What i Saw Today: Confessions of the Self Absorbed Observer Robert Shields,2009-08-24 Comical look at life through social networking

I'll Take Your Questions Now Stephanie Grisham,2021-10-05 The most frank and intimate portrait of the Trump White House yet Stephanie Grisham rose from being a junior press wrangler on the Trump campaign in 2016 to assuming top positions in the administration as White House press secretary and communications director, while at the same time acting as First Lady Melania Trump's communications director and eventually chief of staff. Few members of the Trump inner circle served longer or were as close to the first family as Stephanie Grisham, and few had her unique insight into the turbulent four years of the administration, especially the personalities behind the headlines.

I Saw My PA Today Lavette M Shirley Elee Pa-C, Lavette Shirley Elee, 2020-08-10 *I Saw My P.A. Today* is an educational book for young children written by Lavette Shirley Elee. The story features an active little girl who falls and injures her knee while running. The girl's mother decides that they need to go to the urgent care clinic. The child is scared and doesn't want to go, but the P.A. who tends to her injuries is kind and soon the little girl feels much happier and safer. This story is written for children in the pre-school to early elementary range. The book has colorful pictures and there is good contrast between the text and the background so it is easy to read. The simple rhyming scheme makes the story easy and fun to follow, which is helpful for children who are learning how to read. I think that the book could be useful for those studying to be medical providers to read as well, because it gives an insight into the way young children think. Young children need to be informed about medical procedures that they are undergoing in simple terms, and they need to be treated with compassion and respect. I was born in a time when medical providers tended to be scary, authoritarian figures who never explained what they were doing before doing it, and who tended to sneak

up on the patient with a shot or such.

Heaven Changes Everything Todd Burpo, Sonja Burpo, 2015-01-13 There's so much more to the story. Todd and Sonja Burpo's almost-four-year-old son Colton made an unforgettable trip to heaven and back during the darkest, most-stressed-out days of their lives. Times were tough, money was scarce and the bills, frustrations, and fears were piled high. The story of Colton's visit to heaven changed their lives—and the book they wrote about it, *Heaven Is for Real*, gave new hope to millions of readers. In *Heaven Changes Everything*, the Burpos share details about their experience and about Colton's visit to heaven that they weren't able to include in the original story or in the Sony Pictures release of the *Heaven Is for Real* movie. Practical and inspiring, the short essays shed light on living with a miracle and the afterlife, each ending with a relevant scripture. Listen in as Todd, and for the first time ever Sonja, from her perspective as a mom, show you how believing heaven is for real helps us survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. This newly revised edition offers bonus material including: New foreword Never-before-seen family photos Favorite scenes from the movie Q&A section Come see how heaven can indeed touch earth and change everything.
