**Win the Heart** Mark Miller, 2019-03-05 Learn how to create a workforce that's more creative, more driven, and more enthusiastic about reaching company goals. Every great company has an engaged workforce, and nurturing a culture of engagement is at the heart of great leadership—employees who really care about their work, their coworkers, and the organization can supercharge a company's success. But for many years, engagement has been suffering. Gallop reports that seventy percent of employees are not fully engaged on the job. Mark Miller draws on more than forty years of leadership experience to show leaders at all levels how to change the conversation and create real competitive advantage in the process. In the fourth book in Miller's High Performance Series, CEO Blake Brown sets out to discover how to create the kind of workplace where everyone feels excited to come to work, passionate about what he or she brings to the company, and energized at the end of the day. It's a journey that takes him literally all over the world—from Italy to Greece to Green Bay and more. What he discovers from the pages of history is as relevant as the evening news. Engagement unleashes untapped potential buried deep within the hearts of your people. An engaged workforce is more creative, more driven, and more enthusiastic about reaching company goals. If you put the lessons in this book to work, your people will never look at work, or their leaders, the same way again. "Virtually anything is possible if enough people care...Win the Heart will show you how to ensure they do!" —Scott Harrison, New York Times—bestselling author of *Thirst* "Win the Heart is an easy, entertaining, and engaging read with simple yet powerful reminders of our role as leaders. I couldn't put it down! If you want something magical to happen in your organization, read and apply the ideas in this book." —Dina Dwyer-Owens, brand ambassador and former CEO, Neighborly "Win the Heart: easy to read, profoundly simple, rock solid! Mark Miller has written another classic!" —Bobb Biehl, executive mentor and author "Win the Heart is a must-read for any leader at any level! In your hands, you hold a brilliant roadmap that breaks down how to make choices as a leader to overcome the "just a job" mentality and catapult your organization to new heights." —Simon T. Bailey, breakthrough strategist

**To Win Her Heart** Karen Witemeyer, 2011-05-01 Do They Have a Fighting Chance at Love? After completing his sentence for the unintentional crime that derailed his youthful plans for fame and fortune, Levi Grant looks to start over in the town of Spencer, Texas. Spencer needs a blacksmith, a trade he learned at his father's knee, and he needs a place where no one knows his past. Eden Spencer has sworn off men, choosing instead to devote her time to the lending library she runs in the

town her father founded. When a mountain-sized stranger walks through her door and asks to borrow a book, she's reluctant to trust him. Yet as the mysteries of the town's new blacksmith unfold, Eden discovers hidden depths in him that tempt her heart. Eden believes she's finally found a man of honor and integrity. But when the truth about Levi's prodigal past comes to light, can this tarnished hero find a way to win back the librarian's affections? Witemeyer's hard-hitting Christian historical romance skillfully incorporates Jesus' parables of the prodigal son and the adulteress' rock-toting accusers into her characters' struggles with redemption, worthiness, and new beginnings. A commendable addition to the genre.--Booklist Witemeyer is a talented author who plumbs the heart and soul of her characters while keeping a smile on the lips of the reader. Gentle humor pervades the story, never mocking, never crude, yet consistently illuminating the conundrums of life... *To Win Her Heart* is charming inspirational fiction that will certainly win the hearts of those who enjoy this genre.-- Historical Novels Review Seamless writing with an unexpectedly complex plot... This novel has everything that I love about Christian historical fiction.--Christian Manifesto

*The Mating Mind* Geoffrey Miller,2011-12-21 At once a pioneering study of evolution and an accessible and lively reading experience, a book that offers the most convincing—and radical—explanation for how and why the human mind evolved. Consciousness, morality, creativity, language, and art: these are the traits that make us human. Scientists have traditionally explained these qualities as merely a side effect of surplus brain size, but Miller argues that they were sexual attractors, not side effects. He bases his argument on Darwin's theory of sexual selection, which until now has played second fiddle to Darwin's theory of natural selection, and draws on ideas and research from a wide range of fields, including psychology, economics, history, and pop culture. Witty, powerfully argued, and continually thought-provoking, *The Mating Mind* is a landmark in our understanding of our own species.

*One Heart to Win* Johanna Lindsey,2013-06-11 Lindsey's golden anniversary 50th novel! #1 New York Times bestselling author Johanna Lindsey presents a passionate novel of hidden identities, family secrets, and love that transcends a fifty-year feud set in the majestic ranchland of 1880s Montana Territory. Some young ladies marry for money and social standing, a few lucky ones marry for love, but Tiffany Warren is marrying to end a feud. Honoring her mother's wishes, Tiffany reluctantly travels west to meet her estranged father and his enemy's eldest son, rancher Hunter Callahan. Once the Warrens and the Callahans are united by marriage, both clans will stop squabbling over a disputed strip of land. But in the chaos of a train robbery Tiffany seizes a golden opportunity: By assuming the identity of her father's new housekeeper she can live with the father she never knew while assessing

the character of the neighboring cowboy to whom she is betrothed. But the moment she steps off the train, the Callahans steal the “housekeeper” from their rivals, the Warrens! Now Tiffany, masquerading as Jennifer Fleming, finds herself living in the enemy camp, under the same roof as her fiancé, a handsome, sweettalking charmer whom she has to fight off because he can’t keep his eyes— or his hands—off Jennifer. After Tiffany’s charade is exposed, she refuses to marry Hunter. How can she wed a man who is in love with another woman? As Hunter goes about claiming his rightful bride-to-be, he knows he loves two women—proper, elegant Tiffany as well as spunky, passionate Jennifer—but he has only one heart to win.

The Glass Town Game Catherynne M. Valente,2017-09-05 A Parents’ Choice Gold Award Winner “Dazzling.” —Publishers Weekly (starred review) Charlotte and Emily Brontë enter a fantasy world that they invented in order to rescue their siblings in this “lovely, fanciful” (Booklist, starred review) novel from the New York Times bestselling author of *The Girl Who Circumnavigated Fairyland in a Ship of Her Own Making*. Inside a small Yorkshire parsonage, Charlotte, Branwell, Emily, and Anne Brontë have invented a game called Glass Town, where their toy soldiers fight Napoleon and no one dies. This make-believe land helps the four escape from a harsh reality: Charlotte and Emily are being sent away to a dangerous boarding school. But then something incredible happens: a train whisks them all away to a real Glass Town, and the children trade the moors for a wonderland all their own. This is their Glass Town...almost. Their Napoleon never rode into battle on a fire-breathing porcelain rooster. And the soldiers can die; wars are fought over a potion that raises the dead, a potion Anne would very much like to bring back to England. But returning is out of the question—Charlotte will never go back to that horrible school. Together the Brontë siblings must battle their own imaginations in this magical celebration of authorship, creativity, and classic literature from award-winning author Catherynne M. Valente.
