering effect of tear gas in Istanbul's Gezi Park. These details from life inside social movements complete a moving investigation of authority, technology, and culture—and offer essential insights into the future of governance.

His Name Is George Floyd (Pulitzer Prize Winner) Robert Samuels,Toluse Olorunnipa,2024-05-07 WINNER OF THE 2023 PULITZER PRIZE IN NONFICTION WINNER OF THE DAYTON LITERARY PEACE PRIZE FINALIST FOR THE NATIONAL BOOK AWARD AND LOS ANGELES TIMES BOOK PRIZE; FINALIST FOR THE J. ANTHONY LUKAS PRIZE; A BCALA 2023 HONOR NONFICTION AWARD WINNER. A landmark biography by two prizewinning Washington Post reporters that reveals how systemic racism shaped George Floyd's life and legacy—from his family's roots in the tobacco fields of North Carolina, to ongoing inequality in housing, education, health care, criminal justice, and policing—telling the story of how one man's tragic experience brought about a global movement for change. "It is a testament to the power of His Name Is George Floyd that the book's most vital moments come not after Floyd's death, but in its intimate, unvarnished and scrupulous account of his life . . . Impressive." —New York Times Book Review (Editors' Choice) "Since we know George Floyd's death with tragic clarity, we must know Floyd's America—and life—with tragic clarity. Essential for our times." —Ibram X. Kendi, author of How to Be an Antiracist "A much-needed portrait of the life, times, and martyrdom of George Floyd, a chronicle of the racial awakening sparked by his brutal and untimely death, and an essential work of history I hope everyone will read." —Henry Louis Gates, Jr., author of The Black Church: This Is Our Story, This Is Our Song The events of that day are now tragically familiar: on May 25, 2020, George Floyd became the latest Black person to die at the hands of the police, murdered outside of a Minneapolis convenience store by white officer Derek Chauvin. The video recording of his death set off the largest protest movement in the history of the United States, awakening millions to the pervasiveness of racial injustice. But long before his face was painted onto countless murals and his name became synonymous with civil rights, Floyd was a father, partner, athlete, and friend who constantly strove for a better life. His Name Is George Floyd tells the story of a beloved figure from Houston's housing projects as he faced the stifling systemic pressures that come with being a Black man in America. Placing his narrative within the context of the country's enduring legacy of institutional racism, this deeply reported account examines Floyd's family roots in slavery and sharecropping, the segregation of his schools, the overpolicing of his community amid a wave of mass incarceration, and the callous disregard toward his struggle with addiction—putting today's inequality into uniquely human terms. Drawing upon hundreds of interviews with Floyd's closest friends and family, his elementary school teachers and varsity coaches, civil rights icons, and those in the highest seats of political power, Washington Post reporters Robert Samuels and Toluse Olorunnipa offer a poignant and moving exploration of George Floyd's America, revealing how a man who simply wanted to breathe ended up touching the world.

Design Mom Gabrielle Stanley Blair,2015-04-07 New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

Big Veg Gerald Stratford,2021-09-02 Learn how to grow big veg with Gerald Stratford, the gardening grandad loved by over a quarter of a million fans on Twitter. I am very grateful for all the interest my wonderful friends and followers have taken in my gardening. Now, I hope this book gives you the motivation you need to get out in the garden. Cheers! - GERALD Gerald's book is packed with decades of gardening know-how and fully illustrated with photos from his Cotswolds garden. It includes a helpful month-by-month guide to sowing, planting and harvesting veg, as well as tips on how to grow Gerald's speciality: really big veg. Full of encouragement and Gerald's infectious enthusiasm, Big Veg makes an ideal companion for anyone keen to grow-your-own.

