The Trail ,1911

Venetian Sunshine Merry Farmer , Lord Trent McGovern has never considered himself the sort of man ladies want to chase after, unless it’s for his fortune and title. But he is kind, compassionate, and devoted to his family. So when his cousin and head of the family, Asher, the Duke of Addlebury, begins to act suspiciously, Trent will stop at nothing to get to the bottom of things. Even if it means enlisting the help of beautiful and mysterious fortune-teller, Charlotte Salazar. As the illegitimate daughter of an English lord and a Romani woman, Charlotte has never quite fit in. But her uncanny intuition and psychic abilities have given her a place in Venetian society. And from the moment she lays eyes on Trent, she knows that their destinies are entwined. But can she convince him that she doesn’t care about his appearance, only his heart? When Charlotte and Trent join forces in an attempt to uncover the darker secrets of the McGovern family, sparks fly. But will they be able to save Asher and themselves in time, or will the Dark Lady bring ruin on the McGovern family once and for all? TALES FROM THE GRAND TOUR is a steamy, light-hearted Victorian series, set in the 1890s, that follows the wild, unconventional, often scandalous McGovern cousins as they make their way through Europe and beyond. PLEASE BE ADVISED – Steam Level: Five-Alarm Fire with a few F-bombs. Don’t say you weren’t warned. Venice in the 1920s Gregg M. Turner,2000-05-23 In the 1920s, a tremendous land boom gripped Florida, and waves of people descended upon the Sunshine State. Between just 1923and 1925 an estimated 300,000 people came to permanently settle in the state, and over a dozen new counties were created in this single decade. Fueled by postwar prosperity, tourists and new residents poured money into the state’s economy and dramatically increased the demand for land, homes, hotels, industry, recreation, commerce, and services. At the height of the boom, when many believed that the bubble had to burst, there came news that a new resort city was under development on the Gulf Coast below Sarasota, and all eyes turned to Venice. Over the decades since its creation, Venice, with its balmy climate, unlimited boating and fishing, and pristine mainland beach, has grown to be a Mecca for thousands of tourists, snowbirds, and retirees. Carved out of a tropical wilderness by America’s oldest and wealthiest union, the Brotherhood of Locomotive Engineers, Venice was made into a Gulf Coast oasis with Spanish-style architecture, beautiful landscaping, and a friendly network of tree-lined streets and boulevards. Visual documentation of this early era has captured a city in its infancy and a valuable piece of Venice’s heritage.

Memoirs from Beyond the Grave: 1768-1800 François-René de Chateaubriand,2018-02-20 Written over the course of four decades, François-René de Chateaubriand’s epic autobiography has drawn the admiration of Baudelaire, Flaubert, Proust, Barthes, and Sebald. Here, in the first books of his massive Memoirs, spanning the years 1768 to 1800, Chateaubriand looks back on the already bygone world of his youth. He recounts the history of his aristocratic family and the first rumblings of the French Revolution. He recalls playing games on the beaches of Saint-Malo, wandering in the woods near his father’s castle in Combourg, hunting with King Louis XVI at Versailles, witnessing the first heads carried on pikes through the streets of Paris, meeting with George Washington in Philadelphia, and falling hopelessly in love with a young woman named Charlotte in the small Suffolk town of Bungay. The volume ends with Chateaubriand’s return to France after seven years of exile in England. In this new edition (the first unabridged English translation of any portion of the Memoirs to be published in more than a century), Chateaubriand emerges as a writer of great wit and clarity, a self deprecating egotist whose meditations on the meaning of history, memory, and morality are leavened with a mixture of high whimsy and memorable gloom.

Rainy Day People@ the Venice Series Michael Underwood,2017-11-24 VeniceCity of awe. City of sighs. City of dreams. One never knows what will happen in a place so cunningly composed of earth, sky, and sea. The siren call of these magical islands trumpets down the pathways of memory long after the cries of gondoliers and street sellers have faded from the grand canals. The watcher in the shadows knows. He is prepared for every eventuality: floods, intrigue, love, fog, snow, art, sunshine, moonlight, mystery, ice, and rain. This, after all, is Venice.
