

Young Blood

Sylvester Barzey

Youngblood Sasha Laurens,2022-07-19 High school sucks. Especially for the undead. “This is the lesbian vampire boarding school story I've always needed, but it's smarter, nastier, and more fun than I ever could have dreamed. —Kylie Schachte, author of You're Next Kat Finn and her mother can barely make ends meet living among humans. Like all vampires, they must drink Hema, an expensive synthetic blood substitute, to survive, as nearly all of humanity has been infected by a virus that’s fatal to vampires. Kat isn’t looking forward to an immortal life of barely scraping by, but when she learns she’s been accepted to the Harcote School, a prestigious prep school that’s secretly vampires-only, she knows her fortune is about to change. Taylor Sanger has grown up in the wealthy vampire world, but she’s tired of its backward, conservative values—especially when it comes to sexuality, since she’s an out-and-proud lesbian. She only has to suffer through a two more years of Harcote before she’s free. But when she discovers her new roommate is Kat Finn, she’s horrified. Because she and Kat used to be best friends, a long time ago, and it didn’t end well. When Taylor stumbles upon the dead body of a vampire, and Kat makes a shocking discovery in the school’s archives, the two realize that there are deep secrets at Harcote—secrets that link them to the most powerful figures in Vampirism and to the synthetic blood they all rely on.

Youngblood John Oliver Killens,2000-04-01 John Oliver Killens's landmark novel of social protest chronicles the lives of the Youngblood family and their friends in Crossroads, Georgia, from the turn of the century to the Great Depression. Its large cast of powerfully affecting characters includes Joe Youngblood, a tragic figure of heroic physical strength; Laurie Lee, his beautiful and strong-willed wife; Richard Myles, a young high school teacher from New York; and Robby, the Youngbloods' son, who takes the large risk of becoming involved in the labor movement.

Youngblood Matt Gallagher,2016-02-02 As the U.S. military prepares to leave Iraq, Lieutenant Jack Porter becomes obsessed with the story of a lost American soldier who had a romance with a local sheikh's daughter and tries to discover what happened to him.

Young Blood Sifiso Mzobe,2021-04-13 In the Umlazi Township in Durban, South Africa, seventeen-year-old Sipho discovers the thrills and consequences of a car theft life. Winner of the 2011 Herman Charles Bosman Award, the Sunday Times Fiction Prize, and the Wole Soyinka Prize for Literature in Africa.

Young Blood and Old Paint William Frank,2022-01-15 Tommy McNaul is an FBI agent with twenty-five years of service, a firm sense of law and order, a beautiful Irish wife, and a passion for fine art. He risks them all one snowy night when he and his partner, Kate Bacon, lead a sting operation in Boston. Their mission is to recover Vermeer's “The Concert,” stolen from the Isabella Gardner Stewart Museum in 1995. The sting erupts in a blaze of gunfire, and Tom's life spins out of control. Forced into retirement from the FBI, and pursued by elements of the Boston mob, Tom seeks refuge in his native homeland of New Mexico. He teams up with his estranged older brother, Willie, an ex-marine turned private detective living in Santa Fe. Tom and Willie plan to pursue local cases of art forgery and theft, but the murder of a young gallery worker hurls them into the dark, violent world of international art crime. Tom finds himself increasingly torn. Is he still a man of law and order, or does he belong in the darker world of justice and vengeance? In an era of cookie-cutter plots and characters, Young Blood pulses with welcome, witty originality. Combined with a setting in quirky, historic Santa Fe, the story moves to a brisk and unexpected conclusion. Action, suspense, intrigue, and a smidgeon of romance make this look at the dangerous business of art theft and counterfeiting a memorable read. It's just what I like in a mystery. William Frank has a seasoned storyteller's gift for creating memorable plot twists. I was hooked from the first page. —Anne Hillerman, author of the New York Times best-selling Leaphorn/Chew/Manuelito mysteries

Young Blood Bob O'Brien,2014-09-01 the Story of the Family Murders No one has been able to put the whole saga of the notorious so-called Family murders together before now. After years of speculation and rumour, for the first time the real-life expose about this famous series of murders in Adelaide can be told by the man who solved the case. South Australia has an international reputation for being the home of some very strange murders. But during the 1970s this capital city was shocked when a series of young men, all fit and healthy, disappeared from its streets one by one. their bodies were found dumped in the countryside outside the city. All were mutilated and some were dismembered. A group of prominent SA judges and businessmen, believed to be gay, were suspected of being involved with the killings (they weren't). this group were dubbed the Family. the author he detective who investigated the murder of the most high profile of the victims (the son of the city's pre-eminent TV newsreaders) eventually arrested accountant Bevan Von Einem, who is still in gaol for his crimes.

