Des Pawson's Knot Craft Des Pawson,2011 Des Pawson has been a professional ropeworker for more than 25 years. His passion for knots goes back to the time when, aged 7, he was given a book with some knots in it. He has studied knots and sailors' ropework ever since. Over that time he has built up a number of recipe books containing the information required to make each item, whether it is a key fob, fender, mat or knife lanyard. Des Pawson's Knot Craft contains a selection from those recipe books, giving the reader the basic designs, illustrating which knots and sennits are used to make them. Here is a step-by-step breakdown of how to put the knots together as well as the size and lengths of materials required. Many books have been published on how to tie practical knots but not many books give help in putting the knots together to make an object.

Our Lady, Undoer of Knots Marge Steinhage Fenelon,2015-09-18 Winner of a 2016 Association of Catholic Publishers 2016 Excellence in Publishing Award: Inspirational Books (Second Place). Our Lady, Undoer of Knots: A Living Novena is a unique guided meditation from veteran Catholic journalist Marge Fenelon, who has created a new devotional practice from this classic novena that is a favorite of Pope Francis. Since the seventeenth century, Catholics facing seemingly insurmountable obstacles have turned to Our Lady, Undoer of Knots through a special novena--nine days of prayer for divine intervention. Catholic columnist Marge Fenelon resurrects this ancient tradition, also known as the Unfailing Novena, by reflecting on nine sacred sites associated with Pope Francis's 2014 pilgrimage to the Holy Land. Reflecting on such holy places as Bethlehem, the Mount of Olives, and the Temple Mount, Fenelon helps readers explore the knots or impossible situations in their own lives in order to find peace.
