

1328

William H. TeBrake

The Valois Robert Knecht,2007-04-01 The house of Valois ruled France for 250 years, playing a crucial role in its establishment as a major European power. This extremely well-written and structured book will appeal to the general reader.

Capetian France 987-1328 Elizabeth M Hallam,2014-06-06 In 987, when Hugh Capet took the throne of France, founding a dynasty which was to rule for over 300 years, his kingdom was weak and insignificant. But by 1100, the kingdom of France was beginning to dominate the cultural and religious life of western Europe. In the centuries that followed, to scholars and to poets, to reforming churchmen and monks, to crusaders and the designers of churches, France was the hub of the universe. La douce France drew people like a magnet even though its kings were, until about 1200, comparatively insignificant figures. Then, thanks to the conquests and reforms of King Philip Augustus, France became a dominant force in political and economic terms as well, producing a saint-king, Louis IX, and in Philip IV, a ruler so powerful that he could dictate to popes and emperors. Spanning France's development across four centuries, Capetian France is a definitive book. This second edition has been carefully revised to take account of the very latest work, without losing the original book's popular balance between a compelling narrative and an fascinating examination of the period's main themes.

Acts of Gubertinus de Novate, Notary of the Patriarch of Aquileia, 1328-1336 Giulio Silano,Gubertinus (de Novate),Pontifical Institute of Mediaeval Studies,1990

The Capetians Jim Bradbury,2007-02-27 Following the demise of the Carolingian dynasty in 987 the French lords chose Hugh Capet as their king. He was the founder of a

dynasty that lasted until 1328. Although for much of this time, the French kings were weak, and the kingdom of France was much smaller than it later became, the Capetians nevertheless had considerable achievements and also produced outstanding rulers, including Philip Augustus and St Louis. This wide-ranging book throws fascinating light on the history of Medieval France and the development of European monarchy.

Capetian France 987-1328 Elizabeth M

Hallam, 2014-06-06 In 987, when Hugh Capet took the throne of France, founding a dynasty which was to rule for over 300 years, his kingdom was weak and insignificant. But by 1100, the kingdom of France was beginning to dominate the cultural and religious life of western Europe. In the centuries that followed, to scholars and to poets, to reforming churchmen and monks, to crusaders and the designers of churches, France was the hub of the universe. La douce France drew people like a magnet even though its kings were, until about 1200, comparatively insignificant figures. Then, thanks to the conquests and reforms of King Philip Augustus, France became a dominant force in political and economic terms as well, producing a saint-king, Louis IX, and in Philip IV, a ruler so powerful that he could dictate to popes and emperors. Spanning France's development across four centuries, Capetian France is a definitive book. This second edition has been carefully revised to take account of the very latest work, without losing the original book's popular balance between a compelling narrative and an fascinating examination of the period's main themes.

Medieval Notaries and Their Acts Kathryn L

Reyerson, Debra A Salata, 2004-04-01 The book explores the beginnings of the continental European notarial tradition, acquainting readers with the format of notarial documents, the books containing notarial acts, and with the variety of

notarial acts. Sample documents have been selected for their interest and their illustration of specific types of contracts. All are from the 1327-28 notarial registry of Jean Holanie, the royal public notary of Montpellier.

Archbishop Simon Mepham 1328-1333: a Boy Amongst Men Roy Martin Haines, 2012-05-31 The registers of Archbishop Mepham and his successor Stratford were apparently lost, or more likely stolen, in the later Middle Ages. Stratford had been bishop of Winchester for some ten years, consequently much more is known about his activity in the episcopal office. Mepham by contrast is somewhat of an enigma. He came into office with an academic training in the wake of Walter Reynolds, who did not attend a university but was experienced in secular affairs and had been a confidant of the king when Prince of Wales. Unusually Mepham was elected by the Christ Church chapter and not provided by the pope. Bereft of political experience, he was unlucky in the time of his promotion, a period of struggle between the Mortimer/Isabella and Lancastrian factions, with the young Edward III a pawn, virtually powerless to influence events. It was only towards the end of 1330 that the king came into his own thanks to a coup d'état. Thereafter Mepham's attempts to exert his metropolitan authority and his lack of wisdom in avoiding conflict led to his sad denouement. Fortunately we know quite a lot about his more combative activities thanks to the chroniclers, particularly Dene, the reputed author of the *Historia Roffensis*, and the St. Augustines chronicler Thorne. In the eighteenth century Ducarel collected a large number of documents relating to the archiepiscopates of Mepham and Stratford, while others have come to light with the publication of the Episcopal registers of his contemporaries. In 1997 my article *An Innocent Abroad: The Career of Simon Mepham, Archbishop of Canterbury 1328-1333*, was

published in the English Historical Review. The Release of Ornaments in the Archbishops chapel and some other arrangements following Simon Mephams elevation, appeared in Archaeologia Cantiana in 2002. Since that time I have examined the Canterbury Act Books relative to that period and prepared an edition of Stratfords Winchester register, which has made it possible considerably to expand the study of Mephams. R.M.H. Clare Hall, Cambridge.

