Digital Culture & Society (DCS) Ramón Reichert, Annika Richterich, Pablo Abend, Mathias Fuchs, Karin Wenz, 2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

Damaged Like Us Krista Ritchie, Becca Ritchie, 2017-06-27 Don't date your bodyguard. It was the one rule he had to break. Maximoff Hale is a force of nature. A ship unwilling to be steered. Headstrong, resilient, and wholly responsible – the twenty-two-year-old alpha billionaire can handle his unconventional life. By noon, lunch can turn into a mob of screaming fans. By two, his face is all over the internet. Born into one of the most famous families in the country, his celebrity status began at birth. He is certified American royalty. When he's assigned a new 24/7 bodyguard, he comes face-to-face with the worst case scenario: being attached to the tattooed, MMA-trained, Yale graduate who's known for "going rogue" in the security team – and who fills 1/3 of Maximoff's sexual fantasies. Twenty-seven-year-old Farrow Keene has one job: protect Maximoff Hale. Flirting, dating, and hot sex falls far, far out of the boundary of his bodyguard duties and into "termination" territory. But when feelings surface, protecting the sexy-assin, stubborn celebrity becomes increasingly complicated. Together, boundaries blur, and being exposed could mean catastrophic consequences for both.

The Reading List Sara Nisha Adams, 2021-08-03 A BEST OF SUMMER READ ACCORDING TO NEWSWEEK, PARADE MAGAZINE, NBC NEWS, LITHUB, AND POPSUGAR! The most heartfelt read of the summer...a surprising delight of a novel.-- Shondaland An unforgettable and heartwarming debut about how a chance encounter with a list of library books helps forge an unlikely friendship between two very different people in a London suburb. Widower Mukesh lives a quiet life in Wembley, in West London after losing his beloved wife. He shops every Wednesday, goes to Temple, and worries about his granddaughter, Priya, who hides in her room reading while he spends his evenings watching nature documentaries. Aleisha is a bright but anxious teenager working at the local library for the summer when she discovers a crumpled-up piece of paper in the back of *To Kill a Mockingbird*. It's a list of novels that she's never heard of before. Intrigued, and a little bored with her slow job at the checkout desk, she impulsively decides to read every book on the list, one after the other. As each story gives up its magic, the books transport Aleisha from the painful realities she's facing at home. When Mukesh arrives at the library, desperate to forge a connection with his bookworm granddaughter, Aleisha passes along the reading list...hoping that it will be a lifeline for him too. Slowly, the shared books create a connection between two lonely souls, as fiction helps them escape their grief and everyday troubles and find joy again.

The Devil and the Heiress Harper St. George, 2021-06-29 A BuzzFeed Best Romance of 2021! Sparks fly when a runaway heiress bargains with a devilish rogue to escape a marriage of convenience. No one would guess that beneath

Violet Crenshaw's ladylike demeanor lies the heart of a rebel. American heiresses looking to secure English lords must be on their best behavior, but Violet has other plans. She intends to flee London and the marriage her parents have arranged to become a published author--if only the wickedly handsome earl who inspired her most outrageously sinful character didn't insist on coming with her. Christian Halston, Earl of Leigh, has a scheme of his own: escort the surprisingly spirited dollar princess north and use every delicious moment in close quarters to convince Violet to marry him. Christian needs an heiress to rebuild his Scottish estate but the more time he spends with Violet, the more he realizes what he really needs is her--by his side, near his heart, in his bed. Though Christian's burning glances offer unholy temptation, Violet has no intention of surrendering herself or her newfound freedom in a permanent deal with the devil. It's going to take more than pretty words to prove this fortune hunter's love is true....

