It contains details from the Hebrew wedding tradition. The mysteries of this ancient tradition will enhance your understanding of the bride, the Church, and God's ultimate plan. The author uses the wedding tradition forms a framework to bring together scriptures from Jesus' Olivet Discourse, the Days of Daniel, the Scroll of Revelation, and the End Times. When you read about the ten elements of the wedding tradition, you will begin to see the beauty and purpose behind our finding a relationship with God in a new and exciting way. The Wedding, the Wine, & the Water Mary Billings, 2019-04-22 Wedding traditions can change dramatically from culture to culture, from place to place, and from time to time. Yet in the Bible we can discover both a symbolism and a prophetic line that can take us from Old Testament to New Testament—from ancient Jewish culture and traditions to the burgeoning good news of Christ's gospel—and all of this can be found through the wedding ceremony and covenant. The Wedding, the Wine, and the Water weaves together a tapestry of ancient Jewish wedding traditions and the gospel, exploring the symbolism of wine and water that God uses to reveal his plan to pursue us with a tenacious love through his Son, Jesus. Author Mary T. Billings explains how the tradition of the wine, ever present in the ancient traditions, is used to ceremonially invite and covenant the bride to the groom—something that is echoed in the New Testament gospel as Christ's invitation to us, his bride. While wedding traditions can change, God's wedding covenant with his bride is immutable and forever. This is a love story that began before we were even born, and it is one that will last for eternity. By connecting the elements and symbols of this marriage from the Old Testament through to the New Testament, we can be drawn into a more intimate relationship with Christ.

*Timeless Traditions* Lisl M. Spangenberg, Beverly Clark, 2001 Timeless Traditions places the world at your feet--or at least within your grasp, which is as it should be for everyone in love. For engaged couples around the world, this volume is an indispensable, comprehensive guide to the wedding traditions of the major faiths and more than one hundred countries and peoples, spanning the cultures and regions of past and present. Written by Elegant Bride feature contributor Lisl M. Spangenberg and illustrated with sumptuous two-color illustrations, Timeless Traditions focuses on each step along the path to marriage, from pre-wedding to ceremonial rituals and from celebratory to post-wedding traditions. Within each section, specific customs are described in an A-to-Z format. Traditional dress, food, music, dance, and gifts are all featured, along with vows, readings, and toasts, from Asia to Zimbabwe. Rediscover time-honored customs and read about practices which, though thousands of years old, may be new to you. Learn why the bride stands to the groom's left, what the Asian tea ceremony involves, how the African custom of loading the bride parallels the bridal shower, and why the brides of so many cultures wear veils. Within these pages, discover the courtship and wedding rituals that speak to you and help you map out a meaning-filled celebration for your personal romance. The perfect guide for couples who want to lend the richness and resonance of tradition to their wedding day, Timeless Traditions is also an ideal resource for wedding planners and others involved in the wedding industry.

**Best Ceremony Ever: How to Make the Serious Wedding Stuff Unique** Christopher Shelley, 2019-02-12 Gravitas and fun get married within these pages, and we're all invited. Certified lifecycle celebrant Christopher Shelley is on a mission to revolutionize the wedding ceremony—or at least to make it as enjoyable as the reception. In *Best Ceremony Ever.*, he will forever alter the way couples and wedding pros think about tying the knot. Shelley, who has officiated hundreds of weddings, walks couples and officiants through working together, from setting the atmosphere to telling an unforgettable love story. He shares questions for the couple to ask themselves before meeting with their officiant, and offers a wedding vow workshop and complete sample ceremonies. Shelley cares about the guests as much as the couple getting married, and his friendly, entertaining guide is a treasure chest of ideas to make guests laugh, cry, and then laugh at how much they're crying. From announcing the wedding (insert cliff-hanger) to selecting venues (consider breweries!) to choreographing processionals (dance party!) to explosive recessionals (balloon drop!), opportunities to surprise guests abound.

**The Ancient Hebrew Wedding Tradition and the Plan of Salvation** Lawrence Johnson, Mr Lawrence Wade Johnson MS, 2017-02-22 The Marriage of the Lamb. A very interesting, but vital aspect of the analogy of the marriage of the lamb, as detailed in the Revelation text, is that the focus of this wedding is not on the bride, but the focus is on the groom. While the grand event of a wedding in the modern era is much anticipated by the bride, this wedding and the consummation of the hopes and long term wait is greatly anticipated by the groom (Yahshua). More importantly the consummation of the plan of the eternal Father for his son, was arranged before the Foundation of the World. (Ephesians. 1:4) The Marriage of the Lamb is the consummation of the joy of Messiah as a man. It would not have been possible if Messiah had not been born IN the Flesh. Otherwise it would have been the union of dissimilar natures, for the Bride is of human origin. This is why Yahshua took His human nature back with Him to glory, and today we have in Heaven the MAN Yahshua Messiah. 1. Tim. 2:5. The Ancient Hebrew marriage custom, like all other Hebrew customs, were introduced by the Eternal as the true story played out over the centuries, year by year, to illustrate to common man the plan of salvation for the people of this planet. Paul told us in 2 Corinthians 10:11 that all the things Israel experienced was an example to us and for our admonition. In this study, we will use the ancient Hebrew wedding custom as a template and to it we will overlay this tradition with the plan of salvation. We will show how the Almighty played out this series of events using the Nation of the Children of Israel as an example of his bride. He demonstrates how his people, the bride, is to honor the covenant agreement with Him.
