

Vietnam Heroes

Mike Larson

Vietnam War Heroes (10 True Tales) Allan Zullo,2015-12-29 Ten true stories of real-life heroes of the Vietnam War! Twenty-eight soldiers--all but five badly wounded or dead in the first few minutes of a devastating ambush--are fending off 200 North Vietnamese soldiers. US platoon leader Lieutenant Hal Fritz shouts to his comrades, We will never give up!Dozens of severely wounded soldiers are trapped in a fog-shrouded outpost and under merciless attack by the enemy. No other medical helicopter pilot will dare attempt a rescue, except for Major Patrick Brady. These and other American heroes risked their lives serving their country in the Vietnam War. You will never forget their courageous true stories.

Conversations With Vietnam Heroes Mack W. Payne,2015-11-04 Mack Payne's gripping conversations with a rich cast of nine Army, Marine Corps, Navy, and Air Force veterans in his latest book, *Conversations with Vietnam Heroes*, clearly depicts how the Vietnam War generation is as great as any that ever heeded the call of duty. They fought with dedication to their comrades in arms and to their country. Their vivid accounts and combat-related stories, so well depicted in this book, are portrayed with stirring human drama and emotion. But most importantly, it shows the strength, courage and determination to make a difference and not let the war take away from a productive and rewarding life. Reading the stories of these heroes is hard, but hearing how they overcame is inspiring.Payne, a highly decorated veteran with two years of services in Vietnam, is a Vietnam expert and prolific writer and keynote speaker, as well as a graduate of the U.S. Army Command and General Staff College. Payne has spent his life spreading the message of these unspoken heroes.The stories are inspired from Payne's podcast, Vietnam Veteran News, and are an offshoot of his first book, Vietnam Veteran Memoirs. As Payne states, I am so happy to bring these stories to life and to illustrate the greatness of the Vietnam Veterans Generation.A look inside provides a glimpse of the sacrifices and dedication it takes to be a soldier-the candor, realism, and patriotism of each veteran and all they endured during the war and throughout life. Just a brief look inside the book provides a few of their stories including: * A conversation with John Hosier, infantryman and combat photographer, who photographed Fess Parker, the actor who played Daniel Boone. Of course, in between those shots were war-torn reminders of the reality of war.* A conversation with Steve Suttles, a sniper who, similar to the accounts in the movie, American Sniper shares his stories about the training involved (or lack thereof) and explains the critical role snipers play in protecting the men in their assigned companies, taking one enemy out in order to save many troops. * A talk with Dave Roevers, who candidly discusses his extensive injuries, being burned so badly that he was hospitalized for over a year with almost fifty percent of his body burned. You would think his story ends there. But it doesn't. His remarkable recovery and fulfilling life will have you cheering as you turn the page. * Conversations with many of the authors who expressed their personal challenges with the hazards of Agent Orange and how throughout their entire lives they had to deal with its effects. Agent Orange was meant for the enemy; however, it was spread on land and many times spread on our men themselves. Perhaps the most disturbing is how it affected not only the soldiers themselves, but their children and grandchildren as well.Not only will those who served in Vietnam want to read this fascinating book and reflect deeply on all those places and details described, but all veterans and their families, as well as every American will find this book moving and extremely helpful in understanding how we can learn from our past. As LTG Jay Garner states, This book should serve as a field manual for returning veterans. But it's so much more. It's an opportunity to see strength, hope and dedication firsthand.

Vietnam Medal of Honor Heroes Edward F. Murphy,2010-11-17 More than 100 compelling, true stories of personal heroism and valor– in a special expanded edition honoring courage in the face of war Here are dramatic accounts of the fearless actions that earned American soldiers in Vietnam our highest military distinction–the Medal of Honor. Edward F. Murphy, head of the Medal of Honor Historical Society, re-creates the heroic acts of individual soldiers from official documents, Medal of Honor citations, contemporary accounts, and, where possible, interviews with survivors. Complete with a list of all Vietnam Medal of Honor recipients, this book offers a unique perspective on the war—from the early days of U.S. involvement through the return home of the last soldiers. It pays a fitting tribute to these patriotic, selfless souls.