Exposed Kristen Callihan, 2021-07-13 Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all--him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough--until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

Hands of Light Barbara Ann Brennan, 2011-03-23 With the clarity of a physicist and the compassion of a gifted healer with fifteen years of professional experience observing 5,000 clients and students, Barbara Ann Brennan presents the first in-depth study of the human energy field for people who seek happiness, health and their full potential. Our physical bodies exist within a larger body, a human energy field or aura, which is the vehicle through which we create our experience of reality, including health and illness. It is through this energy field that we have the power to heal ourselves. This energy body -- only recently verified by scientists, but long known to healers and mystics -- is the starting point of all illness. Here, our most powerful and profound human interactions take place, the precursor and healer of all physiological and emotional disturbances. *Hands of Light* is your guide to a new wholeness. It offers: • A new paradigm for the human, in health, relationship, and disease • An understanding of how the human energy field looks, functions, is disturbed, healed, and interacts with friends and lovers. • Training in the ability to see and interpret auras • Medically verified case studies of healing people from all walks of life with a variety of illnesses. • Guidelines for healing the self and others. • The author's personal and intriguing life adventure which gives us a model for growth, courage and possibilities for expanded consciousness

Analysing Genre V. K. Bhatia, 2014-01-14 Genre analysis has a long-established tradition in literature, but interest in the analysis of non-literary genres has been very recent. This book examines the theory of genre analysis, looks at genre analysis in action, taking texts from a wide variety of genres and discusses the use of genre analysis in language teaching and

language reform.

Word Perfect Susie Dent,2020-10-15 'Susie Dent is a one-off. She breathes life and fun into words and language' Pam Ayres 'Susie Dent is a national treasure' Richard Osman Welcome to a year of wonder with Susie Dent, lexicographer, logophile, and longtime queen of Countdown's Dictionary Corner. From the real Jack the Lad to the theatrically literal story behind stealing someone's thunder, from tartle (forgetting someone's name at the very moment you need it) to snaccident (the unintentional eating of an entire packet of biscuits), WORD PERFECT is a brilliant linguistic almanac full of unforgettable stories, fascinating facts, and surprising etymologies tied to every day of the year. You'll never be lost for words again.

The Book of R Tilman M. Davies,2016-07-16 The Book of R is a comprehensive, beginner-friendly guide to R, the world's most popular programming language for statistical analysis. Even if you have no programming experience and little more than a grounding in the basics of mathematics, you'll find everything you need to begin using R effectively for statistical analysis. You'll start with the basics, like how to handle data and write simple programs, before moving on to more advanced topics, like producing statistical summaries of your data and performing statistical tests and modeling. You'll even learn how to create impressive data visualizations with R's basic graphics tools and contributed packages, like ggplot2 and ggvis, as well as interactive 3D visualizations using the rgl package. Dozens of hands-on exercises (with downloadable solutions) take you from theory to practice, as you learn: -The fundamentals of programming in R, including how to write data frames, create functions, and use variables, statements, and loops -Statistical concepts like exploratory data analysis, probabilities, hypothesis tests, and regression modeling, and how to execute them in R -How to access R's thousands of functions, libraries, and data sets -How to draw valid and useful conclusions from your data -How to create publication-quality graphics of your results Combining detailed explanations with real-world examples and exercises, this book will provide you with a solid understanding of both statistics and the depth of R's functionality. Make The Book of R your doorway into the growing world of data analysis.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) andthat communicating in a

straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The Call of the Wild and Free Ainsley Arment, 2019-09-03 Allow your children to experience the adventure, freedom, and wonder of childhood with this practical guide that provides all the information, inspiration, and advice you need for creating a modern, quality homeschool education. Inspired by the spirit of Henry David Thoreau—“All good things are wild and free”—mother of five Ainsley Arment founded Wild + Free. This growing online community of mothers and families want their children to receive a quality education at home by challenging their intellectual abilities and nurturing their sense of curiosity, joy and awe—the essence of a positive childhood. The homeschool approach of past generations is gone—including the stigma of socially awkward kids, conservative clothes, and a classroom setting replicated in the home. The Wild + Free movement is focused on a love of nature, reading great books, pursuing interests and hobbies, making the entire world a classroom, and prolonging the wonder of childhood, an appealing philosophy that is unpacked in the pages of this book The Call of the Wild and Free offers advice, information, and positive encouragement for parents considering homeschooling, those currently in the trenches looking for inspiration, as well as parents, educators, and caregivers who want supplementary resources to enhance their kids’ traditional educations.
