The Club Ellery Lloyd, 2022-03-01 A REESE'S BOOK CLUB PICK INSTANT NEW YORK TIMES BESTSELLER "Are you ready for the roller coaster ride that is *The Club*? . . . A beautifully written, densely plotted murder mystery that takes place at a private club off the coast of England. Read about a luxurious, celeb-only island during a weekend of partying and ultimately murder." —Reese Witherspoon (Reese's Book Club March '22 Pick) From the author of *People Like Her* comes a smart and sinister murder mystery set in the secretive world of exclusive celebrity clubs. Everyone's Dying to Join . . . The Home Group is a glamorous collection of celebrity members' clubs dotted across the globe, where the rich and famous can party hard and then crash out in its five-star suites, far from the prying eyes of fans and the media. The most spectacular of all is Island Home—a closely-guarded, ultraluxurious resort, just off the English coast—and its three-day launch party is easily the most coveted A-list invite of the decade. But behind the scenes, tensions are at breaking point: the ambitious and expensive project has pushed the Home Group's CEO and his long-suffering team to their absolute limits. All of them have something to hide—and that's before the beautiful people with their own ugly secrets even set foot on the island. As tempers fray and behavior worsens, as things get more sinister by the hour and the body count piles up, some of Island Home's members will begin to wish they'd never made the guest list. Because at this club, if your name's on the list, you're not getting out.

This Might Hurt Stephanie Wrobel, 2022-02-22 From the national and USA TODAY bestselling author of *Darling Rose Gold* comes a dark, thrilling novel about two sisters—one trapped in the clutches of a cult, the other in a web of her own lies. Welcome to Wisewood. We'll keep your secrets if you keep ours. Natalie Collins hasn't heard from her sister in more than half a year. The last time they spoke, Kit was slogging from mundane workdays to obligatory happy hours to crying in the shower about their dead mother. She told Natalie she was sure there was something more out there. And then she found Wisewood. On a private island off

the coast of Maine, Wisewood's guests commit to six-month stays. During this time, they're prohibited from contact with the rest of the world—no Internet, no phones, no exceptions. But the rules are for a good reason: to keep guests focused on achieving true fearlessness so they can become their Maximized Selves. Natalie thinks it's a bad idea, but Kit has had enough of her sister's cynicism and voluntarily disappears off the grid. Six months later, Natalie receives a menacing email from a Wisewood account threatening to reveal the secret she's been keeping from Kit. Panicked, Natalie hurries north to come clean to her sister and bring her home. But she's about to learn that Wisewood won't let either of them go without a fight.

Madam Speaker Susan Page, 2021-04-20 AN INSTANT NEW YORK TIMES BESTSELLER! The definitive biography of Nancy Pelosi, the most powerful woman in American political history, written by New York Times bestselling author and USA Today Washington bureau chief Susan Page. Featuring more than 150 exclusive interviews with those who know her best—and a series of in-depth, news-making interviews with Pelosi herself—MADAM SPEAKER is unprecedented in the scope of its exploration of Nancy Pelosi's remarkable life and of her indelible impact on American politics. Before she was Nancy Pelosi, she was Nancy D'Alesandro. Her father was a big-city mayor and her mother his political organizer; when she encouraged her young daughter to become a nun, Nancy told her mother that being a priest sounded more appealing. She didn't begin running for office until she was forty-six years old, her five children mostly out of the nest. With

that, she found her calling. Nancy Pelosi has lived on the cutting edge of the revolution in both women's roles and in the nation's movement to a fiercer and more polarized politics. She has established herself as a crucial friend or formidable foe to U.S. presidents, a master legislator, and an indefatigable political warrior. She took on the Democratic establishment to become the first female Speaker of the House, then battled rivals on the left and right to consolidate her power. She has soared in the sharp-edged inside game of politics, though she has struggled in the outside game—demonized by conservatives, second-guessed by progressives, and routinely underestimated by nearly everyone. All of this was preparation for the most historic challenge she would ever face, at a time she had been privately planning her retirement. When Donald Trump was elected to the White House, Nancy Pelosi became the Democratic counterpart best able to stand up to the disruptive president and to get under his skin. The battle between Trump and Pelosi, chronicled in this book with behind-the-scenes details and revelations, stands to be the titanic political struggle of our time.
