

# Your Tube

Derral Eves

*The YouTube Formula* Derral Eves, 2021-02-24 The Wall Street Journal bestseller! Comes with free online companion course Learn the secrets to getting dramatic results on YouTube Derral Eves has generated over 60 billion views on YouTube and helped 24 channels grow to one million subscribers from zero. In *The YouTube Formula: How Anyone Can Unlock the Algorithm to Drive Views, Build an Audience, and Grow Revenue*, the owner of the largest YouTube how-to channel provides the secrets to getting the results that every YouTube creator and strategist wants. Eves will reveal what readers can't get anywhere else: the inner workings of the YouTube algorithm that's responsible for determining success on the platform, and how creators can use it to their advantage. Full of actionable advice and concrete strategies, this book teaches readers how to: Launch a channel Create life-changing content Drive rapid view and subscriber growth Build a brand and increase engagement Improve searchability Monetize content and audience Replete with case studies and information from successful YouTube creators, *The YouTube Formula* is perfect for any creator, entrepreneur, social media strategist, and brand manager who hopes to see real commercial results from their work on the platform.

*YouTube: An Insider's Guide to Climbing the Charts* Alan Lastufka, Michael W. Dean, 2008-11-19 Want to make a splash on YouTube? Even go viral? You've come to the right place. This book is written by two veteran 'Tubers who live their art and know what they're talking about -- especially Alan Lastufka, a.k.a. fallofautumndistro, who has over 13,000 YouTube subscribers and over 4 million views. Alan and co-author Michael W. Dean show you how to make a quality video, and how to optimize, encode, upload, and promote it. This book can't promise you'll be rich and famous, but it can tell you how to make great video art, and what you need to do to get your work seen. You'll learn about: Storytelling and directing Shooting, editing, and rendering Creating your very own channel Broadcasting user-generated content Re-broadcasting commercial content Cultivating a devoted audience Fitting into the YouTube community Becoming a success story Join Alan, who makes part of his living from YouTube, and Michael, a successful filmmaker, author, and D.I.Y. art pioneer. They'll take you from the basics of gear to making it big on YouTube, with a focus on networking and interaction. You'll also sit in on informative interviews with YouTube stars LisaNova, Hank Green (vlogbrothers), WhatTheBuckShow, nalts, and liamkylesullivan. Alan and Michael understand viral marketing -- and they know what it takes to get your work on everyone's YouTube radar. And, once you read this book, so will you.

*YouTube For Dummies* Doug Sahlin,Chris Botello,2011-02-10 *YouTube For Dummies* takes the classic Dummies tact in helping tech novices get a handle on a popular technology that more tech-savvy audiences consider simple. With so much content on YouTube getting media attention, more first-timers are jumping on the site and they need help. The book also helps the next step audience of users looking to add content to YouTube. Content includes: *Watching the Tube* - includes getting your PC ready for YouTube viewing, finding video, signing up for an account, and creating favorites. *Loading Video to YouTube*—covers the nuts and bolts of shooting video, transferring it to a PC, editing it, and sending it up to YouTube. *Bringing Along YouTube*—covers the various ways you can use YouTube video in places other than on the site. Includes mobile YouTube and adding videos to your MySpace page or another Web site. *I Always Wanted To Direct*—explores how to use YouTube's directors program to upload longer video, use the site for marketing, or launch your own videoblog.

**All About Weather** Huda Harajli,2020-03-24 Welcome to the wonderful world of weather! From the warm, balmy days of summer to the cold, crisp nights of winter, youngsters will learn all about the four seasons, as well as what the sun is, how clouds form, why it rains, what causes a rainbow, and so much more.

**Braids!** Robert Munsch,2019-11-05 Ashley loves her beautiful hair-- but braiding it takes FOREVER. Maybe Grandma can help?

**How to Make Money with YouTube: Earn Cash, Market Yourself, Reach Your Customers, and Grow Your Business on the World's Most Popular Video-Sharing Site** Brad Schepp,Debra Schepp,2009-04-18 “How Can I Profit from YouTube®?” Ever since its creation in 2005 the video-sharing phenomenon has been newsworthy not only for videos: users were making media appearances about how they parlayed their hobbies into six-figure incomes, but they’ve been tight-lipped when it comes to their secrets. Luckily, e-commerce experts Brad and Debra Schepp have written this complete guide to using YouTube for fun and profit. By the time you're done with this book, you'll know everything there is to know about: Planning, creating, and sharing your own videos that don't suck What makes a video go viral Harnessing YouTube's power for branding, advertising, and fundraising Inside you’ll find real-life YouTube success stories—from video makers who used the site to launch successful consulting businesses to a company’s humorous “Will It Blend?” videos that brought thousands of new customers to its Web site.

*YouTube* Herbert Toomey,2016-06-13 One of the reasons why YouTube is so popular, aside from the fact that you can watch or upload movies to the YouTube site for free, is the fact that you can rate,

leave comments, or talk about YouTube videos with other internet users. If you talk with certain members enough you may end up developing a close online friendship with them. Still, it is advised that you keep the previously mentioned safety tip in mind; do not give out any of your personal information.

