James Creighton

Classic Modern Deborah Dietsch,2000 There is no hotter style today than the cooler than cool work of modern designers and architects from the 1940s and 50s. Endlessly inventive and eminently livable, mid-century modernism has an optimism and confidence born of postwar abundance, and a spirited elegance that appeals powerfully fifty years later. In CLASSIC MODERN, design expert Deborah Dietsch introduces readers to the basic tenets of modern design and explains how the simple yet inspired forms typical of this style were so readily disseminated into mainstream American culture. Filled throughout with enticing examples of mid-century pieces from such timeless designers as Charles and Ray Eames, Eero Saarinen, Arne Jacobsen, and George Nelson, this beautiful book recaptures the excitement of the period's brilliant designs.

Discopaedia of the Violin James Creighton,1994

Classical Christian Doctrine Ronald E. Heine,2013-03-15 This clear and concise text helps readers grasp the doctrines of the Christian faith considered basic from the earliest days of Christianity. Ronald Heine, an internationally known expert on early Christian theology, developed this book from a course he teaches that has been refined through many years of classroom experience. Heine primarily uses the classical Christian doctrines of the Nicene Creed to guide students into the essentials of the faith. This broadly ecumenical work will interest students of church history or theology as well as adult Christian education classes in church settings. Sidebars identify major personalities and concepts, and each chapter concludes with discussion questions and suggestions for further reading.

Stan Getz Nicholas Churchill, 2004-12-15 Some may only know the jazz legend Stan Getz, tenor saxophonist, for his bossa nova hits *Desafinado* and *The Girl from Ipanema*. However, Getz, born in 1927, began to play professionally at age 15, and his rich musical career lasted until shortly before his death on June 6, 1991. He played in a wide variety of musical settings such as big band, orchestral, quartet, and duo. The incredible beauty of his sound sparked the late jazz great John Coltrane to say, We would all play like Stan Getz, if we could. When Getz died, jazz trumpeter Dizzy Gillespie said, He was sheer genius. And there's one thing about this man, he was the most melodic player on the jazz scene. The Year of Miss Agnes Kirkpatrick Hill, 2020-08-04 A

Smithsonian Notable Book for Children A School Library Journal Best Book of the Year “Genius.” —The New York Times Book Review A beautiful repackaging marking the twentieth anniversary of the beloved, award-winning novel that celebrates teachers and learning. Ten-year-old Frederika (Fred for short) doesn’t have much faith that the new teacher in town will last very long. After all, they never do. Most teachers who come to their one-room schoolhouse in remote Alaska leave at the first smell of fish, claiming that life there is just too hard. But Miss Agnes is different: she doesn’t get frustrated with her students, and finds new ways to teach them to read and write. She even takes a special interest in Fred’s sister, Bokko, who has never come to school before because she is deaf. For the first time, Fred, Bokko, and their classmates begin to enjoy their lessons—but will Miss Agnes be like all the rest and leave as quickly as she came?