Youngblood Hawke Herman Wouk,2014-01-02 Aspiring writer Arthur Youngblood Hawke moves from Hovey, Kentucky, to New York City with nothing but a manuscript and a dream: to make it as a novelist. When, impossibly, his manuscript is sold - and becomes an overnight success - Hawke finds himself instantly famous and wealthy beyond his wildest dreams. He gives himself over to the high life, enjoying everything fame, fortune and New York City can offer. But Hawke, like so many dreamers before him, will discover that fame and fortune are dangerous friends.

Blood Jack Youngblood,Joel Engel,1988

Young Blood E. W. Hornung,2015-12-07 Young Blood

Expanded Cinema Gene Youngblood,2020-03-03 Fiftieth anniversary reissue of the founding media studies book that helped establish media art as a cultural category. First published in 1970, Gene Youngblood’s influential Expanded Cinema was the first serious treatment of video, computers, and holography as cinematic technologies. Long considered the bible for media artists, Youngblood’s insider account of 1960s counterculture and the birth of cybernetics remains a mainstay reference in today’s hypermediated digital world. This fiftieth anniversary edition includes a new Introduction by the author that offers conceptual tools for understanding the sociocultural and sociopolitical realities of our present world. A unique eyewitness account of burgeoning experimental film and the birth of video art in the late 1960s, this far- ranging study traces the evolution of cinematic language to the end of fiction, drama, and realism. Vast in scope, its prescient formulations include “the paleocybernetic age,” “intermedia,” the “artist as design scientist,” the “artist as ecologist,” “synaesthetics and kinesthetics,” and “the technosphere: man/machine symbiosis.” Outstanding works are analyzed in detail. Methods of production are meticulously described, including interviews with artists and technologists of the period, such as Nam June Paik, Jordan Belson, Andy Warhol, Stan Brakhage, Carolee Schneemann, Stan VanDerBeek, Les Levine, and Frank Gillette. An inspiring Introduction by the celebrated polymath and designer R. Buckminster Fuller—a perfectly cut gem of countercultural thinking in itself—places Youngblood’s radical observations in comprehensive perspective. Providing an unparalleled historical documentation, Expanded Cinema clarifies a chapter of countercultural history that is still not fully represented in the arthistorical record half a century later. The book will also inspire the current generation of artists working in ever-newer expansions of the cinematic environment and will prove invaluable to all who are concerned with the technologies that are reshaping the nature of human communication.

Young Blood Sylvester Barzey,2024-01-30 New York is a desolate wasteland overrun with vampires. To survive, a sixteen-year-old girl must do the unthinkable. Raven has carved out a precarious existence as a trader, navigating the treacherous underworld to secure supplies for herself and her autistic sister, Star. Their only sanctuary? A room in the local gun shop is provided by a kind-hearted owner who will risk everything to protect them. They’re safe - Until vampires swarm their doorstep and devour the only person willing to protect them. Desperate to keep her sister safe, Raven joins a covert military unit dedicated to eradicating the vampires that terrorize the city. Her life will be brutal - early morning workouts, grueling weapons training, and a deadly showdown with the bloodthirsty vampire who rules from the city’s shadows. But even her new military family is far from safe. Whispers of a traitor spread and their knife might be angled at Raven’s back. Young Blood is the first book in the new Young Blood series by Sylvester Barzey.

Young Blood Jo-Anne Birnie Danzker,Maikoiyo Alley-Barnes,2016-10-15 Catalogue of the exhibition at the Frye Art Museum, Seattle, April 16 ? June 19, 2016

The Youngblood Project Bruce Kost,2002 In this eerie thriller an insane old ex-Nazi doctor develops a serum for the CIA which alters the gender of a male to a female. Attempting to perfect the serum on the latest

victim, the experiment turns terribly wrong.

Young Blood Omnibus Volume One Jorge V. Aruta,Ruel S. De Vera,Ma. Ceres P. Doyo,Letty Jimenez-Magsanoc,2020-10-23 Since 1994, the ground-breaking Young Blood column in the Philippine Daily Inquirer’s Opinion section, giving voice to the love and loss, the highs and lows, the victories and disappointments of Filipino twentysomethings and younger. It has become required reading for the youth and a rite of passage for the aspiring young writer. Since then, the best of the Young Blood essays has been collected in anthologies; the Young Blood books are now in its 7th incarnation. Now, the out-of-print first three volumes of that series, 1998’s The Best of Youngblood, 2000’s Youngblood 2.0 and 2006’s Youngblood3 have been collected exclusively in a single electronic volume with more than 800 pages. The essays in Young Blood Omnibus Volume One gather the experiences of young people in the Philippines but are also universal for young people anywhere in just how authentic, personal and well-written they are.

