*What Color is Monday?* Carrie Cariello, 2015-01-21 One day Jack asked me, 'What color do you see for Monday?' 'What?' I said distractedly. 'Do you see days as colors?' Raising five children would be challenge enough for most parents, but when one of them has been diagnosed with Autism Spectrum Disorder, life becomes a bit more chaotic, a lot more emotional, and full of fascinating glimpses into a unique child's different way of thinking. In this moving memoir, Carrie Cariello invites us to take a peek into exactly what it takes to get through each day juggling the needs of her whole family. Through hilarious mishaps, honest insights, and heartfelt letters addressed to her children, she shows us the beauty and wonder of raising a child who views the world through a different lens, and how ultimately autism changed her family for the better.