The Manipulators Peter J. Hasson,2020-02-04 The dawn of the digital age was supposed to be a new era, when everybody would have a voice and battle it out in the marketplace of ideas—intellectual democracy at the touch of a keyboard. Social media offered a way for conservatives to outflank the leftist groupthink that dominated academia, the media, and the political establishment. But, as investigative reporter Peter J. Hasson shows in his explosive new book, The Manipulators, that's no longer the case. Instead, Big Tech companies have become enforcers of intellectual conformity: promoting leftist ideas, punishing dissent, and dictating politically correct opinions. Big Tech's grip on the levers of information seems unbreakable. Hasson, working with sources deep inside the tech giants, presents a chilling account of companies that relish their coercive power—and aren't shy about using it. In The Manipulators, you'll learn: • How tech companies skew search results and fact-checks in favor of left-wing ideas and liberal news sources • How Google employees organize anti-Trump Resistance on company time and with company resources • How Facebook gives special privileges to liberal publications • How Big Tech employees collude with liberal journalists and left-wing activists to dictate who can—and can't—have a voice online • How Twitter, which once touted itself as the free speech wing of the free speech party, reinvented itself as a liberal news company • How pro-abortion extremists work with Big Tech to shut down pro-life speech online Big Tech has become the greatest threat to free speech and free thought in America. But Big Tech is not invincible. It is still vulnerable to conservative and consumer pressure—though not for long, if Democrats have their way. Peter Hasson provides a frightening look at the concentrated power of Big Tech, its extraordinary intellectual intolerance, and its determination to silence competing voices and even dictate our thoughts. The Manipulators is a warning about rampant political censorship that will only get worse unless Big Tech meets big opposition.

Beginning iOS Apps with Facebook and Twitter APIs Chris Dannen,Christopher White,2011-10-08 Beginning iOS Apps with Facebook and Twitter APIs shows you how to add the power of social networking to your mobile apps on iPhone, iPad, and iPod touch. With this book as your guide, you can write apps that connect to Facebook and Twitter quickly, securely, and discreetly. Instead of starting from scratch, you will build on the vast resources, data storage capacity, and familiar features of these platforms which have become part of everyday life for hundreds of millions of users worldwide. Beginning iOS Apps with Facebook and Twitter APIs introduces you to the development tools, techniques, and design practices you will need to work with the APIs. It helps you decide whether to use Facebook, Twitter, or both, and explains the important issues of design, branding, and permissible use guidelines. You will learn how to guarantee privacy and use OAuth for authentication and single sign-on. Create news apps, shopping apps, contact apps, GPS apps, guides, and more, that let users transparently: Sign on once, then freely work with and manage their Facebook and Twitter accounts Publish game high scores, post likes, links, and status updates Send messages, share pictures, and forward Tweets Tweet a link to an event, show themselves as attending, and see who else is there Show Tweets that are relevant to a topic within a news app Show Tweets about a restaurant Organize a group or community From time to time, new forms of communication come along that make it easier for people to communicate and manage their social lives. Like phone calls and SMS before them, Facebook and Twitter have, in a short time, become essential parts of the social fabric of life for an ever-growing number of people throughout the world. The knowledge you'll gain from Beginning iOS Apps with Facebook and Twitter APIs will help you create exciting and popular iOS apps that your users will rely on every day to help make their lives more meaningful and connected.

Good Bones Maggie Smith,2020-07-15 Featuring "Good Bones"—called "Official Poem of 2016" by the BBC/Public Radio International. Maggie Smith writes out of the experience of motherhood, inspired by watching her own children read the world like a book they've just opened, knowing nothing of the characters or plot. These are poems that stare down darkness while cultivating and sustaining possibility, poems that have a sense of moral gravitas, personal urgency, and the ability to address a larger world. Maggie Smith's previous books are The Well Speaks of Its Own Poison (Tupelo, 2015), Lamp of the Body (Red Hen, 2005), and three prize-

winning chapbooks: Disasterology (Dream Horse, 2016), The List of Dangers (Kent State, 2010), and Nesting Dolls (Pudding House, 2005). Her poem “Good Bones” has gone viral—tweeted and translated across the world, featured on the TV drama Madam Secretary, and called the “Official Poem of 2016” by the BBC/Public Radio International, earning news coverage in the New York Times, Washington Post, Slate, the Guardian, and beyond. Maggie Smith was named the 2016 Ohio Poet of the Year. “Smith's voice is clear and unmistakable as she unravels the universe, pulls at a loose thread and lets the whole thing tumble around us, sometimes beautiful, sometimes achingly hard. Truthful, tender, and unafraid of the dark....”—Ada Limón “As if lost in the soft, bewitching world of fairy tale, Maggie Smith conceives and brings forth this metaphysical Baedeker, a guidebook for mother and child to lead each other into a hopeful present. Smith's poems affirm the virtues of humanity: compassion, empathy, and the ability to comfort one another when darkness falls. 'There is a light,' she tells us, 'and the light is good.'”—D. A. Powell “Good Bones is an extraordinary book. Maggie Smith demonstrates what happens when an abundance of heart and intelligence meets the hands of a master craftsperson, reminding us again that the world, for a true poet, is blessedly inexhaustible.”—Erin Belieu