First Heroes Rod Colvin,2013-11-01 The result of five years of research, *First Heroes* untangles an intricate web of information and ultimately concludes that the prisoners of war that were held captive in Southeast Asia were forgotten or ignored by their own country. Author Rod Colvin crisscrossed the country interviewing military and government officials, veterans, returned POWs, political figures, journalists, and members of the National League of Families and the National Forget-Me-Not Association and balances hard facts with the dramatic personal accounts of parents, wives, brothers, sisters, and children who have waged a difficult battle for the truth about their loved ones. This chronicle is as much a testament to the faith and unending hope of the family members as it is the story of the men themselves. *First Heroes* is destined to change the way readers think about war, freedom, and their country.

Saving the Vietnamese Orphans Marjorie Haun,2012-09-12 Operation Babylift was one of the largest humanitarian efforts of the 20th Century. As American troops were pulled out of Vietnam, the vulnerable bui doi

orphans were left exposed to the dangers presented by the North Vietnamese invasion. These children, many of whom were of mixed race, had nowhere to go and their caretakers in the orphanages were overwhelmed with the tasks of both caring for small children and defending them from the perils of war. President Gerald Ford made a decision to airlift these innocent children out of Southeast Asia. Would there be enough time and resources available to get these children out of the country and into the arms of loving, adoptive families? Saving the Vietnamese Orphans is the true story of this compassionate and dangerous effort on the parts of thousands of military personnel, civilians, and humanitarian workers to rescue these precious children from the terrible fate that awaited them if they remained.

Little Bird Dog and the Big Ship Marjorie Haun,2012-03-20 South Vietnamese Airforce Major Bung-Ly narrowly escapes being shot down as he takes off from Con Son Island in his little Cessna Bird Dog. The plane is too heavy to fly for long because his five young children and wife are on board. The invasion of enemies from North Vietnam makes it impossible for him to stay in his beloved country. Brave Bung-Ly loads his terrified wife and children on to the little Bird Dog and desperately heads out to sea, not knowing where he will land, or if there will be a place for him to take his family. Out at sea is the gigantic aircraft carrier, the USS Midway. Bung-Ly spots the ship in the distance, but when he gets closer he sees that its decks are crowded with equipment, helicopters, and hundreds of people. There is no room for him to land his airplane. How will this story end for brave Major Bung-Ly and his family? This true story is one of the amazing tales of heroism and sacrifice from the Vietnam War.

Company of Heroes Eric Poole,2015-03-20 This is the remarkable account of Medal of Honor recipient Leslie Sabo Jr, whose brave actions in Vietnam and Cambodia were forgotten for over three decades. There are many broad studies of the Vietnam War, but this work offers an insight into the harrowing experiences of just a small number of men from a single unit, deep in the jungles of Vietnam and Cambodia. Its focus is Leslie Sabo Jr. Sabo and other replacement soldiers in Bravo Company, 3rd Battalion, 506th Infantry (Currahees), 101st Airborne Division, were involved in intense, bloody engagements such as the battle for Hill 474 and the Mother's Day Ambush. Beginning with their deployment at the height of the blistering Tet Offensive, and using military records and interviews with surviving soldiers, Eric Poole recreates the terror of combat amidst the jungles and rice paddies of Vietnam. Company of Heroes tells the incredible story of how Sabo earned his medal, as Bravo Company forged bonds of brotherhood in their daily battle for survival.

Never Without Heroes Lawrence C. Vetter, Jr.,2011-02-02 FOUR CONGRESSIONAL MEDALS OF HONOR, THIRTEEN NAVAL CROSSES, SEVENTY-TWO SILVER STARS . . . In four and a half years in Vietnam, the Marines of the Third Reconnaissance Battalion repeatedly penetrated North Vietnamese and Vietcong sanctuaries by foot and by helicopter to find enemy forces, learn the enemy's intentions, and, when possible, bring deadly fire down on his head. Heavily armed, well-camouflaged teams of six and eight men daily exposed themselves to overwhelming enemy forces so that other Marines would have the information necessary to fight the war. It's all here: grueling, tense, and deadly recon patrols; insertions directly into NVA basecamps; last-stand defenses in the wreckage of downed helicopters; pursuit by superior North Vietnamese forces; agonizing deaths of men who valiantly put their lives on the line. NEVER WITHOUT HEROES is the first book to recount the story of a Marine reconnaissance battalion in Vietnam from the day of its arrival to its withdrawal. In Vietnam, Larry Vetter served as a platoon leader in Third Recon Battalion. He supplements his own recollections with Marine Corps records, exhaustive interviews with veterans, and correspondence to capture the bravery, and self-sacrifice of war.