*YouTube* Jean Burgess, Joshua Green, 2013-09-04 YouTube is one of the most well-known and widely discussed sites of participatory media in the contemporary online environment, and it is the first genuinely mass-popular platform for user-created video. In this timely and comprehensive introduction to how YouTube is being used and why it matters, Burgess and Green discuss the ways that it relates to wider transformations in culture, society and the economy. The book critically examines the public debates surrounding the site, demonstrating how it is central to struggles for authority and control in the new media environment. Drawing on a range of theoretical sources and empirical research, the authors discuss how YouTube is being used by the media industries, by audiences and amateur producers, and by particular communities of interest, and the ways in which these uses challenge existing ideas about cultural 'production' and 'consumption'. Rich with both concrete examples and featuring specially commissioned chapters by Henry Jenkins and John Hartley, the book is essential reading for anyone interested in the contemporary and future implications of online media. It will be particularly valuable for students and scholars in media, communication and cultural studies.

*The Last Lecture* Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence

that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Watching YouTube** Michael Strangelove, 2010-04-30 An anonymous musician plays Pachelbel's Canon on the electric guitar in a clip that has been viewed over sixty million times. The Dramatic Gopher is viewed over sixteen million times, as is a severely inebriated David Hasselhoff attempting to eat a hamburger. Over 800 variations, parodies, and parodies-of-parodies are uploaded of Beyonce Knowles' Single Ladies dance. Tay Zonday sings Chocolate Rain in a video viewed almost forty million times and scores himself a record deal. Obama Girl enters the political arena with contributions such as I Got a Crush on Obama and gets coverage in mainstream news networks. In *Watching YouTube*, Michael Strangelove provides a broad overview of the world of amateur online videos and the people who make them. Dr. Strangelove, the Governor General Literary Award-nominated author that *Wired Magazine* called a 'guru of Internet advertising,' describes how online digital video is both similar to and different from traditional home-movie-making and argues that we are moving into a post-television era characterized by mass participation. Strangelove draws from television, film, cultural, and media studies to help define an entirely new field of research. Online practices of representation, confessional video diaries, gendered uses of amateur video, and debates over elections, religion, and armed conflicts make up the bulk of this groundbreaking study, which is supplemented by an online blog at [strangelove.com/blog](http://strangelove.com/blog). An innovative and timely study, *Watching YouTube* raises questions about the future of cultural memory, identity, politics, warfare, and family life when everyday representational practices are altered by four billion cameras in the hands of ordinary people.

**Introduction to YouTube Premium** Gilad James, PhD, YouTube Premium is a paid subscription service offered by YouTube. The service offers several features, including ad-free viewing, background play, and the ability to download videos for offline viewing. YouTube Premium also includes access to Google Play Music, which allows users to stream ad-free music and create custom playlists. The service also includes access to YouTube Originals, which are exclusive content produced by YouTube, such as documentaries, talk shows, and scripted series. The cost of YouTube Premium varies by country, but it is generally around \$11.99 per month. The service is available in over 80 countries, and users can sign up for a free trial to test out the features before committing to a subscription. There is also a family plan available, which allows up to six family members to share a subscription. Overall, YouTube Premium provides a convenient and enjoyable way for users to access high-quality content without the annoyance of ads and with added benefits such as offline viewing and access to exclusive

content.

*Introduction to YouTube Music* Gilad James, PhD, YouTube Music is an on-demand, streaming music service launched by Google in 2015. Available across multiple devices including desktop, mobile and smart speakers, YouTube Music has become a popular platform for discovering new songs, creating playlists and accessing music from around the world. With an extensive catalogue of songs and curated playlists, YouTube Music is a versatile platform that allows users to stream music, watch music videos and even download tracks for offline listening. Designed to be user-friendly and accessible, YouTube Music uses artificial intelligence to learn what music people like and recommend similar tracks based on their listening history. Subscribers can access official music videos, live performances, remixes, and cover songs, making it a one-stop-shop for music enthusiasts. The platform also offers personalized playlists based on the time of day and mood, such as “Wake up Happy” or “Chill Out.” To enhance the listening experience, YouTube Music also has a feature called “Smart Downloads,” which automatically downloads recommended songs and videos when the device is connected to Wi-Fi. Overall, YouTube Music is an excellent platform for discovering new music, staying up-to-date with the latest releases and creating personalized playlists for all occasions.

