Vodka Distilled Tony Abou-Ganim, 2013-01-21 Over the course of the past two decades, Tony Abou-Ganim has earned his reputation as one of the leaders of the craft cocktail movement. Through his work with food and hospitality legends like Mario Batali, Steve Wynn, and Harry Denton, Abou-Ganim has earned his reputation as the Modern Mixologist, someone bringing the traditional art of mixology into the 21st century for the benefit of new generations. On the heels of the success of The Modern Mixologist: Contemporary Classic Cocktails, Tony Abou-Ganim has written Vodka Distilled as a companion piece focusing entirely on this clear spirit. It is a comprehensive look at the vodka marketplace, geared toward those

working in the profession as well as the giant audience of vodka drinkers. This one-of-a-kind resource establishes a new standard in defining and understanding the world's most consumed spirit. Vodka Distilled appeal to both enthusiasts and aficionados by explaining how traditional-style vodkas—those produced in Eastern Europe—differ in character from those made in the West, and how different raw materials and distillation and filtration methods contribute to these variations in character. By breaking down the characteristics of each highlighted vodka, Abou-Ganim helps readers better understand, appreciate, and enjoy this noble spirit.

**Cafe Royal Cocktail Book** Frederick Carter,Jared  
McDaniel Brown,Tarling W. J.,2008-05-01 Originally  
published in 1937 by the United Kingdom Bartenders Guild,  
Cafe Royal Cocktail Book compiled by William J Tarling

offers a rare glimpse into the wide array of drinks offered in London bars between the two world wars. Tarling, head bartender at the Cafe Royal during had two goals. He wanted to extend this resource to consumers. He also wanted to raise funds for the United Kingdom Bartenders Guild Sickness Fund and the Cafe Royal Sports Club Fund. Thus, he drew from the recipes previously compiled for Approved Cocktails, and added more of his own. He also collected many more original recipes from his contemporaries. The result was an outstanding and timely book. It did more than gather recipes, it captured a boom time in the history of cocktails, glass by glass. Sadly, there was only one printing and it became an unobtainable rarity, locking away a time capsule of drinks and knowledge. Reproduced in collaboration with the UKBG, Exposition Universelle des Vins et Spiritueux, and Mixellany Limited, this facsimile edition unlocks that knowledge for a new generation of consumers and bartenders around the world. Within these pages are some of the earliest known recipes for drinks made with tequila and vodka as well as memorable concoctions made with absinthe and other recently revived ingredients-an essential addition to every cocktail book library.