Blood Red Road Moira Young,2011-06-07 This fast-paced YA debut novel has it all: smart, savvy characters making their way through an eerily dystopian society, with all the requisite action, adventure and romance characteristic of the genre vividly and at times, chillingly, portrayed. In a wild and lawless future, where life is cheap and survival is hard, eighteen-year-old Saba lives with her father, her twin brother Lugh, her young sister Emmi and her pet crow Nero. Theirs is a hard and lonely life. The family resides in a secluded shed, their nearest neighbour living many miles away and the lake, their only source of water and main provider of food, gradually dying from the lack of rain. But Saba's father refuses to leave the place where he buried his beloved wife, Allis, nine years ago. Allis died giving birth to Emmi, and Saba has never forgiven her sister for their mother's death. But while she despises Emmi, Saba adores her twin brother Lugh. Golden-haired and blue-eyed, loving and good, he seems the complete opposite to dark-haired Saba, who is full of anger and driven by a ruthless survival instinct. To Saba, Lugh is her light and she is his shadow, he is the day, she is the nighttime, he is beautiful, she is ugly, he is good, she is bad. So Saba's small world is brutally torn apart, when a group of armed riders arrives five day's after the twin's eighteenth birthday snatch Lugh away. Saba's rage is so wild, that she manages to drive the men away, but not before they have captured Lugh and killed their father. And here begins Saba's epic quest to rescue Lugh, during which she is tested by trials she could not have imagined, and one that takes the reader on breathtaking ride full or romance, physical adventure and unforgettably vivid characters, making this a truly sensational YA debut novel.

Young Blood Omnibus Volume Two Ruel S. De Vera,Rosario A. Garcellano,Pam Pastor,Javier Vicente D. Rufino,2021-11-10 Since 1994, the ground-breaking Young Blood column in the Philippine Daily Inquirer’s Opinion section, giving voice to the love and loss, the highs and lows, the victories and disappointments of Filipino twentysomethings and younger. It has become required reading for the youth and a rite of passage for the aspiring young writer. Since then, the best of the Young Blood essays has been collected in anthologies; the Young Blood books are now in its 7th incarnation. After 2020’s Young Blood Omnibus Volume One collected the first three out-of-print volumes in electronic form, Young Blood Omnibus Volume Two collects 2012’s Young Blood 4, 2015’s Young Blood 5 and 2017’s Young Blood Six digitally for the first time. The personal, authentic, well-crafted essays in Young Blood Omnibus Volume Two chronicle the continued experiences of young people in the Philippines but are relatable to young people anywhere.

Young Blood T. Marshall Bunn,2022-06-10 The city of Augusta is under attack, and people are dying. At the center of this is Ray Young, a boy whose friends and sisters have found a way to turn themselves into vampires. Too immature to understand the consequences of their actions, these children repeatedly unleash this terror upon their hometown. The authorities are struggling to cope, and many remain in denial about what is happening. Ray and the others continue to get away with their crimes, but things turn even darker as events spiral out of control. Loyalties shift, and consequences start to catch up with them. Just when it seems like the nightmare might be coming to an end, new dangers emerge. As the first volume of The Young Blood Trilogy, Young Blood is a nostalgic visit to the American South in the 1980s mixed with a horror story, but with some twists. Long-standing traditions clash with progressive ideas, and concepts such as amorality, superstition, and personal responsibility come into question.

The Young Blood Erin Satie,2016-11-01 A rogue falls in love with a married woman in 1841 England.

Forever Young Barbara Stanzl,Brett Fitzpatrick,2020-05-15 Jasmine, a young anthropology student arrives in Venice, Italy, to research ghost stories. She meets a mysterious young woman who is trapped in a world as ancient and violent as any ghost story. Jasmine starts to help her new friend to escape her mausoleum of a life, and the man who is her beguiling tormentor, but gradually she too starts to fall under his spell.

Young Blood Tricia Fields,2020-05-01 Maggie Wise, a retired homicide cop turned radio presenter, is asked to help the local police with the case of two missing girls. Dr Oscar LeBlanc is close to a medical breakthrough to cure dementia and other degenerative diseases . . . but in order to succeed he needs to illegally obtain plasma from prepubescent children. He believes the ends justify the means and two young girls are abducted. The disappearance of the girls causes a lockdown of the area and, when one of the girl’s parents prove uncooperative with the police, former homicide cop turned radio presenter Maggie Wise offers to help. Maggie quickly forms a connection with the family just as the girls are recovered. LeBlanc is quickly suspected, but after he is questioned he’s found dead from an apparent suicide. However, the circumstances are suspicious and Maggie finds herself conflicted when the family become the prime suspects.