*YouTube 4 You* Michael R. Miller, 2007-04-26 VIEW. UPLOAD. SHARE. That's what YouTube is all about—viewing, uploading, and sharing your favorite videos. *YouTube and Video Marketing* Greg Jarboe, 2009-08-14 A complete, task-based guide to developing, implementing, and tracking a video marketing strategy Online video marketing is crucial in today's marketplace. This guide teaches you proven, practical guidelines for developing and implementing video marketing for your organization. If you're a marketer, advertising professional, consultant, or small business owner, here's a relevant guide to understanding video marketing tactics, developing a strategy, implementing the campaign, and then measuring results. You'll find extensive coverage of keyword strategies and video optimization, distribution and promotion strategies to other sites and blogs, YouTube advertising opportunities, and crucial metrics and analysis. Written in the popular Hour a Day format, which breaks intimidating topics down to easily approachable tasks Covers previously undocumented optimization strategies, distribution techniques, community promotion tactics, and more Explores the crucial keyword development phase and best practices for creating and maintaining a presence on YouTube via brand channel development and customization Examines effective promotional tactics, how to optimize video for YouTube and search engine visibility, and metrics and analytics Includes case studies, additional resources, a glossary, information about creating and editing video, step-by-step guides, and valuable tutorials *YouTube and Video Marketing: An Hour A Day* gives you the tools to give your clients or your organization a visible, vital marketing presence online

**Introduction to YouTube Kids** Gilad James, PhD, YouTube Kids is a video streaming platform that is specialized for children under the age of 13, providing a safe and age-appropriate environment to explore videos, channels, and playlists. The app was launched in 2015, offering a tailor-made interface that is more intuitive and easy-to-navigate than the regular YouTube app. YouTube Kids has a wide range of content, including educational videos, cartoons, music, gaming, and more, all curated by a team of human reviewers to ensure that it is appropriate for young audiences. YouTube Kids offers a variety of features that are designed to enhance safety and parental control, such as restricted mode, which filters out explicit content, pause watch history, and timer settings that limit screen time. Parents can also customize the app's content based on their child's age and interests using the grown-ups only area. Additionally, YouTube Kids also provides parents with the ability to limit the search function to only pre-approved videos and enable a timer to monitor how long the child has been using the app. Overall, YouTube Kids is a valuable tool for parents who want to give their children access to online

video content without the concerns of exposing them to inappropriate or harmful material.

*The Discourse of YouTube* Phil Benson, 2016-10-26 The Discourse of YouTube explores the cutting edge of contemporary multimodal discourse through an in-depth analysis of structures, processes and content in YouTube discourse. YouTube is often seen as no more than a place to watch videos, but this book argues that YouTube and YouTube pages can also be read and analysed as complex, multi-authored, multimodal texts, emerging dynamically from processes of textually-mediated social interaction. The objective of the book is to show how multimodal discourse analysis tools can help us to understand the structures and processes involved in the production of YouTube texts. Philip Benson develops a framework for the analysis of multimodality in the structure of YouTube pages and of the multimodal interactions from which their content emerges. A second, and equally important, objective is to show how the globalization of YouTube is central to much of its discourse. The book identifies translingual practice as a key element in the global discourse of YouTube and discusses its roles in the negotiation of identities and intercultural learning in videos and comments. Focusing on YouTube as a key example of new digital media, *The Discourse of YouTube* makes a substantial contribution to conversations about new ways of producing multimodal text in a digital world.

*YouTube Channels For Dummies* Rob Ciampa, Theresa Go, Matt Ciampa, Rich Murphy, 2020-08-03 Create a YouTube channel that draws subscribers with top-notch content YouTube has the eyes and ears of two billion monthly users. *YouTube Channels for Dummies*, 2nd Edition offers proven steps to attracting a chunk of those billions to your personal or business channel. So, here we are with our Awesome YouTube My Business course which covers: What are the Major YouTube Trends and Algorithm

Changes to look out for the Future . How to Make Money on YouTube How to create a Robust YouTube Ad Strategy for this year How does Video Advertising work on YouTube Some latest tips on how to Get More Views on your YouTube channel The process of how to get your channel verified on YouTube this year Best YouTube Marketing Tips To Go Viral With Your Channel And much more!

YouTube can change your marketing game. It might take your brand off the ground. YouTube is not only the second largest search engine besides Google, but it's rivalling Facebook as the largest social media platform ever – making advertising on YouTube more appealing than ever before. Hence, it is important that you understand how the platform is evolving this year as well as the video marketing strategies. From a business perspective, it's hard to deny the effectiveness of video marketing. Businesses of all sizes can adopt a video marketing strategy as part of their inbound marketing strategy. It's no wonder why 81% of businesses use video as a marketing tool, which is up from 63% the year prior, according to last year's Wyzowl's State of Video Marketing survey. If you think that was impressive, wait until you hear this: It's ranked first over Netflix, Facebook, and Hulu, which got 29%, 10%, and 7% of votes, respectively. YouTube isn't just the favourite; it's more popular than the other three networks combined YouTube has more than 50 million content creators churning out videos regularly. 180 million hours of video content is consumed there every day. There's no denying that YouTube has a massive potential audience with every video that goes live on this platform. And with this year just beginning to unfold, it's probably the best opportunity for you to go viral with your channel. Well, We have put together all the resources you need to tap into this incredible marketing potential. This guide is your go-to resource where you're going to learn how to make money from YouTube, video advertising, designing a robust YouTube marketing strategy, the latest YouTube SEO tactics, and so many other things that will set you up as a successful YouTuber.
