Wallpaper in Decoration Jane Gordon-Clark,2001 Providing a wealth of new, creative approaches to wall design, this guide offers readers easy methods for using decorative details such as borders, dados, and friezes, as well as step-by-step illustrations of wallpapering techniques. 245 illustrations, 180 in color.

Infinite Jest David Foster Wallace,2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human – and one of those rare books that renew the idea of what a novel can do. With a foreword by Tom Bisell. The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think. –Sven Birkerts, The Atlantic

Modern Wallpaper & Wallcoverings Alice Whately,2002 Wallpaper & Wallcoverings is packed full of creative design ideas for walls in every room of the home, with tips and techniques for contemporary applications of everything from paper and paint to fabric and light-projected images. Beginning with the eighteenth- and nineteenth-century imports of toile de Jouy, damask and chintz from the Far East, the book examines the evolution and major influences of wallpaper and wallcoverings in the West. William Morris's organic hand-blocked prints, the geometric patterns of the 1950s and the hippie-trippy flowers of the 1960s and 1970s, among others, are used to show the impact of historical styles on modern wallcoverings. With a brilliant combination of lively and informative text and beautiful, inspiring photographs, Wallpaper & Wallcoverings illustrates the versatility

Calm Night K.D. Cross,2023-10-31 About the Book What is the bright sun without the night sky? Perhaps at first it would appear pleasant. Constant sun filled days is ideal. Is it not? But in all actuality it would be a turning point of an unconceivable event with an unexpected aftermath. A new world government is birth out of calamity and the greatest devastation the entire earth has ever succumb. Lordia, the young queen with no crown decked with gems nor a palace on high is the promise for a simple way of life. Along with an orphan born to be a king a purpose if fulfilled. But in the mist is a secret that holds the power to destroy the government. With the purpose fulfilled, the promise becomes ensnared with the secret. The outcome is altered for both the promise and the secret. “The sun is neither friend nor foe.” per Jacob the father of the young queen and the visionary mind of the government known as The Thirteen. However, according to the knowledge of a gate keeper the sun has always been at odds with the earth. Lordia is not only the embodiment of the promise but the vessel as well. The Thirteen has become her allies of strength. Lordia in return will become their bravest protector. In despite of her snare with the secret Lordia will keep the promise. About the Author K.D. Cross known as Kim lives in Danville Virginia. She was born in the spring of April on the 8th day in 1976. Kim began creative writing in 2015. Calm Night was her stress reliever after a long work night and a quick workout at the gym. When Kim arrived home she would type. The initial writing of Calm Night was to be a short story. But with each new day Kim fell in love with Calm Night referring to the writing as her first born. Kim would stay awake inside her tiny studio apartment and type until her eyes became heavy with sleep. But that is when Kim’s eclectic imagination would explode. She dreamed of Calm Night when she slept. The dreams are now chapters in the book. Each character was brought to life with what Kim’s idea of wholeness, ability and concord is. Kim’s political views, opinions of society and her fondest passions were her muse to write Calm Night. The book cover is Kim’s work of art. She named the painting Sisters because both beings are identical but with different dedications toward the same objective. Kim finished the painting of Sisters in the winter of February on the 1st day of 2015. A few months after in the spring of May on the 15th day Kim began the writing of Calm Night. In the autumn of October on the 28th day in 2019 Kim completed Calm Night. She is happy to share Calm Night with you. From Kim’s imagination to your enjoyment.

The Sprawl Jason Diamond,2020-08-25 For decades the suburbs have been where art happens despite: despite the conformity, the emptiness, the sameness. Time and again, the story is one of gems formed under pressure and that resentment of the suburbs is the key ingredient for creative transcendence. But what if, contrary to that, the suburb has actually been an incubator for distinctly American art, as positively and as surely as in any other cultural hothouse? Mixing personal experience, cultural reportage, and history while rejecting clichés and pieties and these essays stretch across the country in an effort to show that this uniquely American milieu deserves another look.

Stripping Wallpaper from the Sky Jules Leigh Koch,2015-06-04 Written over seven years, Jules Leigh Koch’s latest collection depicts people living between pension day and charity. Fringe dwellers whose lives are constructed like origami cranes: defiant, yet quite fragile. Staged in large Australian cities that kaleidoscope between dark back streets and sunlit harbours. With a blowtorch honesty that engages emotions and the ever challenging atmosphere of personal relationships.

