Word Search Book for Adults and Seniors John Oga, 2017-01-09 This Extra Large Print Word Search Book for Adults has Puzzles in the classic word search format. That means the word seek puzzles (60) in this book have words hidden in the grid in any unbroken straight line- up or down vertically, horizontally, diagonally; backward or forward. The words can also cross share letters. This word find book has each word search puzzle comprised of two adjacent pages with words to seek (30 to a puzzle) listed on the left page and the actual puzzle on the adjacent right page, thus a full spread making it a very easy word search activity for seniors who may have visual problems. The solutions are in the rear with each solution covering a full page. In addition, this extra large print Word Search book for adults uses a giant print alphabet type having 30 point font size (for words to find, puzzles & solutions) which is equal to 1/2 inch in height. Indeed a true Extra Large (Jumbo) Print type Word Search Book designed for Adults and Seniors. One good strategy in starting to solve these word seek puzzles is to choose a word and start with the first letter and check the other eight letters (surrounding) if any one of them matches with the second letter. The other strategy to find the words in the puzzle is to check for rare letters in English words such as Q, X, U, Z. Another strategy is to scan for any recognizable words vertically, horizontally and diagonally. The 60 word search puzzles in this book for adults have interesting, fascinating and diverse themes for each puzzle; such as Poetry, Ballet, Beethoven, Civil War, Coffee, French Cognates, Finance etc.
