Say What? Doreen Chila-Jones, 2017-10-03 Say What? is a compilation of 670 of the most memorable things that should never have been said. You'll find, of course, quotes from dictators, drug lords, and murderers, but much more shocking are the entries by Nobel Prize winners, religious leaders, and beloved icons. Doreen Chila-Jones has collected hundreds of extraordinary quotes, and everyone is fair game—even Mother Teresa: "I think it is very beautiful for the poor to accept their lot, to share it with the passion of the Christ. I think the world is being much helped by the suffering of the poor people." Say what?

On the Come Up Angie Thomas, 2019-02-05 #1 New York Times bestseller · Seven starred reviews · Boston Globe-Horn Book Award Honor Book "For all the struggle in this book, Thomas rarely misses a step as a writer. Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri."—The New York Times Book Review This digital edition contains a letter from the author, deleted scenes, a picture of the author as a teen rapper, an annotated playlist, Angie's top 5 MCs, an annotated rap, illustrated quotes from the book, and an excerpt from Concrete Rose, Angie's return to Garden Heights. Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri's got massive shoes to fill. But it's hard to get your come up when you're labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. But with an eviction notice staring her family down, Bri doesn't just want to make it—she has to. Even if it means becoming the very thing the public has made her out to be. Insightful, unflinching, and full of heart, *On the Come Up* is an ode to hip hop from one of the most influential literary voices of a generation. It is the story of fighting for your dreams, even as the odds are stacked against you; and about how, especially for young black people, freedom of speech isn't always free. Don't miss *Concrete Rose*, Angie Thomas's powerful prequel to her phenomenal bestseller, *The Hate U Give*!

I loved it." —Elizabeth Gilbert, New York Times bestselling author of *Eat, Pray, Love* and *City of Girls* The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and tried it all. We Are Never Meeting in Real Life. Samantha Irby, 2017-05-30 NEW YORK TIMES BESTSELLER • This essay collection from the "bitches gotta eat" blogger, writer on Hulu's *Shrill*, and "one of our country's most fierce and foulmouthed authors" (Amber Tamblyn, *Vulture*) is sure to make you alternately cackle with glee and cry real tears. Whether Samantha Irby is talking about how her difficult childhood has led to a problem in making "adult" budgets; explaining why she should be the new Bachelorette (she's 35-ish, but could easily pass for 60-something); detailing a disastrous pilgrimage-slash-romantic-vacation to Nashville to scatter her estranged father's ashes; sharing awkward sexual encounters; or dispensing advice on how to navigate friendships with former drinking buddies who are now suburban moms (hang in there for the Costco loot!); she's as deft at poking fun at the ghosts of her past self as she is at capturing powerful emotional truths.

Meaty Samantha Irby, 2013-09-13 The smart, edgy, hilarious, and unabashedly raunchy New York Times bestselling author explodes onto the printed page in her uproarious first collection of essays. Whether she's writing about her latest inflammatory bowel disease attack or documenting a sexual escapade gone awry (sometimes simultaneously), you'll most likely be able to relate to Irby's tell-all book. Her raw honesty and scathing sense of humor will make you laugh out loud. —JET Irby

laughs her way through tragicomic mishaps, neuroses, and taboos as she struggles through adulthood: chin hairs, depression, bad sex, failed relationships, masturbation, taco feasts, inflammatory bowel disease and more. Charlie Sheen: A Biography Tom Tonthat, 2012-07-30 ABOUT THE BOOK It was a cool April 30th night in 2011. I was sitting in the audience of the San Francisco Masonic Auditorium waiting for the guest speaker to make his appearance. My peers thought he was a crazy man ranting nonsensically for hours. He was a troll feeding off the attention we give him whether we agree or disagree with his postings on Twitter or with the bizarre statements he makes in interviews. His earlier speaking engagements were not well received so I was rather shocked that I found myself shelling \$60 on what I expected to be a mediocre show. I could have just bought a "Winning, Duh?" T-shirt online instead and saved myself some money while living through this phase of celebrity American pop culture. Finally, the man took the stage. His name was Charlie Sheen and he was recently fired from his lovely acting job in *Two and a Half Men*. He looked haggard and seemed to be fueled on coffee and vodka. If it weren't for his pre-existing celebrity status, I would have mistaken him for a casual guest lecturer from my university. But Charlie Sheen knew how to win over his audience from the start. He wore a San Francisco Giants jersey in San Francisco while speaking to a San Francisco audience. He announced that proceeds from merchandise sales would help the beaten Giants fan Bryan Stow. The gesture alone was enough to let the man speak his mind with a limited amount of heckling. As it turned out, there really wasn't much in his mind that hasn't already been said online or in interviews. He talked about his love of baseball and how he would like to do a third Major League movie and would want to include Giants pitcher Brian Wilson. I knew that while Charlie did want to continue his baseball comedy franchise, the inclusion of Brian Wilson was purely to appeal to the audience. Had he been in Chicago, he would have said he would include the Cub's pitcher. He ranted about how horrible it was to work with Chuck Lorre on *Two and a Half Men* and how getting fired has liberated him. His one liners of "winning" and "Adonis DNA" and "tiger's blood" worked better as one liners. Spewing them from the hip gave them less of a comedic sting. But his amicable and over the top personality was enough to win me and the audience over. I could have spent the money and the night on something more meaningful. But that time listening to Charlie Sheen proved what a consummate showman he is as he takes cheers and jeers from the public. Charlie Sheen has been devoted to acting since he was a child. That shouldn't be a surprise considering that all of his siblings are actors and his father is a legendary actor. Charlie Sheen is a talented actor who won audiences over playing dramatic roles that explored human emotions and psychology. Then he got audiences to laugh at his comedic hijinks. Being able to make a person cry and laugh takes a truly talented actor. Charlie Sheen was focused on his acting... so much that he dropped out of high school because of the time he spent on it. With nothing to lose, he pursued his dream of becoming an actor and succeeded. How many people could honestly say that they were able to achieve their dream and let nothing get in the way of it? At the same time, Charlie Sheen has always been a troubled man. Since he was a teenager, he has had a thing for drugs, alcohol, women, and breaking the law. He's frequently been arrested, sent to rehab, and divorced. Yet he keeps coming back for more. And each time he comes back for more, he comes back to his vices in bigger ways. While it looks like a voyage of self-destruction, people can't help but envy the man for being able to do the things he wants to do no matter how bad it is for him, enjoy it, stay alive long enough to tell the story about, and find a way to keep on doing it.

