Tuesdays with Morrie Mitch Albom,2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn’t you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man’s life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie’s lasting gift with the world.

Hand to Hold JJ Heller,2021-07-20 This heartwarming picture book reassures children that a parent’s love never lets go—based on the poignant lyrics of JJ Heller’s beloved lullaby “Hand to Hold.” “May the living light inside you be the compass as you go / May you always know you have my hand to hold.” With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child’s heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent’s presence and God’s blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

Ten Lectures on Diachronic Construction Grammar Martin Hilpert,2021-09-13 In this book, Martin Hilpert lays out how Construction Grammar can be applied to the study of language change. In a series of ten lectures on Diachronic Construction Grammar, the book presents the theoretical foundations, open questions, and methodological approaches that inform the constructional analysis of diachronic processes in language. The lectures address issues such as constructional networks, competition between constructions, shifts in collocational preferences, and differentiation and attraction in constructional change. The book features analyses that utilize modern corpus-linguistic methodologies and that draw on current theoretical discussions in usage-based linguistics. It is relevant for researchers and students in cognitive linguistics, corpus linguistics, and historical linguistics.

**Cultivating Copyright** Bhamati Viswanathan,2019-06-27 Creators and creative industries are struggling to navigate the digital age. Intellectual property rights, including copyrights, trademarks, and patents, offer invaluable tools to help creative industries remain viable and sustainable. But to be fully effective, they must be considered as part of a greater ecosystem. Cultivating Copyright offers a framework for tailoring flexible strategies and adaptive solutions suited to diverse creative industries. Tailored solutions entail change on four fronts: business models and strategies, legal policies and practices, technological measures, and cultural and normative features. Creating strong creative industries through tailored solutions serves critical functions: promoting richly varied artistic endeavors and supporting democratic flourishing.

**The Present and Future of Music Law** Ann Harrison,Tony Rigg,2021-07-29 The music business is a multifaceted, transnational industry that operates within complex and rapidly changing political, economic, cultural and technological contexts. The mode and manner of how music is created, obtained, consumed and exploited is evolving rapidly. It is based on relationships that can be both complimentary and at times confrontational, and around roles that interact, overlap and sometimes merge, reflecting the competing and coinciding interests of creative artists and music industry professionals. It falls to music law and legal practice to provide the underpinning framework to enable these complex relationships to flourish, to provide a means to resolve disputes, and to facilitate commerce in a challenging and dynamic business environment. The Present and Future of Music Law presents thirteen case studies written by experts in their fields, examining a range of key topics at the points where music law and the post-digital music industry intersect, offering a timely exploration of the current landscape and insights into the future shape of the interface between music business and music law.

**TECHNOLOGY LITTLE THING'S SERIES #1** Tracey Johnson,2022-05-15 I put a large amount of effort and time providing resources, tinkering with important and very useful technology's tools. Used to help you develop a creative mind, that will enable you to easily progress in your goals.

**Computational Thinking in Sound** Gena R. Greher,Jesse M. Heines,2014-05 Computational Thinking in Sound is the first book for music fundamentals educators which is devoted specifically to music, sound, and technology. The book offers practical guidance on creating an interdisciplinary classroom program, and includes numerous student activities at the intersection of computing and music.

**Humble & Kind** Tim McGraw,2016-05-24 What if practical inspiration could be as simple as an eye-opening, heartfelt song? From Grammy-winning star performer, husband, and father, Tim McGraw, comes a beautiful keepsake book, inspired by his uplifting hit, Humble and Kind. Humble and Kind is the keepsake hardcover volume that combines the emotional power of Tim McGraw's uplifting #1 single and video Humble and Kind to elegant line illustrations in a gift book for all seasons. Inspired by McGraw's own life experience as his eldest child embarked on her college career, every parent and graduate can relate to Humble and Kind; with tender clarity, the words reinforce lessons for mindful, compassionate living. The song's pure poetry not only propelled the single up the charts, but its accompanying video-gorgeously produced with images courtesy of Oprah Winfrey's documentary Belief -has been viewed by tens of millions since its release, and inspired a community movement at stayhumbleandkind.com. Featuring an introduction from McGraw and an epilogue by the songwriter Lori McKenna, Humble and Kind is a deeply affecting call to action, and the perfect memento for millions of graduates, parents, and children across the continent.