Julia and the Art of Practical Travel Lesley M. M. Blume,2015-03-10 When her grandmother dies and the once-majestic family estate is sold, eleven-year-old Julia Lancaster and her aunt Constance must take to the road to find Julia’s long-lost mother. They bring with them only the most practical travel things—silver candlestick holders, a few Oriental carpets, some steamer trunks, and Julia’s beloved Brownie camera, which she will use to document their journey across 1960s America. On the

road, Julia and her aunt meet a cast of peculiar characters, including guitar-strumming hippies in Greenwich Village, a legendary voodoo queen in New Orleans, the honorable proprietor of the World's End Cattle Ranch in Texas, and the colorful sheriff of Gold Point, Nevada (population: 1), who also happens to be the town's mayor, fire chief, and reverend. But will they find Julia's mother and a place to call home? Poignant, engaging, and funny, Lesley M. M. Blume's new novel is a meditation on the thin line between being an insider and being an outsider, and the deep-rooted need we all have to find a place where we can feel at home.

Words Puzzle over Oddly Shaped Poem Pieces Curtis Williams,2015-11-21 Using a measure of baby-book blueprints as a guide, I squared off in line with some rusted tools of time and with the help of a few weather-treated emotions. I built a solid dreamlike structure, a home for those cherished memories that, upon completion, defines me. As a shoestring poet, every subject that piques my poetic interest and has the nerve to come into contact with my emotionally charged, multicolored pen has been treated with as much respect and honesty as my talent will allow.

The Bat Tattoo Russell Hoban,2012-06-18 Recently widowed and increasingly lonely, Roswell Clark's life had arrived at the point when he felt he needed a tattoo. His ideal image was that of a bat featured on an eighteenth-century bowl in the Victoria and Albert Museum, but strangely, on a visit to the museum, he encountered a woman called Sarah Varley, who was clearly compelled by the same bat. What did it mean? Sarah dealt in antiques and Roswell soon ran into her stalls in Chelsea and Covent Garden. His calling, which grew out of an obsession with crash-test dummies, was a bit harder to explain. It led from the invention of a popular children's toy to lucrative commissions from a Parisian sybarite for wooden working models with very adult moving parts. Both Roswell and Sarah had lost their spouses and were still grieving in their different ways. And then Christ started putting a hand in - literally - when a fragment of an ancient crucifix fetched up in one of Sarah's antique lots. Between some compulsion conveyed by this hand and Sarah's natural urge to make improvements in people, Roswell's work took a surprising new turn... Russell Hoban's delicious new novel combines much about art - traditional and conceptual - with new angles on Christ, crash-test dummies, antiques, pornography and a charming tale of romance.

The Honest Tribe - Travels in Finland Max Boyle, How does an honest tribe live, work and think? This was Max Boyle's enquiry when he travelled in Finland, looking for answers to the secrets of this Nordic culture.

A Haunted History of Invisible Women Leanna Renee Hieber,Andrea Janes,2022-09-27 From the notorious Lizzie Borden to the innumerable, haunted rooms of Sarah Winchester's mysterious mansion this offbeat, insightful, first-ever book of its kind from the brilliant guides behind 'Boroughs of the Dead,' featured on NPR.org, The New York Times, and Jezebel, explores the history behind America's female ghosts, the stereotypes, myths, and paranormal tales that swirl around them, what their stories reveal about us--and why they haunt us--

The Sheer Curtain Maria Elena Garza,2016-06-17 This short novel is dedicated to my wonderful family: my children, Cathy, Fernando, Phillip; my grandchildren Jozette, Alaena, Phoenix; and my husband, Max. The novel is especially written for an audience of young readers or adults who choose to have a child's imagination. It was such fun for me to develop the characters and scenes of this mystery. It all starts with a woman's silhouette that appears on the third-floor window of this old Victorian mansion. No one in the town of Sneila has ever seen her except when she stands behind the sheer curtain. The children of the town look forward to Halloween

every year. The children together walk down the dirt road to the mansion that sits at the edge of town behind enormously tall trees and a black iron fence. Every Halloween, the children know that, in front of the mansion outside the gate, there will be a mysterious white cauldron filled with magic candies for each child. The candies are in baggies with each child's name written on the front of the baggie. How does she know every child's name? Where does this candy come from? The children agree that the candy is very different, like it's out of this world. These are only two of the mysteries that exist in the town of Sneila. Much mystery lives in the town of Sneila. The number of people in this town never changes. When one person dies, another is born. People who die are not buried. The number 8 appears throughout the town. Sometimes you have to add two digits to find the 8. The infinity symbol appears throughout the novel. Magic turtles surface and communicate with the two main characters, Samantha and Victoria. Flickering lights, hidden doors, basement, baskets, spaceships, magic turtles, mysterious bubbles, candles, and fairies create a magical kingdom. Wrinkles and gray hair are witnesses to times past. The surprise ending is sure to give you goose bumps! Other books from the author include the following: Sleepy Tears Laughing Tears Sleepy Tears Miss You Tears Gods Love is Real (poetry book) Friends and Angels (poetry book) The Secret Meeting of the Sworceracs