Lambda Literary Award for Bisexual Nonfiction Award Winner • A rip-roaring, edgy and unabashedly raunchy new collection of hilarious essays from the New York Times bestselling author of *We Are Never Meeting in Real Life*. “Stay-up-all-night, miss-your-subway-stop, spit-out-your-beverage funny.” —Jia Tolentino, New York Times bestselling author of *Trick Mirror* Irby is forty, and increasingly uncomfortable in her own skin despite what Inspirational Instagram Infographics have promised her. She has left her job as a receptionist at a veterinary clinic, has published successful books and has been friendzoned by Hollywood, left Chicago, and moved into a house with a garden that requires repairs and know-how with her wife in a Blue town in the middle of a Red state where she now hosts book clubs and makes mason jar salads. This is the bourgeois life of a Hallmark Channel dream. She goes on bad dates with new friends, spends weeks in Los Angeles taking meetings with tv executives slash amateur astrologers while being a cheese fry-eating slightly damp Midwest person, with neck pain and no cartilage in [her] knees, who still hides past due bills under her pillow. The Book of (More) Delights Ross Gay, 2023-09-19 **Named a Best Book of the Year by The Boston Globe, Garden & Gun, Electric Literature, and St. Louis Public Radio** The New York Times bestselling author of *The Book of Delights* and *Inciting Joy* is back with exactly the book we need in these unsettling times. Margaret Roach of The New York Times says, “Yes, please. I'll have another dose of delight.” In Ross Gay's new collection of small, daily wonders, again written over the course of a year, one of America's most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the “nefarious” scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor's fig tree—and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share.

The Murder Mystique Laurie Nalepa, Richard Pfefferman, 2013-02-07 Although they account for only ten percent of all murders, those attributed to women seem especially likely to captivate the public. This absorbing book examines why that is true and how some women, literally, get away with murder. Combining compelling storytelling with insightful observations, the book invites readers to take a close look at ten high-profile killings committed by American women. The work exposes the forces that underlie the public's fascination with female killers and determine why these women so often become instant celebrities. Cases are paired by motive—love, money, revenge, self-defense, and psychopathology. Through them, the authors examine the appeal of women who commit murders and show how perceptions of their crimes are shaped. The book details both the crimes and the criminals as it explores how pop culture treats stereotypes of female murderers in film and print. True crime aficionados will be fascinated by the minute descriptions of what happened and why, while pop culture enthusiasts will appreciate the lens of societal norms through which these cases are examined.

Dispatches Michael Herr, 2011-11-30 The best book to have been written about the Vietnam War (The New York Times Book Review); an instant classic straight from the front lines. From its terrifying opening pages to its final eloquent words, *Dispatches* makes us see, in unforgettable and unflinching detail, the chaos and fervor of the war and the surreal insanity of life in that singular combat zone. Michael Herr's unsparing, unorthodox retellings of the day-to-day events in Vietnam take on the force of poetry, rendering clarity from one of the most incomprehensible and nightmarish events of our time. *Dispatches* is among the most blistering and compassionate accounts of war in our literature.

Quote Me the Book of All New Quotes Joseph Julius Bonkowski, Jr., 2009-07 Born 8-30-58 in Cleveland Ohio, graduated from Lincoln-West high school in 1977 (Honor Roll), and was on the chess and track team, and started working for the city of Cleveland water dept. in 1977 and retired in 2007. I write short stories, slogans, saying, philosophy, songs, and comedy, restore paintings and comic books, and I can invent almost anything technical. I jog and it seems like I don't age; do to mixing a Dr Jackal and Mr. Hide type concoction when I was 20 years old. My parents are Joseph and Dorothy Bonkowski. I wrote The secrets of mind reading revealed (Howell Press), and Casablanca 2 (Unpublished), the Theory of Relativity 2, which expands on Einstein's Theory of Relativity (Only 200 copies printed.) My future plans are to keep on writing, and start a career in comedy. I still have thousands of unpublished quotes and saying, and if this book sells well I will write a second book lord willing.
