United Methodist Doctrine Scott J. Jones,2010-09-01 Throughout this ebook, Scott J. Jones insists that for United Methodists the ultimate goal of doctrine is holiness. Importantly, he clarifies the nature and the specific claims of official United Methodist doctrine in a way that moves beyond the current tendency to assume the only alternatives are a rigid dogmatism or an unfettered theological pluralism. In classic Wesleyan form, Jones' driving concern is with recovering the vital role of forming believers in the mind of Christ, so that they might live more faithfully in their many settings in our world.

Jesus for President Shane Claiborne,Chris Haw,2019-07-30 Jesus for President is a radical manifesto to awaken the Christian political imagination, reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people set apart from this world. In what can be termed lyrical theology, Jesus for President poetically weaves together words and images to sing (rather than dictate) its message. It is a collaboration of Shane Claiborne's writing and stories, Chris Haw's reflections and research, and Chico Fajardo-Heflin's art and design. Drawing upon the work of biblical theologians, the lessons of church history, and the examples of modern-day saints and ordinary radicals, Jesus for President stirs the imagination of what the Church could look like if it placed its faith in Jesus instead of Caesar. A fresh look at Christianity and empire, Jesus for President transcends questions of Should I vote or not? and Which candidate? by thinking creatively about the fundamental issues of faith and allegiance. It's written for those who seek to follow Jesus, rediscover the spirit of the early church, and incarnate the kingdom of God.

Unleashing the Word Adam Hamilton,2011-12-01 Imagine announcing a new series of sermons and seeing worship attendance increase by 1,000 people on the first Sunday of the new series. Or consider a pastor developing sermon plans two to three years out. What kind of pastor sits in a bar with a notepad just looking for ideas for sermons? Or has as his aim to preach the best prepared, best researched sermons his congregation has ever heard? All of these and more explain part of the reason the United Methodist Church of the Resurrection has grown from four people to over 10,000 in just thirteen years. In Unleashing the Word, Adam Hamilton helps pastors and church leaders consider the purpose, planning, and execution of excellent preaching. He offers detailed descriptions of the sermon planning, writing and preaching process behind one of the fastest growing churches in the United States. He includes numerous personal anecdotes and enough sermon ideas to keep the average pastor busy for years. Finally, after you have read how sermons are planned and prepared at the Church of the Resurrection you can watch the included DVD which features four full-length sermons and other resources to help you apply what you've read in the book. If you only buy one book on preaching this year, this is the book you must buy
