The Hangman's Replacement Taona D. Chiveneko,2013-01-15 If you had to interview the candidates for a country's new hangman, what questions would you ask them? If your family was on the verge of starvation, and becoming a hangman was the only job available, would you apply? If you were hired, what would you do if the prisoners looked like your loved ones? If you knew that another good man was taking the job out of desperation, would you do anything to prevent him from getting it? What if that man's recruitment would somehow guarantee your own survival, would you encourage his candidacy? All these questions were asked of people who never thought they would find themselves in such a position, until they became mired in the chaos surrounding the hangman's replacement.

Best of the Hangman Giant Gwandanaland Comics,2019-04-22 NEW RELEASESWe have quite a few HANGMAN collections, including a 2-Volume COMPLETE, but we didn't have anything in B&W, so I decided to put one together in maximum page count.... and of course since I was already there, did a color version, too, even if no one will ever need that. But the chance to make a 590-Page Reader so someone can sit down with HANGMAN for hours for under \$23 - - well, couldn't pass that up!BEST OF THE HANGMAN GIANT - Gwandanaland Comics #2349590 Pages -- \$89.99 Color / \$22.99 B&WRobert Dickering vowed to dedicate his life to fighting crime and to exact vengeance on those who killed his brother, or would do the same to others. He became THE HANGMAN; his symbol was the noose and gallows, and he offered no quarter to those who would defy law and order. THE HANGMAN was a less-politically correct and socially-acceptable vigilante, and for that was very popular. Today, generations later, his stories are still among the most sophisticated and exciting Golden Age tales you can find! This giant book squeezes as many HANGMAN stories as we can into one volume. Since all the stories are great, we determined best based on the page quality of the scan from the original comic. This is an economical black & white version of our great collection! Hangman's Brae Colin Duncan,Norman Adams,2013-02-21 Hangman's Brae is a vividly written account of the blood-curdling crimes and brutal forms of punishment of north-east Scotland. The book explores the area's underworld and features the grave-robbers, jail-breakers, rioters and other lawbreakers whose crimes led them to premature deaths at the end of a rope or at the not so delicate hands of The Maiden, a gruesome decapitating device predating the French guillotine. The stories of the men who enforced the law and meted out sentences to the ne'er-do-wells who broke it can be just as interesting and memorable as those of the criminals and Norman Adams introduces the reader to some of them. Here you'll find some real characters such as the Aberdeenshire sheriff and criminal officer who always got his man - once spending two chilling nights chained to a brutal murderer and rapist. And it wasn't just hangings that these men had to perform - their grisly work also involved execution by beheading and drowning, often with some witch-burning for good measure. The many true-crime cases in this book shed new light on just how violent and bloody the north-east of Scotland's past was.

The Hangman's Secret Laura Joh Rowland,2019-01-08 From award-winning author Laura Joh Rowland, a story about the darkness that lurks within and the deadly secrets that beg to be revealed. Intrepid photographer Sarah Bain and her motley crew of friends are back to hunt criminals in the dark, seedy underbelly of Victorian London, but little do they know, the darkness may lurk closer than they first divined. Photographer Sarah Bain and her friends Lord Hugh Staunton and sometime street urchin Mick O'Reilly are private detectives with a new gig—photographing crime scenes for London’s Daily World newspaper. The Daily World is the latest business venture of their sole client, Sir Gerald Mariner, a fabulously wealthy and powerful banker. One cold, snowy January morning, Sarah, Hugh, and Mick are summoned to the goriest crime scene they’ve ever encountered. A pub owner named Harry Warbrick has been found hanged and decapitated amid evidence of foul play. His murder becomes a sensation because he was England’s top hangman and he’s met the same fate that he inflicted on hundreds of criminals. Sir Gerald announces that the Daily World—meaning Sarah and her friends—will investigate and solve Harry Warbrick’s murder before the police do. The contest pits Sarah against the man she loves, Police Constable Barrett. She and her friends discover a connection between Harry Warbrick’s murder and the most notorious criminal he ever executed—Amelia Carlisle, the “Baby-Butcher,” who murdered hundreds of infants placed in her care. Something happened at Amelia’s execution. The Official Secrets Act forbids the seven witnesses present to divulge any information about it. But Harry had a bad habit of leaking tips to the press. Sarah and her friends suspect that one of the other witnesses killed Harry to prevent him from revealing a secret related to the execution. What is the secret, and who hanged the hangman?
