Chasing Superwoman Susan DiMichele,2013-03-22 The Christian community tends to operate under the assumption that the only women attending church are traditional stay-at-home moms. But in truth, more than 75% of mothers with school-age children work outside the home. Chasing Superwoman gives these working mothers what they've been craving—a funny, intelligent, relevant exploration of what it means to live out a vibrant faith amidst the many demands placed on their time and energy. Chasing Superwoman provides a much needed dialogue (not a formula) about the complex spiritual struggle of the working mother, plus a lot of laughter and encouragement for working women to embrace their busy life and trust God's grace for getting it all done.