In Plain Sight: an Investigation Into UFOs and Impossible Science Ross Coulthart,2023-05-03 An award-winning journalist investigates a story largely ignored by mainstream media but right there, in front of our eyes ... UFOs, UAPs, flying cigars, extraordinary new technologies ... Are we not alone? Award-winning investigative journalist Ross Coulthart has been intrigued by UFOs since mysterious glowing lights were reported near New Zealand's Kaikoura mountains when he was a teenager. The 1978 sighting is just one of thousands since the 1940s, and yet research into UFOs is still seen as the realm of crackpots and conspiracy theorists. In 2020, however, after decades of denial, the US Department of Defence made the astonishing admission that strange aerial and underwater objects frequently reported and videoed by pilots and tracked by sensors are real, unexplained, and pose a genuine national security concern. Compelled to investigate, Coulthart has embarked on what's become the most confronting and challenging story of his career, speaking to witnesses, researchers, scientists, spies and defence and intelligence officials and insiders. What he has found suggests that the world is on the cusp of extraordinary technological breakthroughs and cultural revelations. Bizarre, sometimes mind-blowing and utterly fascinating, In Plain Sight tells a story that's largely escaped the radar of mainstream media coverage but has been there all along. Now it's time to observe what's in front of our eyes.

A Different Stage Gary Barlow,2022-09-01 THE SUNDAY TIMES BESTSELLER Join national treasure Gary Barlow as he opens the curtains on his remarkable life in this stunning autobiography, from his fascinating early life to his star-studded music career 'Warm, wise . . . A never-before-seen insight into one of Britain's greatest songwriters' Woman's Own 'I just wanted to share my personal journey through the last five decades - the highs and lows, the ups and downs. So in A Different Stage, this is me opening the curtains and sharing moments nobody has heard or seen before . . .' _____ In this warm, intimate and humorous book, rich with nostalgia and unexpected intimate detail, Gary Barlow unpacks the people, music, places, things and cultural phenomena that have made him the man that he is. From the working men's club where it all began through to the sold out stadium tours, this is the story of Gary's life told through music. Filled with a mixture of brand new photography from Gary's current one-man show and incredibly personal unseen photos and notebooks, A Different Stage is a beautiful book about the man we've spent our lives listening to. _____ 'Refreshingly honest . . . Think you know everything there is to know about the Take That megastar? Think again' Woman & Home

The Mothers Brit Bennett,2016 It is the last season of high school life for Nadia Turner, a rebellious, grief-stricken beauty. Mourning her mother's recent suicide, she takes up with the local pastor's son. Luke Sheppard is twenty-one, a former football star whose injury has reduced him to waiting tables at a diner. It's not serious-- until the pregnancy. As years move by, Nadia, Luke, and her friend Aubrey are living in debt to the choices they made that one seaside summer, caught in a love triangle they must carefully maneuver, and dogged by the constant, nagging question: What if they had chosen differently?

Facebook, Twitter, & Instagram For Seniors For Dummies Marsha Collier,2018-11-28 Enjoy the top social media sites with ease and security Done correctly, social media is a way to connect friends, family, and the world while still maintaining security and privacy. Plus, you'll learn about the new features of iOS 5 and how to access hundreds of thousands of apps that help you do even more with your iPod touch.

Among the Beasts & Briars Ashley Poston,2020-10-20 Ashley Poston, acclaimed author of Heart of Iron, returns with a dark, lush fairy tale–inspired fantasy for fans of Sara Raasch and Susan Dennard. Cerys is safe in the Kingdom of Aloriya. Here there are no droughts, disease, or famine, and peace is everlasting. It has been this way for hundreds of years, since the first king made a bargain with the Lady who ruled the forest that borders the kingdom. But as Aloriya prospered, the woods grew dark, cursed, and forbidden. Cerys knows this all too well: When she was young, she barely escaped as the woods killed her friends and her mother. Now Cerys carries a small bit of the curse—the magic—in her blood, a reminder of the day she lost everything. As a new queen is crowned, however, things long hidden in the woods descend on the kingdom itself. Cerys is forced on the run, her only companions a small and irritating fox from the royal garden and the magic in her veins. It’s up to her to find the legendary Lady of the Wilds and beg for a way to save her home. But the road is darker and more dangerous than she knows, and as secrets from the past are uncovered amid the teeth and roots of the forest, it’s going to take everything she has just to survive.
