The Weather Cat Helen Cresswell,1971 The story of a very talented cat called Mr Briggs who forecasts the weather.

*The Weather's Shitty, Kitty* Dr. John F. Does,2020-01-17 Children absorb information and language like little sponges, sometimes faster than they can handle and with no real understanding of what the words mean. But that doesn't stop them from parroting our words back at us. So, what do we do when our cute little angels hear, or use, words that are inappropriate? Ideally, we talk to them about it, but it can be hard to know where to start. That's where *The Weather's Shitty, Kitty* — the first in a series of "conversation starter" books — comes in. When Little Kitty hears her father say a "bad word" after hitting his paw with a hammer, she is uncomfortable and doesn't know what to think about it. Can a word actually be "good" or "bad"? Or is it just a word? Luckily, she feels safe talking to her parents about tricky subjects. Dr. Does warmly explores these interesting concepts though the eyes of an adorable family of kitties.

But Kitty is determined that everyone is treated with respect. Outside of the hospital, Kitty is finally ready to marry her fiancé, Dr James Williams. But with the growing Cold War tensions, Kitty and James come under scrutiny because of two people close to their hearts.