The French Apanages and the Capetian

Monarchy, 1224-1328 Charles T. Wood, 1966 An analytical study of the French apanages from their creation to the end of the Capetian period, this pioneering book offers an explanation of why the French kings began the practice of granting fiefs to their younger sons, and why they introduced the curious inheritance restrictions which limited succession in an apanage to direct heirs of the original holder. The author also examines the connection of the apanages with the royal government in terms of sovereignty, jurisdiction, administration, military obligations, and financial affairs, showing how difficult it was to draw distinctions between the two spheres of government. Since the original apanages were granted from lands only recently conquered from the English, they had the important practical effect of introducing the notion of French royal authority into areas that had not known it for centuries. People living in these lands became used to the fact that the king was the king of France, not of England. A clear understanding of the relationship of the apanages to the monarchy, the author maintains, is at the same time a large step toward an understanding of how the monarchy gained control of France and, ultimately, made a nation out of her fragmented provinces.

Chronicon Angliæ, ab anno domini 1328 usque ad annum 1388 Sir Edward Maunde Thompson,1874

Chronicon Angli', Ab Anno Domini 1328 Usque Ad Annum 1388 Edward Maunde Thompson,2012-11-15 This valuable Latin chronicle of the years 1328-88, edited by E. M. Thompson (1840-1929), was first published in 1874.

Index of Placita de Banco, A.D. 1327-1328 Great Britain. Public Record Office,1963

A Plague of Insurrection William H. TeBrake,1993-09
Beginning as a series of scattered rural riots in late 1323, peasant insurrection escalated into a full-scale rebellion that dominated public affairs in Flanders for nearly five years. Following their own leaders, peasants defied the authority of the count of Flanders by driving his officials and their aristocratic allies from the countryside. In *A Plague of Insurrection*, William H. TeBrake has written the first full-length account of the rebellion.

This Enthralling World of E-book Books: A Comprehensive Guide Revealing the Pros of Kindle Books: A World of

Convenience and Flexibility E-book books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of hardcopy books. Gone are the days of carrying bulky novels or meticulously searching for specific titles in shops. E-book devices, sleek and portable, effortlessly store an extensive library of books, allowing readers to indulge in their favorite reads anytime, everywhere. Whether traveling on a bustling train, lounging on a sunny beach, or just cozying up in bed, E-book books provide an exceptional level of convenience. A Literary World Unfolded: Exploring the Vast Array of E-book 1328 1328 The Kindle Store, a virtual treasure trove of bookish gems, boasts an wide collection of books spanning varied genres, catering to every readers preference and choice. From gripping fiction and thought-provoking non-fiction to timeless classics and contemporary bestsellers, the Kindle Shop offers an exceptional variety of titles to discover. Whether looking for escape through engrossing tales of imagination and exploration, delving into the depths of past narratives, or broadening ones knowledge with insightful works of scientific and philosophy, the Kindle Shop provides a gateway to a bookish world brimming with endless possibilities. A Revolutionary Factor in the Literary Scene: The Lasting Influence of Kindle Books 1328 The advent of Kindle books has undoubtedly reshaped the bookish scene, introducing a paradigm shift in the way books are published, disseminated, and read. Traditional publishing houses have embraced the digital revolution, adapting their approaches to accommodate the growing demand for e-books. This has led to a surge in the accessibility of Kindle titles, ensuring that readers have access to a vast array of literary works at their fingertips. Moreover, E-book books have equalized entry to books, breaking down geographical limits and providing readers

worldwide with similar opportunities to engage with the written word. Irrespective of their location or socioeconomic background, individuals can now engross themselves in the captivating world of literature, fostering a global community of readers. Conclusion: Embracing the E-book Experience

1328 E-book books 1328, with their inherent convenience, versatility, and vast array of titles, have certainly transformed the way we experience literature. They offer readers the freedom to discover the boundless realm of written expression, whenever, anywhere. As we continue to travel the ever-evolving online scene, E-book books stand as testament to the persistent power of storytelling, ensuring that the joy of reading remains accessible to all.
