**You And Everything After** Ginger Scott,2014-12-05 I'm that teenaged girl who has MS. You haven't met me, but you've seen me around. You probably know my sister. We're twins, and she's the pretty one. Maybe you've heard about my reputation, how much I like to hook up at parties—how easy it is to get me in bed, get what you want, and forget about me after. Forget what you think you know. I'm leaving that girl behind. College is all about new beginnings. So from now on—I'm just Cass. And the rest...it isn't written yet. And no one else gets to write my story for me. ----- "Tyson Preeter doesn't do can't." That's exactly what I want people to think when they see me. I am strong, invincible, confident, intelligent—arrogant. I'm the man who always finds a way around, over and through—until there's nothing left. Since losing my ability to walk six years ago, I've relearned life. I don't need sympathy. I don't want charity. And I don't do love. It's better this way, saves my disappointments for me, and me alone, and it saves my strength for everything I want. But Cass Owens is about to wreck everything. She's about to steal all of my strength away from me, because she needs it more. She's about to break all of my rules, and break down all of my walls. She's about to own me...completely. And I'm about to let her. \* This is the second book in the Falling Series. Book 1, This Is Falling, is out now. Each book can be read as a standalone and will focus on a different couple.

**The Paradise Plan** Elana Johnson,2022-07-19 Continue this later in life romance series from USA Today bestselling author Elana Johnson! You'll get heaps of second chance at love romance, sweet and steamy kisses, and a found family inside this friendship fiction novel featuring a Supper Club! For fans of Rachel Hanna, Brenda Novak, Susan Mallery, Pamela Kelley, Jan Moran, Elizabeth Bromke, and Kellie Coates Gilbert. Cassandra Haslam loves plans. Lunch plans, wedding plans, and floor plans—they all bring her joy. In fact, she's had her entire life planned out—career, marriage, and family—since age ten. She's smart, hard-working, and a real go-getter, and everything has fallen into place so far. Until her husband dies suddenly, right when she's about to enjoy the fruits of all of her hard work and planning, leaving Cass reeling and...well, without a plan. When her youngest graduates three months later, making her an empty-nester as well as a widow, Cass decides it's time to make a new plan for herself. It's not a back-up plan. It's a paradise plan. With one of her best friends now living in Hilton Head, Cass makes a move and purchases a piece of waterfront property on the island. It's the perfect place to build her paradisiacal life and her new self as she designs and constructs a beautiful beach house. But when she injures herself—not in the plan, by the way—she meets general-contractor-turned-doctor Harrison Tate. He helps her out of a jammed thumb, a sprained ankle, and a bruised ego. When he keeps showing up unannounced at her construction site, sometimes with her favorite pastries, Cass starts to wonder if she should add him to her daily routine... If she does, will her perfectly laid out plans fall short of paradise? Or could she find her new life and a new love, all without any plans at all?

**Hilton Head Island Romance 1 - 3** Elana Johnson, Indulge in a delightful journey to the South Carolina Lowcountry with this 3-book collection of sweet romances! For fans of heartwarming women's fiction, beach romance, and feel-good stories, immerse yourself in the first three captivating books of the Hilton Head Island Romance series by USA Today bestselling author, Elana Johnson. 1. The Love List: Beatrice Callahan loves lists. Sometimes she even makes a to-do list of things she's already done, just to go check, check, check and feel accomplished. So it's easy to understand why, when her divorce is finally final and her ex is all moved out, Bea takes a cool, close look at her life...and makes a list. But when things get confusing and her life morphs once again... Can she add fall in love at age 45 to the list and check it off? 2. The Paradise Plan: Cassandra Haslam loves plans. Lunch plans, wedding plans, and floor plans—they all bring her joy. But then her husband dies suddenly,

right when she's about to enjoy the fruits of all of her hard work and planning, leaving Cass reeling and...well, without a plan. So, with one of her best friends now living in Hilton Head, Cass makes a move and purchases a piece of waterfront property on the island. Can she find her new life and a new love, all without any plans at all? 3. The Seaside Strategy: Lauren Keller understands strategies. She adores them and never enters a marketing meeting without Strategy A, B, and C tucked away in the back of her mind. She's one of the top executives at her firm...until it all comes crashing down with the news that her boss has been stealing money from their clients for almost a decade. So she strategically decides she's had enough of the high-profile, corporate life, and she makes the move to Hilton Head Island - and the man who's asked her out before. Can she strategically insert herself into Blake's life without compromising her seaside strategy and finally get what she really wants...love and a lasting relationship? Experience the delectable sweetness of fresh beginnings and the exhilarating spice of unexpected romance as you dive into the irresistible Hilton Head Island Romance Collection!