*Daily Studies for Diatonic Harmonica* David Barrett,2019-03-21 How good of a musician you become is predicated on how much practice you do and the quality of that practice. In all likelihood, you don't have access to a harmonica teacher (a rare breed), so it's up to you to identify what will help you grow as a player and how to best spend your valuable practice time. In Daily Exercises for Diatonic Harmonica, author David Barrett (the world's most published author of harmonica lesson material) provides recommendations on how to set up your practice room, structure your practice time, what to work on to improve your playing, and how to prepare you for performance. The Daily Exercises portion of this book provides essential exercises for the diatonic harmonica—movement patterns, scales, tongue block technique drills, an exercise to help you memorize the chords of the 12 Bar Blues, your harmonica's note layout, and how to choose a note to match over a given chord, at any time, in any range of the harmonica. This book and accompanying recording is an essential text for all students of the diatonic harmonica. You'll need a C Major Diatonic Harmonica for this method. Includes access to online audio.

**iPad: The Missing Manual** J.D. Biersdorfer,2010-05-18 The iPad 2 is faster, lighter, and more versatile than its predecessor, but there's still no printed guide to using its amazing features. That's where this full-color Missing Manual comes in. Learn how to stream HD video, make video calls, manage your email, surf the Web, listen to music, play games, and maybe even do a little iWork. This is the book that should have been in the box. Build your media library. Fill your iPad with music, movies, TV shows, eBooks, photos, and more. Share with others. Stream music, HD movies, TV shows, and more, to and from your iPad. Create your own media. Use the iPad's new Photo Booth, iMovie, and GarageBand apps to express yourself. Get online. Connect through WiFi or Wi-Fi+3G, and surf with the iPad's faster browser. Place video calls. See who's talking with the iPad's FaceTime app and its two cameras. Consolidate your email. Read and send messages from any of your accounts. Learn undocumented tips and tricks. Get the lowdown on cool iPad secrets and workarounds.

**How Music Changed YouTube** Guillaume Heuguet,2024-02-08 How do digital technologies transform music? The answer depends on the lens of one's analysis: creation, promotion, or the experience of the listener. How Music Changed YouTube shows that the reverse question – How does music transform digital technologies? – is also worth exploring: through reliance on sound recording and music, internet technologies and media are manufactured, transformed, and come to dominate. Guillaume Heuguet's study situates YouTube in relation to both the internet platform and music industries by unpacking the cultural and technological forms embedded within and observing the practices and values associated with it, from the art of collecting to the accelerated circulation of samples and remixes. Heuguet's documentary and genealogical work relies on YouTube's traces in

internet archives, its successive interfaces, the blogs of its teams, and a few emblematic channels and videos. Particular attention is paid to the tensions between the promises associated with music algorithms - recommendation system, copyright control, view calculation - and the reality of their operation from a technical and cultural point of view. How Music Changed YouTube shows how, far from responding to an immediate need, YouTube's editorial and economic model developed over time, how the various fans, artists, labels, lawyers and legislators shaped the site, and how these factors affected its rise as a global media force in the early 21st century.

Slow Down Nichole Nordeman, 2017-08-22 The days are long, but the years are short. No matter if it's your child's first step, first day of school, or first night tucked away in a new dorm room away from home, there comes a moment when you realize just how quickly the years are flying by. Christian music artist Nichole Nordeman's profound lyrics in her viral hit "Slow Down" struck a chord with moms everywhere, and now this beautiful four-color book will inspire you to celebrate the everyday moments of motherhood. Filled with thought-provoking writings from Nichole, as well as guest writings from friends including Shauna Niequist and Jen Hatmaker, practical tips, and journaling space for reflection, Slow Down will be a poignant gift for any mom, as well as a treasured keepsake. Take a few moments to reflect and celebrate the privilege of being a parent and getting to watch your little ones grow—and Slow Down. Nichole Nordeman has sold more than 1 million albums as a Christian music artist and has won 9 GMA Dove Awards, including two awards for Female Vocalist of the Year and Songwriter of the Year. Nichole released a lyric video for her song "Slow Down," and it struck a chord with parents everywhere, amassing 14 million views in its first five days. She lives in Oklahoma with her two children.
