War Hammers I Brian Belton,2014-08-04 This book tells the fascinating story of West Ham United Football Club during the First World War, charting the relationship between war and football by following the pursuits of West Ham from 1913/14 to 1918/19. In many ways, it was their success in wartime competitions that led to them being accepted into the Football League in 1919, paving the way for subsequent FA Cup and League success. As well as a football story, this book is about the impact of the war on Britain. It documents the social implications of war on Londoners and the social and political influence of football, the armed forces and civilians alike. Looking closely at the 13th Service Battalion, also known as the 'West Ham Pals', the book includes such players as George Kay, Ted Hufton, and their manager and coach, Syd King and Charlie Paynter respectively.

West Ham United on This Day John Northcutt,2008-10-01 West Ham United On This Day chronicles, in diary form, the major events in the club's history. With individual entries for every day, and multiple listings for more historic and busier days, the book includes all the club's big matches, promotions, cup runs, significant events, and sensational signings.

Hammer Time Julian Dicks,2023-06-08 'pulls no punches' The Sun 'full of eventful tales from the past' Daily Mail 'punchy, earthy ... entertaining stories that capture football in an era long before sanitised PR and Instagram self-promotion' The Independent From West Ham's cult hero, Julian Dicks, a hugely entertaining romp through football and the East End of the Eighties and Nineties. 'Cult figure' is a term hardly used in football these days: where have they all gone? In the sterile and corporate modern game, is there room for the mercurial midfielder or the tough-tackling defender or the pot-bellied goal poacher? Rewind two or three decades and British professional football was stuffed to the gunnels with these 'one-offs': players with bags of talent, yes, but also lorryloads of personality and a hugely relatable quality which meant they'd all be playing Sunday morning park football if they hadn't become professionals. No media training, no filter, no 5% body fat, no cryotherapy chambers, and no quiet nights in with a curly kale salad and a glass of carrot juice. Meet Julian Dicks. Wonderful name, wonderful player and undoubtedly one of the greatest cult figures to play for West Ham United. Hammer Time is Dicks' hugely entertaining romp through his career with WestHam, shot through with all the great anecdotes of life as a pro back then, and peppered with all the marvellous characters who crossed his path in those halcyon days. It evokes memories of intimidating away crowds, muddy pitches, no-nonsense tackling, card schools on the

bus, big nights out after matches, and the special camaraderie that was forged between players of that era. Hammer Time is also an open love letter to the unique character and atmosphere of West Ham United and East London, conjuring up - with great warmth and nostalgia - a fast disappearing world of strong working-class communities, proper East End boozers and those iconic pie and mash shops.

Tony Carr Tony Carr,2022-04-07 'A man who had such a huge impact on my career and so many other young players at West Ham United. I highly recommend this fantastic read.' FRANK LAMPARD JR 'This man passed on the West Ham DNA to the best generation of academy graduates to come through the West Ham system.' RIO FERDINAND 'A West Ham United man, a must read for every West Ham United fan.' MARK NOBLE The autobiography of a West Ham legend - including exclusive interviews with Rio Ferdinand, Frank Lampard, Michael Carrick, Joe Cole and Mark Noble. Tony Carr is one of the most influential coaches of all time. Having achieved his boyhood dream of signing with West Ham United in 1966 and training alongside the inimitable Bobby Moore, a leg break forced Carr to end his playing career before it had even begun. Not to be deterred, he decided to forge himself a new path and was appointed director of youth football at West Ham in 1973, aged just 23. As Carr tells in this book the very first time, over the next 43 years he honed his craft, becoming hugely admired for identifying and nurturing young talent, guiding multiple generations of international starlets through the ranks at The Academy of Football. In his brilliant, understated style, Tony tells the incredible story of his footballing life. He recounts the highs and lows of his time with West Ham, with tales of the twelve managers he coached under. This unique evocation of a coach's craft includes exclusive interviews with Rio Ferdinand, Frank Lampard, Michael Carrick, Joe Cole and current West Ham captain Mark Noble as they talk frankly about football and their place within it.