Vietnam War Heroes Allan Zullo,2014

Heroes of Vietnam ,

Heroes Mike Larson,2008-09 Even today, my thoughts of Vietnam are positive. I have incredibly fond memories of spending one year in that theater with some incredible people. My feelings about the Vietnam War mesh exactly with what Michael Norman wrote in his book These Good Men: Friendships Forged From War-even though Norman's heroes served in the U.S. Marine Corps and mine served in the First Air Cav. In recalling his tour in Vietnam, Norman wrote: I did not pick these men. They were delivered by fate and the U.S. Marine Corps. But I know them in a way I know no other men. I have never since given anyone such trust. They were willing to guard something more precious than my life. They would have carried my reputation, the memory of me. It was part of the bargain we all made, the reason we were so willing to die for one another.

Brave Men, Gentle Heroes Michael Takiff,2004-11-02 Brave Men, Gentle Heroes presents the honest, touching, and harrowing stories of men who served in World War II and of their sons who served in Vietnam -- fathers and sons bonded as deeply by their experience in war as by blood. Though World War II and Vietnam were vastly different -- the clear aims of World War II, the muddled goals of Vietnam; the hero's welcome accorded World War II veterans, the scorn heaped upon their sons -- each defined a generation. In these pages you will find war's carnage and heroism, purpose and futility, meaning and tragic meaninglessness. Molded by the awful crucible of war, these seemingly ordinary men offer extraordinary insights into what it means to be a warrior, an American, a father, and a son.

It Took Heroes Claude Newby,2009-04-22 The soldiers in 1st Cav fought some of Vietnam's fiercest battles— and Chaplain Newby was there right beside them. For grunts in Vietnam, the war was a jungle hell of sudden death, endless suffering, and supreme courage. For Chaplain Newby, it was an honor to be chosen to share it with them. In enemy-held highlands and fetid jungles, Newby regularly accompanied patrols, company-sized missions, chopper strikes, and air rescues—sharing the men's dreams, their fears, and their dying moments. Searing, brutally accurate, and dedicated to the truth, Claude Newby's account of brave men fighting a tragic war captures that time in all its horror and heroism. Newby doesn't shrink from exposing the war's darker side; his quiet description of the murderous events that came to be known as "the Mao incident" proves that justice can prevail. Ultimately, Newby's riveting stories reveal the tremendous valor and sacrifices of ordinary Americans facing constant danger, shattering losses, and an increasingly indifferent nation. His book is a shining tribute to those who fought, those who died, and those who came home to a country determined to forget them.

Journey Among Heroes Bob Greer,2011-10-12 Mesmerized by photographs of old women in a quiet room in a Hanoi museum in Vietnam, author Bob Greer spent a year traveling around the region researching the thirty-year Vietnam War. In *Journey among Heroes*, he presents a view of that war through the eyes of a tourist. Traveling by ancient motorcycle, bus, speedboat, train, aircraft, and car, Greer enjoyed a privileged view of what really happened in Vietnam. He offers a glimpse of the war's human aspect through interviews of eleven of Vietnam's Hero Mothers, a designation bestowed on more than 44,000 of the country's mothers who lost more than two family members while fighting the war. Greer tells of the great courage and an amazing female fighting tradition that possibly tipped the scales in favor of the eventual victors, and he tells of losses unimaginable to Westerners. *Journey among Heroes* communicates how Vietnam experienced a harrowing era and why it is now time to lend a helping hand.

