One of Suspense Magazine's Best Thrillers of 2021 One of New York Public Library's Best Books of 2021 Nominated for the Left Coast Crime 2022 Lefty Award for the Best Humorous Mystery “Finlay Donovan is irresistible!”—Janet Evanovich Finlay Donovan is killing it . . . except, she’s really not. She’s a stressed-out single-mom of two and struggling novelist, Finlay’s life is in chaos: the new book she promised her literary agent isn’t written, her ex-husband fired the nanny without telling her, and this morning she had to send her four-year-old to school with hair duct-taped to her head after an incident with scissors. When Finlay is overheard discussing the plot of her new suspense novel with her agent over lunch, she’s mistaken for a contract killer, and inadvertently accepts an offer to dispose of a problem husband in order to make ends meet . . . Soon, Finlay discovers that crime in real life is a lot more difficult than its fictional counterpart, as she becomes tangled in a real-life murder investigation. Fast-paced, deliciously witty, and wholeheartedly authentic in depicting the frustrations and triumphs of motherhood in all its messiness, hilarity, and heartfelt moment, Finlay Donovan Is Killing It is the first in a brilliant new series from YA Edgar Award nominee Elle Cosimano.

Marion Lane and the Midnight Murder T.A. Willberg,2020-12-29 This is the most fun I've had with a book this year. Every page is a delight and the mystery got its hooks into me from the first chapter.” – Stuart Turton, bestselling author of The 7½ Deaths of Evelyn Hardcastle The letter was short. A name, a time, a place. Marion Lane and the Midnight Murder plunges readers into the heart of London, to the secret tunnels that exist far beneath the city streets. There, a mysterious group of detectives recruited for Miss Brickett’s Investigations & Inquiries use their cunning and gadgets to solve crimes that have stumped Scotland Yard. Late one night in April 1958, a filing assistant at Miss Brickett’s receives a letter of warning, detailing a name, a time, and a place. She goes to investigate but finds the room empty. At the stroke of midnight, she is murdered by a killer she can’t see—her death the only sign she wasn’t alone. It becomes chillingly clear that the person responsible must also work for Miss Brickett’s, making everyone a suspect. Marion Lane, a first-year Inquirer-in-training, finds herself drawn ever deeper into the investigation. When her friend and colleague is framed for the crime, to clear his name she must sort through the hidden alliances at Miss Brickett’s and secrets dating back to WWII. Masterful, clever and deliciously suspenseful, Marion Lane and the Midnight Murder is a fresh take on the Agatha Christie-style locked-room murder mystery, with an exciting new heroine detective.

Nearly Gone Elle Cosimano,2015-05-05 * “Eloquently written and packed full of suspense, debut author Cosimano strikes gold with this page-turning thriller that will have teens chomping at the bit to get to the end.”—School Library Journal, starred review Nearly Boswell knows how to keep secrets. Living in a DC trailer park, she knows better than to share anything that would make her a target with her classmates. Like her mother's job as an exotic dancer, her obsession with the personal ads, and especially the emotions she can taste when she brushes against someone's skin. But when a serial killer goes on a killing spree and starts attacking students, leaving cryptic ads in the newspaper that only Nearly can decipher, she confides in the one person she shouldn't trust: the new guy at school—a reformed bad boy working undercover for the police, doing surveillance. . . on her. Nearly might be the one person who can put all the clues together, and if she doesn't figure it all out soon—she'll be next.

Mating Systems and Strategies Stephen M. Shuster,Michael J. Wade,2019-12-31 This book presents the first unified conceptual and statistical framework for understanding the evolution of reproductive strategies. Using the concept of the opportunity for sexual selection, the authors illustrate how and why sexual selection, though restricted to one sex and opposed in the other, is one of the strongest and fastest of all evolutionary forces. They offer a statistical framework for studying mating system evolution and apply it to patterns of alternative mating strategies. In doing so, they provide a method for quantifying how the strength of sexual selection is affected by the ecological and life history processes that influence females' spatial and temporal clustering and reproductive schedules. Directly challenging verbal evolutionary models that attempt to explain reproductive behavior without quantitative reference to evolutionary genetics, this book establishes a more solid theoretical foundation for the field. Among the weaknesses the authors find in the existing data is the apparent ubiquity of condition-dependent mating tactics. They identify factors likely to contribute to the evolution of alternative mating strategies--which they argue are more common than generally believed--and illustrate how to measure the strength of selection acting on them. Lastly, they offer predictions on the covariation of mating systems and strategies, consider the underlying developmental biology behind male polyphenism, and propose directions for future research. Informed by genetics, this is a comprehensive and rigorous new approach to explaining mating systems and strategies that will influence a wide swath of evolutionary biology.

Blindness José Saramago,2013-08-23 A stunningly powerful novel of humanity's will to survive against all odds during an epidemic by a winner of the Nobel Prize for Literature. An International Bestseller • This is a shattering work by a literary master.”—Boston Globe A city is hit by an epidemic of white blindness which spares no one. Authorities confine the blind to an empty mental hospital, but there the criminal element holds everyone captive, stealing food rations and raping women. There is one eyewitness to this nightmare who guides seven strangers—among them a boy with no mother, a

girl with dark glasses, a dog of tears—through the barren streets, and the procession becomes as uncanny as the surroundings are harrowing. A magnificent parable of loss and disorientation, Blindness has swept the reading public with its powerful portrayal of our worst appetites and weaknesses—and humanity's ultimately exhilarating spirit. This is a an important book, one that is unafraid to face all of the horror of the century.—Washington Post A New York Times Notable Book of the Year A Los Angeles Times Best Book of the Year

A dangerous juvenile rehabilitation center in Denver, Colorado, known as the Y, is Smoke's new home and the only one he believes he deserves. But, unlike his fellow inmates, Smoke is not in constant imprisonment. After a near death experience leaves him with the ability to shed his physical body at will, Smoke is able to travel freely outside the concrete walls of the Y, gathering information for himself and his fellow inmates while they're asleep in their beds. Convinced his future is only as bright as the fluorescent lights in his cell, Smoke doesn't care that the threads that bind his soul to his body are wearing thin-that one day he may not make it back in time. That is, until he meets Pink, a tough, resourceful girl who is sees him for who he truly is and wants to help him clear his name. Now Smoke is on a journey to redemption he never thought possible. With Pink's help, Smoke may be able to reveal the true killer, but the closer they get to the truth, the more deadly their search becomes. The web of lies, deceit, and corruption that put Smoke behind bars is more tangled than they could have ever imagined.
