State of the Union Joshua Beckman, Matthew Zapruder, 2008-09-01 A political anthology from the front lines of American poetics.

Date Night on Union Station E. M. Foner, 2014-05-03 Alien artificial intelligence has brought humanity onto a galactic tunnel network Finding a match for the top human diplomat on Union Station is another story... Kelly Frank is EarthCent's top diplomat on Union Station, but her job description has always been a bit vague. The pay is horrible and she's in hock up to her ears for her furniture, which is likely to end up in a corridor because she's behind on rent for her room. Sometimes she has to wonder if the career she has put ahead of her personal life for fifteen years is worth it. When Kelly receives a gift subscription to the dating service that's rumored to be powered by the same benevolent artificial intelligence that runs the huge station, she decides to swallow her pride and give it a shot. But as her dates go from bad to worse, she can only hope that the supposedly omniscient AI is planning a happy ending.

State of the Union Brad Thor, 2008-09-04 From the bestselling author of THE LIONS OF LUCERNE and PATH OF THE ASSASSIN comes another electrifying international thriller featuring all-American hero Scot Harvath, as he plunges into the frigid heart of the Russian tundra to save the fragile state of the union. On a cold January morning, the United States awakes to discover that an old enemy, one long believed dead and buried, has crawled out of its grave to lay siege to the world's only superpower. With the stunning discovery that enhanced Soviet-made suitcase nukes have been secreted in America's major cities, President Jack Rutledge gathers his National Security Council to weigh the feasibility of a first strike against the Russian Federation. There's only one problem. For over two

decades, the Russians have been funnelling international aid money into a top secret air defence system, which has just been brought on-line and which will render any conventional attack upon their country utterly ineffective. After exhausting all of his other options, and with Soviet sleeper agents preparing to detonate their deadly payloads across the United States, the president turns to the nation's final hope, ex-Navy SEAL and Secret Service Agent Scot Harvath. As high-voltage and timely as they come, *STATE OF THE UNION* is a frighteningly real, headline-ripping tale of espionage and intrigue that will keep readers guessing until the last tantalizing piece of the puzzle locks into place.

Yearbook on the African Union Volume 3 (2022) ,2023-11-20 This is the third edition of the Yearbook on the African Union (YBAU). The YBAU is first and foremost an academic project that provides an in-depth evaluation and analysis of the institution, its processes, and its engagements. Despite the increased agency in recent years of the African Union in general, and the AU Commission in particular, little is known – outside expert policy or niche academic circles – about the Union’s activities. This is the gap the Yearbook on the African Union wants to systematically address. It seeks to be a reference point for in-depth research, evidence-based policy-making and decision-making. Contributors are Festus Kofi Aubyn, Mandira Bagwande, Habibu Yaya Bappah, Bruce Byiers, Annie Barbara Hazviyemurwi Chikwanha, Dawit Yohannes Wondemagegnehu, Linnea Gelot, Cheryl Hendricks, Jens Herpolsheimer, Aïssatou Kanté, Tim Murithi, Edefe Ojomo, Thomas Tieku, Gino Vlavanou, Tim Zajontz.

The Three-Cornered War Megan Kate Nelson,2021-02-16 Finalist for the Pulitzer Prize in History A dramatic, riveting, and “fresh look at a region typically obscured in accounts of the Civil War. American history buffs will relish this entertaining and eye-opening portrait” (Publishers Weekly). Megan Kate Nelson “expands our understanding of how the Civil War affected Indigenous peoples and helped to shape the nation” (Library Journal, starred review), reframing the era as one of national conflict—involving not just the North and South, but also the West. Against the backdrop of this larger series of battles, Nelson introduces nine individuals: John R. Baylor, a Texas legislator who established the Confederate Territory of Arizona; Louisa Hawkins Canby, a Union Army wife who nursed Confederate soldiers back to health in Santa Fe; James Carleton, a professional soldier who engineered campaigns against Navajos and Apaches; Kit Carson, a famous frontiersman who led a regiment of volunteers against the Texans, Navajos, Kiowas, and Comanches; Juanita, a Navajo weaver who resisted Union campaigns against her people; Bill Davidson, a soldier who fought in all of the Confederacy’s major battles in New Mexico; Alonzo Ickis, an Iowa-born gold miner who fought on the side of the Union; John Clark, a friend of Abraham Lincoln’s who embraced the Republican vision for the West as New Mexico’s surveyor-general; and Mangas Coloradas, a revered Chiricahua Apache chief who worked to expand Apache territory in Arizona. As we learn how these nine charismatic individuals fought for self-determination and control of the region, we also see the importance of

individual actions in the midst of a larger military conflict. Based on letters and diaries, military records and oral histories, and photographs and maps from the time, "this history of invasions, battles, and forced migration shapes the United States to this day--and has never been told so well" (Pulitzer Prize-winning author T.J. Stiles).

Third State of the Union Address James Buchanan,2020-12-08 This address was given in 1859. Buchanan was the 15th President and it was a difficult time. Less than 3 years later the American civil war began. At his inauguration, there were 32 states in the union, but when he left office there were only 25. Much of his speech is devoted to these internal struggles.

American Civil War Commanders (3) Philip Katcher,2003-03-11 Osrpey's examination of the commanders of the American Civil War (1861-1865). When the War Between the States broke out in 1861, the US Army had only four line generals – and three of those were over 70 years of age and veterans of the Napoleonic period. About one in three of America's professional officers chose to serve the Confederacy, and the government's urgent need to find commanders for its vastly expanded army put stars on the shoulders of men of very varied backgrounds and talents. The trials of war would soon separate the born leaders from the over-promoted and the political opportunists. This second volume devoted to Union generals examines the careers and personalities of 25 commanders whose service was mainly, or at first, in the Western theater of war.

Gettysburg July 3 1863 James Arnold,Roberta Wiener,2000-11-25 'The enemy attacked me about 4pm this day, and, after one of the severest contests of the war, was repulsed at all points . I shall remain in my present position tomorrow, but am not prepared to say, until better advised of the condition of the army, whether my operations will be of an offensive or defensive character.' General Meade's July 2nd dispatch to General-in-Chief Halleck indicated the need to assess the Federal predicament- to this end he called a council of war. The thinking of his commanders was best expressed by General Slocum of XII Corps- 'Stay and fight it out.' As the meeting broke up, Meade turned to General John Gibbon whose division held the centre of the Federal line. 'If Lee attacks tomorrow,' he said 'it will be on your front . he has made attacks on both our flanks and failed, and if he concludes to try

again, it will be on our center.' His judgment was to be proved correct as the Confederates began to advance.