Vietnam's Prodigal Heroes Paul Benedikt Glatz,2021-01-12 Vietnam's Prodigal Heroes examines the critical role of desertion in the international Vietnam War debate. Paul Benedikt Glatz traces American deserters' odyssey of exile and activism in Europe, Japan, and North America to demonstrate how their speaking out and unprecedented levels of desertion in the US military changed the traditional image of the deserter.

When Spirits Speak: a Gathering of Heroes Jeri K. Tory Conklin,2012-10-24 The stories in this book are from soldiers who once served in Vietnam and who have contacted me via the world of spirit. Their stories are filled with the dreams of young men who grew into adults all too quickly in a land not their own. They speak of the bond between soldiers; the brotherhood that stands the test of time and distance; the fear they lived with each day; how they wrote letters that would be sent to their families if they were killed; and the simple things they came to take for granted. Some speak of their love of Vietnam and its people. And many of them convey their last few hours on the earthly plane. Jeri Tory Conklin a gifted intuitive, archaeologist, and investigative author again lifts the veil between the visible and invisible world, this time to give us an inside perspective on veteran experiences during the Vietnam War. An eye-opening, inspirational book. Patricia Johnston, professor of anthropology; owner, grief coach at Purple Lotus Coaching <http://purplelotuscoaching.com/> Seeking answers to Why, is there no peace? comes to us all when we send a loved one or venture into the path of war. Living without closure bids us to seek out those with The Gift of sight into the world of spirit. I have found closure within these pages. Your eyes will be opened, if you have lost a loved one to death on a battlefield. Pamela Cannataro, military dependent and Vietnam veterans widow

Air Force Heroes in Vietnam Donald K. Schneider,1979

Last Full Measure of Devotion Donald J. Farinacci,2007 ****Updated and expanded including many illustrations by George Almond. Plus clearer translations of foreign terms. Ian Fleming's James Bond: Annotations and Chronologies for Ian Fleming's Bond Stories officially approved by Ian Fleming Publications Ltd (formerly Glidrose), with a Preface by Andrew Lycett and Forewords by Zoë Watkins, Publishing Manager, Ian Fleming Publications Ltd.; Raymond Benson, author of The James Bond Bedside Companion, six original 007 novels, and numerous non-Bond novels. This book is the result of analysis of each of Fleming's James Bond novels. Within are glossaries of applicable terminology and references with detailed chronologies of events including annotations. Detailed chronologies of events are represented at a day-of-week, month, day, year, and time-of-day level. Glossaries contain translations of foreign terms, annotations, and other information of interest such as detailed information on the origin of Saramanga's name (The Man with the Golden Gun). Maps have been created for many of the novels along with in-depth information concerning specific topics such as, the Moonraker bridge game and the Goldfinger golf game. In many instances, monetary amounts have been converted to their 2001 purchasing power equivalent.

Brave Warriors, Humble Heroes Marjorie T. Hansen,2014-10-20 A wife tells of her husband's combat missions—and the Agent Orange exposure that changed both their lives. Through her husband's letters from Southeast Asia about his combat missions in Vietnam and over the Ho Chi Minh Trail in Laos in 1971 and 1972, Marge Hansen shares a gripping journey into one of the most divisive and turbulent periods in the nation's history. *Brave Warriors, Humble Heroes: A Vietnam War Story* captures in a flier's words the conflict, drama, frustration, heroism, and longing for home and family that mark combat missions. Through meticulous research

and compelling narrative, Marge brings to readers a chance to understand what may have been only an ongoing headline in the news for those at home or a distant episode in American history for younger readers. In her voice and Charlie’s, she captures the experience of those who serve and those who support them. For Marge and Charlie, the war was immediate and personal and has not ended; both were impacted by the legacy of Agent Orange—he from his assignment to front-line bases and she from her visit to him at one of those bases. Brave Warriors, Humble Heroes recounts the story of one war, one hero, one marriage, and one family. This book stands for all those whose voices have not been heard.

Stolen Valor Bernard Gary Burkett,Glenna Whitley,1998 Military documents reveal decades of deceit about the Vietnam War and myths perpetuated by the mainstream media.

Reviewing Vietnam Heroes: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "Vietnam Heroes," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