*Wicked Game* Mercy Celeste,2014-05-02 Cass Pendleton and Jaime Dalton have been mortal enemies since the first day of kindergarten when Jaime pulled her hair and Cass knocked him flat on his ass. Jaime is on the verge of superstardom in the NFL; all that's missing is a Super Bowl ring and a personal assistant who can handle his business without handling his business. Cass seems to be the best person for the job. She's smart, mouthy, dependable, pig-headed, loyal, and completely not his type. So why can't Jaime think of anything except Cass? He knows one thing for dead certain. If the game doesn't kill him, sex with Cass Pendleton most definitely will.

**An American Teacher in Argentina** Julyan G. Peard,2016-07-27 An American Teacher in Argentina tells the story of Mary E. Gorman who in 1869 was the first North American woman to accept President Domingo F. Sarmiento's invitation to set up normal schools in Argentina, where she eventually settled. An ordinary historical actor whose life only sometimes enters the historical record, she moved along the fault lines of some of the greatest historical dramas and changes in nineteenth-century US and Argentine history: she was a pioneering child on the US-Indian frontier; she participated in the push for US women's education; she was a single woman traveler at a time when few women traveled alone; she was a player in an Argentine attempt to expand common school education; and a beneficiary of the great primary products export boom in the second half of nineteenth-century Argentina, and thus well positioned to enjoy the country's Belle Époque. The book is not a straightforward, biographical narrative of a woman's life. It charts a life, but, more important, it charts the evolving ideas in a life lived mostly among people pushing boundaries in pursuit of what they considered progress. What emerges is a quintessentially transnational life story that engages with themes of gender, education, religion, contact with indigenous peoples in both the US and Argentina, natural history, and economic and political change in Argentina in the second half of the nineteenth century. Because the book tells a good story about one woman's rich and eventful life, it will also appeal to an audience beyond academe.

**Ruins** Patricia Gangi,2018-08-15 SHE HATES GOD BUT MUST FORGIVE HIM IF SHE'S TO LOVE AGAIN. Recently widowed biblical scholar Cass Stevens has come to the Holy Land to complete her manuscript about the Apostle James, brother of Jesus. She also hopes to shed the hypocrisy she's been living with since the deaths of her husband and infant daughter. What's not on her agenda is falling in love again. While on an archaeological dig in Pella,

Jordan, however, she falls in love with the brilliant director of the dig, Jed McIntyre. But her passion for Jed threatens the safe life she's built for herself, and to love Jed fully, she must forgive God for the tragedy that took her loved ones from her, something Cass is not willing to do. Convinced that a nearby ancient monastery holds long-lost letters written by a scribe who traveled with the Apostle James, Cass closets herself in their dusty archives-away from Jed and the demands of his love, until she realizes she needs his help to translate something she's stumbled upon-a letter more stunning and potentially disruptive to Holy Mother Church than the letters she has been searching for. But there are two people close to Cass who are determined that her discovery never sees the light of day and who will go to any lengths to prevent her from making it public. *RUINS* is a story of love and loss, intrigue and redemption.

Sundowners Tonia Brown,2014-07-15 Traumatized and estranged siblings reunite against an ancient evil: "Southern-flavored horror . . . so well-written that I found myself re-reading sentences." —Stephen A. North, author of *Dead Tide* Fifteen years ago, siblings Coil and Cassiopeia suffered an incident in the woods behind their family home. An incident that neither of them are willing to remember. Something that nearly killed Cass and left Coil accused as her abuser. An act that robbed young Coil of his artistic potential, yet boosted his little sister into an almost overnight sensation in the art world. Now, the self-exiled Coil has come home to deal with his world-famous sister as she suffers from sundowning; severe and violent personality shifts after the sun sets. Coil's reluctant loyalty to his family is rewarded with an unexpected return to his artistic roots, as he wakes each day to find he has painted a brilliant but disturbing masterpiece in his sleep. As the siblings struggle to heal old family scars, something is reaching out to the small town of Ellenville, driving the townsfolk mad and leaving chaos, mayhem, and death in its wake. And the key to stopping the madness lies in Cass's sundowning and Coil's blooming talent . . .

*They Were Her Property* Stephanie E. Jones-Rogers,2020-01-07 Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy "Compelling."—Renee Graham, *Boston Globe* "Stunning."—Rebecca Onion, *Slate* "Makes a vital contribution to our understanding of our past and present."—Parul Sehgal, *New York Times* Bridging women's history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South's slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.
